BORN FROM NEW ENGLAND

It all started with a rain jacket in 1983 - not just any rain jacket, but one we believed in from its purpose to its performance. A rain jacket so inspired by our New England roots it later became known as "The New Englander." You see, for people like us who call New England home, the weather isn't something we just get through, it's a way of life - it's something we embrace, own, and grow to love. We love the way it strengthens our spirits, teaches us to roll with the punches, and encourages us to appreciate the beauty in nature's variety and uncertainty. If anything, the weather teaches us all a valuable lesson: you never know what the day has in store. Whether it's our daily commute, a walk on campus, or a weekend getaway, every minute of every day is its own adventure. While there's excitement in these spontaneous everyday adventures, it's being prepared for the unplanned that allows us to make the most of every moment. For over 30 years, we at Charles River Apparel have expanded beyond that first rain jacket, fine-tuning our collection of stylish designs and high-quality materials to equip and prepare you for your own everyday adventures.

CHARLES RIVER APPAREL FIT GUIDE

MEASUREMENT GUIDE

CHEST/BUST: Tape measure should be placed under arms. Measure at the fullest circumference around your chest.

WAIST: Measure your natural waistline around the narrowest circumference of your waist.

HIPS: Measure at the fullest circumference around your hips.

SLEEVE LENGTH: With elbow bent slightly, measure from center back of your neck, over the shoulder, over to the slightly bent elbow and down to the outer wrist.

INSEAM: Stand and measure the line where the two parts of a pair of pants are sewn together (top of the inside of the leg) to the bottom of your ankle bone.

These sizes and body measurements are intended as a guide to assist with sizing — these are not exact garment measurements. Locate your measurements below & the chart will tell you the approximate Charles River Apparel size you should fit into. For style specific measurements, visit our website at www.charlesriverapparel.com & click on the individual style to view the garments specs.

THANK YOU FOR YOUR BUSINESS

Since 1983, Charles River Apparel has brought the highest quality performance outerwear and lifestyle apparel to thousands of distributors and customers nationwide. We are incredibly grateful for the opportunity to work with you.

As a third generation family-owned business, strong relationships are a source of pride. Knowing that our products are being enjoyed by an employee, customer or member of the community is a great reminder of why we're in business.

In July, we were fortunate to accept a special industry honor, the **Family Business of the Year**, ASI 2017 award, in large part due to our work with you. On behalf of our entire crew, thank you. We share this honor with you.

CHARLES RIVER CARES™

Since our founding, Charles River Apparel has created a tradition of giving back to the community and it's an important part of our culture. Our mission is simple: to make a difference in the well-being of others. It started with the Be Pink Proud campaign, honoring the memory of beloved family member and employee Susan (Lipsett) de Vries, and includes our Employee Volunteer Program, where employees give back to their charity of choice. Charles River Cares, our philanthropic arm, continues to expand.

COLORS FOR A CAUSE

In 2017, we launched Colors for a Cause to bring new meaning to our core business of selling apparel. Colors for a Cause makes our number one selling style, The New Englander® Rain Jacket, available to raise awareness and funds around issues impacting our communities. This style is worn by hundreds of thousands and loved by many. We've selected specific colors and allocated 10% of their total annual sales to a cause.

Look for more details throughout the year on this exciting program and how your orders can honor a spirit of giving back.

It all started with a rain jacket in 1963 - not just any rain jacket, but one we believed in from its purpose to its performance. A rain jacket so inspired by our New England roots it later became known as "The New Englander."
