Revised: 2/12/2020

<u>Part #</u>	<u>Description</u>	<u>ESCNJ LIST</u>
	PV100 Vacuum	
100-320001	PV100-T 100 gallon angle mounted debris tank, 26.5 HP EFI gas engine, 380 CFM blower, 3" x 25' vacuum hose and 5' pick-up wand attachment, LED traffic director, - single axle 5200# GVWR, electric brakes, powder coated Pacific Tek Safety Yellow	40,200.00
100-550010	PV100-D1W-T (Gas Standard Output) 100 gallon angle mounted debris tank, Drive One 26.5 HP EFI gas engine, 380 CFM blower, 3" x 25' vacuum hose and 5' pick-up wand attachment, electric clutch engaged pressure washer 3000 PSI @ 4 GPM, 60 gallon water tank, 50' hose reel, Anti-freeze Kit, LED traffic director, powder coated Pacific Tek Safety Yellow	48,300.00
100-360013	PV100-PT1000-D1HW-T (Gas Standard Output) 100 gallon angle mounted debris tank, Drive One 26.5 HP EFI gas engine, 380 CFM blower, 3" x 25' vacuum hose and 5' pick-up wand attachment, PT1000 valve exerciser, Flat face quick connect ports for Class II Hydraulic tool circuit (hose not included), Swivel Head Adaptor, Ai Function, electric clutch engaged pressure washer 2500 PSI @ 3 GPM, 60 gallon water tank, 50' hose reel, Anti-freeze Kit, LED traffic director, includes 1 telescoping 5' to 8' alum. valve key, powder coated Pacific Tek Safety Yellow	71,000.00
	PV100 Vacuum & Vac./Valve Exerciser Packages	
100-BAS	BAS Skid 100-S 8' x 8' fork lift able skid pre-mounted with PV100, Drive One 26.5 HP EFI gas engine, 380 CFM blower, remote throttle control, electric clutch engaged pressure washer 2500 PSI @ 3 GPM, 60 gallon water tank, hydraulic Class II Tool Circuit, retractable hydraulic hose reel, oil cooler, selector valve, Anti-freeze kit, air gap, Swivel Head Adaptor, includes 1 telescoping 5' to 8' alum. valve key. PT1000 Valve Exerciser (0-850 Ft-Lbs. of torque) with Ai function is shipped loose. Skid bolts to minimum 8' X 10' flatbed.	76,100.00
	PV100 Vacuum Body Equipment	
100-110001	PV100-S 100 gallon angle mounted debris tank 380 CFM blower, 26.5 HP EFI gas engine, 3" x 25' vacuum hose and 5' pick-up wand attachment, remote start, powder coated Pacific Tek Safety Yellow	34,000.00
100-35551	PV100-D1W-S (Gas Standard Output) 100 gallon angle mounted debris tank, Drive One 26.5 HP EFI gas engine, 380 CFM blower, 3" x 25' vacuum hose and 5' pick-up wand attachment, electric clutch engaged pressure washer 3000 PSI @ 4 GPM, 60 gallon water tank, 50' hose reel, Anti-freeze kit, air gap, with remote start - All components mounted to single skid, powder coated Pacific Tek Safety Yellow	44,000.00

21-99900	Traffic Director for PV100 & PV150 Traffic Director for PV100 & PV150, LED amber traffic director with Daytime/Nighttime settings with 4 flash patterns, Mounted on a custom frame that also contains the pressure washer wand, vacuum hose and pick-up tube for travel, Controller is housed in a weather-resistant polycarbonate box	3,063.00
21-99901	Traffic Director for PV250 and Up Traffic Director for PV 250 and up. LED amber traffic director with Daytime/Nighttime settings with 4 flash patterns. Mounted rear of debris tank with control box mounted inside hydraulic pump box	2,224.00
21-75334	LED Flood Lamp Set Set of two 2000 lumen flood lamps includes floods, wiring and switch on curb side. No labor cost if built into new vacuum system	1,334.00
21-75006	Amber Beacon LED Amber beacon mounted to top of tank, headache rack or traffic director stand. No labor cost if built into new vacuum/flatbed system	438.00
Hose Support Booms		
786-08770	Tank Mounted Telescoping Boom (B) Telescoping hose support boom - Manually operated. Extends 6' to 10'. Mounted to the top of the tank. Includes travel rest, safety travel pins, reinforcement to tank for mounting. For PV350, PV500, PV800 & PV1200 units only.	3,402.00
786-06001	Pedestal Boom (Bp) Pedestal Mounted Hose Boom - Manually operated. Mounts to a flat surface-only for truck mounting application. Extends 6' - 10' (reinforcement on flatbed not included when boom is sold separate)	3,959.00
786-04030	Hydraulic Hose Support Boom (Bh) Hydraulic Hose Support Boom-6 Function Hose Support Boom, Hydraulically controlled vertical lift, Hydraulically controlled telescoping extension from 10' to 14', Horizontal rotation up to 270 degrees from travel rest, Mounted to new Pacific Tek vacuum debris tanks (PV500, PV800 & PV1200 only)	20,625.00
Remotes / Controllers		
21-75231	Remote-Start Remote starter assembly places ignition to rear of skid/flatbed. Key switch ignition, throttle, choke are all installed in a weather resistant box and wire harness applied to gas engine. Only for Kohler 26.5 HP EFI gas engines.	714.00
KWR-004	Wireless Remote Set Wireless Remote set 4 Button for Hydraulic functions on POWER VAC Models PV250 and up	614.00
PNT12V4902	Pendant Controller 4 button remote pendant assembly, 15' ft. long remote w/ spade connector	412.00

	Vacuum Reverse Flow	
000-9800	(R) Reverse-Flow Vacuum Reverse Flow - Pushes liquids out of the hose or decanting valve off the back of vacuum tank. For PV350, PV500, PV800 & PV1200 units only. No labor cost if built into new vacuum system.	3,698.00

	Pressure Washer Options	
35-35100	PW 3500-100 Self-Contained 3000 PSI @ 4 GPM pressure washer, 13 HP gas engine, electric start, 100 gallon water tank, hose reel, 50' hose and wand. No labor cost if built into new vacuum/flatbed system.	8,125.00

61-01018	PW Water Heater Diesel heater for 3000 PSI 4 GPM pressure washer - No labor cost if built into new vacuum/flatbed system.	5,295.00
----------	--	----------

21-21220	Anti-Freeze Kit Anti-Freeze kit for pressure washer systems - 4 gallon poly tank with lid, mounting straps (mounts to flat surface), suction hose & bulkhead fitting, 3-way selector valve. No labor cost if built into new vacuum/flatbed system. (Standard feature with most skid mounted packages with pressure washer)	446.00
----------	---	--------

	Jetter System	
18-500011	Jetter 12 GPM 3,000 PSI - Skid Mounted 12 GPM, 3,000 PSI skid mounted jetter system w/ 300' of 1/2' diameter hose. Can be mounted onto skid. This will increase most skid system GVW ratings. Please ask a sales representative for a quote.	18,745.00
