SURGEON 700

Features:

- EnduraForm™ - a new, proprietary formulation for improved toughness in a wider array of temperatures
- New Channel Lock™ stringing system provides advanced control of the pocket shape
- Speed Scoop™ design enhances ground ball pickup in tight quarters
- Built in handle support reduces head rattle and moves your top hand closer to the ball
- Meets 2018 high school and college specs

Colors	White, Black, Grey
--------	--------------------

STALLION 700

Features:

- Enhanced groundball play with STX's new, patent pending, Speed Scoop™, allows for quick and effortless scooping by minimizing scoop drag on turf and grass
- The Stallion's iconic two-sidewall brace design provides optimal stability when shooting, checking, and on ground balls
- New Stallion 700 design is 25% stiffer and 5% lighter than previous Stallion models
- C-Channel™ technology distributes stress on the sidewall, providing extra strength and stability between the lines
- Meets NCAA and NFHS rules

Colors	White, Black, Grey
--------	--------------------

HAMMER 500

Features:

- Enhanced groundball play with STX's new, patent pending, Speed Scoop™, allows for quick and effortless scooping by minimizing scoop drag on turf and grass
- Iconic Hammer three-sidewall brace design has been refined to deliver more stiffness and stability
- C-Channel™ technology distributes stress and impacts on the sidewall, providing extra strength when checking and stability on groundballs
- New head design removes excess weight from the previous Hammer model, while improving durability and stiffness
- Meets NCAA and NFHS rules

Colors	White, Black, Grey
--------	--------------------

DUEL

Features:

- STX's innovative throat plug (patent pending) allows the player to get closer to the ball
- Specific flex zones engineered in the mid-section of the head for optimal face-off movements
- Dual sidewall braces provide extra stability on ground balls and at key moments of the face-off
- Featuring STX's Scalloped Scoop, designed to flatten out on ground balls for easy pick up
- Strategically placed stringing holes maintain durability while providing stringing options
- Meets NCAA and NFHS rules

Colors	White, Black, Grey
--------	--------------------

SUPER POWER +

Features:

- Designed specifically to enhance ball feel and snap through STX's patented Island ball-stop, Scalloped Scoop and the Power family's famous single sidewall brace
- STX's first head engineered with ACP™ and C-Channel™ technologies, making it the lightest head in our line
- ACP™ maintains head shape in all climates, while maintaining a high strength-to-weight ratio
- C-Channel™ - strategic use along the bottom rail maintains strength in a key area without adding weight
- Meets NCAA and NFHS rules

Colors	White, Black, Grey
--------	--------------------

Men's Lacrosse

STALLION U 550

Features:

- New design is 5% lighter than NFHS model, while maintaining same great level of performance
- C-Channel technology provides extra strength for checking and ground balls
- Dual sidewall braces provide stability on outside shots and ground balls
- Bottom rail designed specifically for high pocket placement for additional power when shooting
- Featuring STX's signature open sidewall in the rear that flexes on checks and groundballs, preserving durability
- Meets NCAA and NFHS rules

Colors	White, Black, Grey
--------	--------------------

X10 U

Features:

- Classic STX trestle sidewall design provides strength and stiffness while keeping head lightweight
- Multiple stringing holes for a variety of stringing options
- STX Forward Cant
- Meets NCAA and NFHS rules

Colors	White, Black
--------	--------------

STALLION U 550 A/M COMPLETE STICK

Features:

- C-Channel technology provides extra strength for checking and ground balls
- Dual sidewall braces provide stability on outside shots and ground balls
- Featuring STX's signature open sidewall in the rear that flexes on checks and groundballs, preserving durability
- Improved stringing pattern, paired with STX's new Dry Mesh Lite, provides players with optimal, playable pockets, right off the shelf
- Includes STX 7000 alloy handle
- Meets NCAA and NFHS rules

Colors	White/White/Platinum, Black/White/Black
--------	---

X10 DEF COMPLETE STICK

Features:

- Classic STX trestle sidewall design provides strength and stiffness while keeping head lightweight
- Comes strung with STX Dry Mesh™
- Includes Hammer 7000 defensive-length alloy handle
- Meets NCAA and NFHS rules

Colors	White/White/Platinum
--------	----------------------

STALLION 200 A/M COMPLETE STICK

Features:

- Inspired by the elite Stallion U 550 head
- Complete stick only - includes NEW STX 6000 series alloy handle featuring tonal "Memory Marker" graphics
- Designed to help players develop proper fundamentals
- Easy catching and ball control for all entry-level players
- Soft mesh stringing
- Meets NCAA and NFHS rules

Colors	White/Black/Platinum, Red/Black/Platinum, Neon Green/Black/Platinum, Black/Black/Black
--------	--

STALLION 200 DEF COMPLETE STICK

Features:

- Inspired by the elite Stallion U 550 head
- Complete stick only - includes NEW STX 6000 series alloy handle featuring tonal "Memory Marker" graphics
- Designed to help players develop proper fundamentals
- Easy catching and ball control for all entry-level players
- Soft mesh stringing
- Meets NCAA and NFHS rules

