**EXPLANATION OF ABBREVIATIONS**

- {a} Back-Pack Guides are furnished and charged as extra accessories
- {b} CWANA systems ordered at 10 foot or less, add 50% to price
- {c} CWANA systems ordered at 5 foot or less, add 25% to price
- {d} Includes 2 each 1724 splice clamps
- {e} Add \$ 10.67 for each additional line. Available u o 24 lines total
- {f} Price shown is for 120 VAC, single phase
- {g} Price shown is for 220 VAC, single phase
- {h} Price shown is for 230 VAC, three-phase
- {j} Includes factory curving and crating
- {k} Price included LVCS, Low Voltage Control System (24 volts)
- {m} Additional charge to punch holes in track for ceiling mounting (non-CWANA system only)
- {n} Must specify source voltage and phase at time of order.
- {o} Must specify suspended, ceiling mount, right or left side mounting (house view)

**2017 LIST PRICE SHEET**  
Prices effective January 1, 2017 thru December 31, 2017

Model	Description	Quantity	List Price
-------	-------------	----------	------------

**Notes :**

**CWANA** - Complete With All Necessary Accessories

**UL/ETL** - Machine, in its entirety is listed with Underwriters Laboratory or Electronic Testing laboratories.

**BB** - Ball-Bearing equipped

**MCS** - Magnetic Control System

**SSR** - Start/Stop/Reverse from any point of travel

**PR** - Price on request

When ordering curtain machines, it's required to provide the following:

1. Type (Model) of track to be used with the machine
2. Length and height of track system
3. Total weight of curtain
4. Type of operation: bi-part, one-way draw
5. If the track system is straight or curved
6. Type of mounting for the track system: ceiling, suspended, pipe mounted
7. For lift machines, total weight to be lifted, mounting type, desired lift speed and voltage available

**Important Notice - Restock Charges**

A minimum 15% restock charge will be assessed to all items returned in **LIKE NEW CONDITION**. If the returned items require cleaning, refinishing, repair, or are older than 1 year old, additional charges will be assessed and deducted from the credit allowed for the returned item.
