**2022 MORBARK EGER BEEVER™ 1415 BRUSH CHIPPER**

**EQUIPMENT AND OPTIONS**

**STANDARD UNIT:**

- Morbark orange urethane paint system
- Infeed with rigid tray and control handle to actuate feed wheels and dual safety pull cables
- Dual horizontal feed wheel compression system with hydraulic lift assist, spring assisted down pressure and manually applied hydraulic down pressure at the valve handle
- Reversing automatic feed system
- 21-3/8" diameter x 14-1/2" wide staggered knife pocket drum with two (2) dual-edged chipper knives and dual sided chambered air impeller system
- 24-1/2-gallon lockable fuel tank with drain plug, sight gauge and shut-off valve
- 17-gallon lockable hydraulic reservoir with sight gauge, drain plug and clean-out cover
- Live hydraulics; ball valve, pump, motor and control valve
- Manual crank swivel discharge chute with 360° rotation, bottom clean-out door and adjustable flipper
- 8.2#, 6" channel frame rails with cross bracing for additional structural rigidity
- 5" x 3" tubular steel telescoping drawbar with (2) 12" extensions, adjustable hitch plate with 2-1/2" pintle ring and
- 3/8" thick safety chains with clasp hooks
- 7,000# Torsion axle, electric brakes, break-away actuator with 235/80R x 16" radial tires and hexagon splash guard fenders
- 5000# side wind tongue jack with stationary foot pad
- Lockable steel battery box with 8D, 1400CCA battery and steel tool box
- Registration and operator guide holder
- Complete set of manuals including: Safety and Operator's, Parts Manual with electronic back-up, which also includes a Safety Video and OEM component manuals. Also included is an engine manual if applicable along with start-up paperwork
- Enclosed engine with gauge panel, radiator fines screen and slide rails for belt adjustment
- Trailer wiring package includes: 7-pin flat electrical connector, LED tail lamps, LED side marker lamps, tail lights and license plate holder with light
- PSI 2.4L, 75-HP gasoline engine with Morbark ZeroClutch (centrifugal) in lieu of standard

**RETAIL**  
 \$ 48,187.33

**POWER OPTIONS:**

- Caterpillar C3.4F, 74-HP, Tier 4F diesel engine with automotive style clutch and block heater in lieu of standard
- Isuzu 4JJ1T, 70-HP, Tier 4F diesel engine with over center clutch and 800CCA battery in lieu of standard
- PSI 4.X, 145-HP gasoline engine with automotive style clutch in lieu of standard

**RETAIL**  
 \$ 9,325.00   
 \$ 10,650.00   
 \$ 3,600.00

**BOLT-ON OPTIONS:**

- 2" Ball Hitch in lieu of standard 2-1/2" Pintle Ring
- 2-5/16" Ball Hitch in lieu of standard 2-1/2" Pintle Ring
- 6-Pin round electrical connector cable in lieu of standard 7-pin connector
- Amber strobe light
- Chipper Knife Maintenance Kit, P/N 29834-799 includes (2) knives and (8) bolts
- Chocks and chock holders (complete set of 2)
- Cone holder, lockable to hold (10) 28" long traffic cones
- Dual feed stops on infeed
- Electronic fuel gauge located near control panel
- Folding infeed tray (1500 mm) with spring lift assist
- Manuals: complete, additional set of Morbark and OEM (**English only**)
- Manuals: additional set of Morbark only (**English only**)
- Pusher paddle with mount
- Rubber infeed curtain
- Spare 235/80R x 16" tire and rim
- Spare tire mount
- Turnbuckle for discharge height adjustment
- Variable speed flow control
- Winch package: Heavy-duty, 5000# pull capacity with rope, 10' chafe guard and interlock device

**2022 MORBARK EGER BEEVER™ 2131-SA BRUSH CHIPPER**

**EQUIPMENT AND OPTIONS**

**STANDARD UNIT:**

- Morbark orange urethane paint system
- Infeed with rigid tray and control handle to actuate feed wheels and dual safety pull cables
- Dual horizontal feed wheels with TorqMax™ top feed wheel compression system, hydraulic lift assist, Variable Force™ constant hydraulic down pressure system with additional manually applied hydraulic down pressure at the valve handle and direct drive bottom feed wheel with box mount coupler
- Reversing automatic feed system
- 37-3/8" diameter x 23-3/4" wide, four (4) dual-edged knife staggered pocket drum with removable knife holders, dual sided chambered air impeller system and controllable air flow vents
- 60-gallon lockable fuel tank with drain plug, sight gauge, shut-off valve and electronic fuel gauge
- 41-gallon lockable hydraulic reservoir with sight gauge, drain plug, hydraulic oil cooler, and clean-out cover
- Live hydraulic system including: ball valve, pump, motor, and valve bank with additional valve section for installation of winch package
- Manual crank swivel discharge with 360° rotation, turnbuckle height adjustment, bottom clean-out door and adjustable flipper
- 6" x 2" tubular steel frame with cross bracing for additional structural rigidity
- 6" x 4" tubular steel telescoping drawbar with (2) 12" extensions, adjustable hitch plate with 2-1/2" pintle ring and 3/8" thick safety chains with clasp hooks
- 12,000# Torsion axle, electric brakes, break-away actuator with 235/75R x 17.5", 16-ply radial tires and hexagon splash guard fenders
- 10,000# tongue jack with stationary foot pad
- Lockable steel combination tool and battery box compartment with 8D, 1400CCA battery
- Registration and operator guide holder
- Complete set of manuals including: Safety and Operator's, Parts Manual with electronic back-up, which also includes a Safety Video and OEM component manuals. Also included is an engine manual if applicable along with start-up paperwork
- Enclosed engine with gauge panel, radiator fines screen and slide rails for belt adjustment
- Trailer wiring package includes: 7-pin flat electrical connector, LED tail lamps, LED side marker lamps, tail lights and license plate holder with light
- Ford 6.2L, 165-HP gasoline engine with over center clutch

**RETAIL**

\$ 73,622.82

**POWER OPTIONS:**

- Caterpillar C4.4, 174-HP, Tier 4F diesel engine with over center clutch and block heater in lieu of standard
- John Deere 4045HFC04, 140-HP, Tier 4F diesel engine with over center clutch and block heater in lieu of standard