Colors	White/Black/Platinum, Black/Black/Black
--------	---

STALLION 50 YOUTH COMPLETE STICK

Features:

- Inspired by the elite Stallion 550 head
- Head is molded with softer material to provide a forgiving response
- Includes shorter and thinner handle for easier handling Designed to help players develop proper fundamentals
- Easy catching and ball control for all entry-level players
- Soft mesh stringing
- Not fit for college or high school players

STALLION SC-TI OCS A/M

Features:

- OCS (Optimized Cross Section) design adds additional material at the corners of the handle profile, which significantly reduces denting , without adding weight
- Highest strength-to-weight ratio in the STX portfolio
- 5% lighter than Stallion Sc-Ti while maintaining strength with OCS Technology
- Shaft Lock (patent pending) technology provides a more secure connection between head and handle, reducing head rattle
- Mild sandblast finish

Colors	Black, Platinum, Gunmetal
--------	---------------------------

SURGEON SC-TI A/M

Features:

- Updated Precision Profile now includes targeted Max-Sandblast Zones for amplified control
- Pro-level STX Sc-Ti alloy for proven, lightweight performance
- Mirror finish logo details

Colors	Platinum, Black, Gold
--------	-----------------------

ALLIANCE VFT A/M

Features:

- VFT – Engineered Variable Flex Technology provides a responsive, snappy feel
- Targeted Raised 3D Grip inspired by player movement provides enhanced control
- New Composite profile – Player preferred Concave Octagon shape
- Soft touch finish

Colors	White
--------	-------

ALLIANCE XL A/M

Features:

- Oversize octagon shape for the power player
- 3D raised zones provide grip without the weight of tape
- Built-in end cap
- Grit finish for ideal feel

Colors	Black
--------	-------

Men's Lacrosse

SHIFT SC-TI A/M

Features:

- Shift Profile – innovative flip handle with two grip options
- Ultra-light Sc-Ti alloy withstands intense play
- Max sandblast finish for secure grip in all conditions

Colors	Platinum, Black
--------	-----------------

DUEL SC A/M

Features:

- Paired with the Duel U head for the ultimate face-off weapon
- Built with Scandium Alloy for lightweight strength
- Featuring new Clamp Profile (concave octagon with pronounced corners), designed specifically for more control at the X
- Targeted Grip at the top of the handle to provide added top-hand control near the throat

Colors	Platinum, Black
--------	-----------------

SURGEON SC A/M

Features:

- Built with Scandium Alloy blend, making it our lightest handle to date
- Precision Profile (Extreme Concave Octagon) for superior finger and thumb placement and enhanced control
- Accufinish provides a permanent and aggressive texture to the Surgeon handles, using our Advanced Abrasion Blast, for the superior grip needed for precise accuracy

Colors	Black, Platinum, Gunmetal, White
--------	----------------------------------

STALLION SC A/M

Features:

- Built with Scandium Alloy for lightweight strength
- Shaft Lock™ (patent pending) technology provides a more secure connection between head and handle, reducing head rattle
- Mild sandblast finish

Colors	Black, Platinum, Gunmetal
--------	---------------------------

STX 7000 A/M

Features:

- Matte-anodized 7000-series alloy provides lightweight performance for the competitive-level player
- Mild sandblast finish for secure grip in all conditions
- Comes standard in the Stallion U 500 A/M CS

Colors	Platinum, Black
--------	-----------------

STX 6000 A/M

Features:

- Matte-anodized 6000 alloy provides lightweight performance for the entry-level player
- Tonal "Memory Marker" graphics assist with proper hand placement
- Smooth, non-slip finish
- Comes standard in the Stallion 200 A/M CS & Shield 100 CS

HAMMER 500 DEF

Features:

- Constructed with lightweight, high-strength carbon composite for flex without bend
- Optimized 225 Flex level for the defensive player
- Traditional octagon profile for better control when checking
- Targeted Grip texture designed specifically for the defenseman
- New, longer-lasting tactile finish for additional control
- 30% stronger than Alliance 225

Colors	Black, White
--------	--------------

SHIFT SC-TI DEF

Features:

- Shift Profile – innovative flip handle with two grip options
- Ultra-light Sc-Ti alloy withstands intense play
- Max sandblast finish for secure grip in all conditions

Colors	Platinum, Black
--------	-----------------

HAMMER SC DEF

Features:

- Pro-level Scandium alloy enhances durability
- New full-length Coarse sandblast finish for secure grip

Colors	Platinum, Black
--------	-----------------

HAMMER 7000 DEF

Features:

- Proven 7075 alloy
- Mild sandblast finish

Colors	Platinum, Black
--------	-----------------

STX 6000 DEF

Features:

- Matte-anodized 6000 alloy provides lightweight performance for the entry-level player
- Smooth, non-slip finish
- Comes standard in the Stallion 200 DEF CS

Colors	Platinum, Black
--------	-----------------

CELL IV GLOVES

Features:

- GeoFlex II™ - patent pending flexible protection technology featured on the back of hand and thumb
- New flared cuff system moves with the player for increased wrist mobility
- Ventilated palm design for moisture management and comfort
- Stretch thumb provides improved flexibility and rotation
