REALTREE

In 1986, the founder of Realtree®, Bill Jordan, rented a booth at the Shooting, Hunting, Outdoor Trade (SHOT) Show on credit. Bill spent the week of the show selling his own camo pattern creation and hiding from SHOT Show officials after purchasing the booth on credit. By the end of the show, Bill had enough buyers invested in his garment prototypes that he was able to settle the bill for his booth.

This type of faith and determination is what Outdoor Cap looks for in a brand. We value our relationships with partners like Realtree® so that we can offer our customers the best of the best.
