MarkSmart™ Field Marking Systems

WHOLESALE PRICE LIST

The MARKSMART™ Field Marking System

Step-by-step guide to eliminate repeated measuring and staking.
From now on...
Just connect the dots.

Any Time is the RIGHT TIME to Mark Your Fields PRE-SEASON:

You have to stake and measure anyhow. Why not install MarkSmart and your staking and measuring days are over.

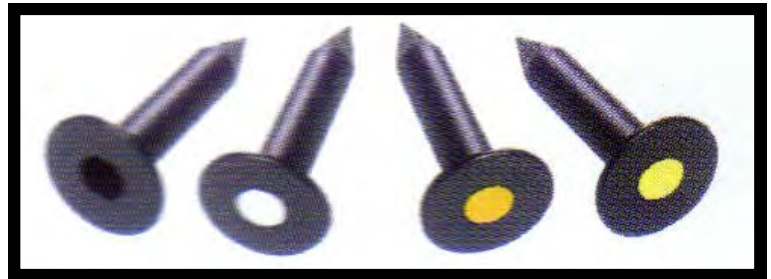

MID-SEASON: You already have the field lined and set. Why not permanently mark critical locations with **MarkSmart™** so your staking and measuring days are over.

POST-SEASON: Before the lines fade away, install **MarkSmart™** and you're ready to connect the dots for next season, without staking and measuring.

...It's the Only Field Lining System available that includes the Multi-purpose Ground Socket that:

- Is easily installed and permanently locates critical line intersections.
- Accepts a Lining peg which, with string attached, provides plumb line for lining fields.
- Holds or anchors Game-Day Field Markers on the windiest of days.

This simple system has saved hundreds of hours of field set-up time at thousands of schools, parks and recreation departments.

<p>1 LOCATE STARTING POINT (Corner of Field)</p> <p>Drive Installation Tool into ground with hammer or rubber mallet.</p> <p>Gently tap Installation Tool from right to left to loosen & remove from ground.</p>	<p>4 NOW YOU'RE READY TO STRING LINES AND...</p> <p>Insert lining peg into ground sockets and attach string.</p> <p>With MarkSmart... you're always on center.</p> <p>Overhead View</p>
<p>2 INSERT GROUND SOCKET</p> <p>Place Ground Socket in position. Set "Socket-Setter" in place as shown.</p> <p>Using Mallet, tap Ground Socket into hole until socket is flush with ground surface.</p>	<p>...JUST CONNECT THE DOTS</p> <p>Follow string lines to paint field.</p>
<p>3 MEASURE REMAINING LINE INTERSECTIONS AND CRITICAL LOCATIONS</p> <p>Insert ground socket at each location.</p>	<p>NOW... The perimeter of your field is complete and your measuring days are over.</p> <p>Add game day markers and you're ready to play!</p>
