CUSTOM UNIFORM CARE INSTRUCTIONS;

To enhance the appearance and extend the life of your uniforms, adidas recommends that you follow these cleaning and storing procedures:

• Do not dry clean

PAGE

WINTER 2018

- Do not wash in hot water
- Do not use chlorine bleach
- Do not use fabric softener
- Do not wash whites and colors together
- Do not overload the washing machine
- Do not machine dry on high heat
- Do not leave wet or damp garments in your travel bag, in a pile with other clothing or in washing machine
- Before using uniforms for the very first time, it is recommended that they be washed in cold water and hung to dry or
- machine dryed on the lowest setting
- Uniforms should always be laundered immediately after wearing.
 - However, if this is not possible, rinse garments and hang individually on rust-proof hangers
 - (Moisture may cause color migration of acid dyes so we advise seper ating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed seperately from the garment
- It is always advisable to test wash a single uniform according to directions
- before washing an entire load.
- We recommend presoaking heavily soiled garments in cold water with a protein release agent.
 - Follow the instructions recommended by the presoak manufacturer.
 - Wash garments immediately following the presoak in the normal wash cycle.
- Wash and rinse all garments in cold water with mild detergent.
 - Remove promptly after wash cycle to avoid color migration.
- For optimum results, hang garments (especially those with Spandex) to dry.
 - If you cannot hang dry, machine dry on the lowest setting.
 - Turn jerseys inside out before machine drying.
 - Remove items from dryer immediately upon completion of cycle.
 - Excessive heat can cause fabric shrinkage discoloration, and cracking and peeling of vinyl pastisol lettering inks.
- Make sure uniforms are completely dry before storing.
 - Store in a dry area to prevent mildew
 - Protect them from sunlight and fluorescent light to prevent yellowing

PLEASE NOTE:

adidas will not be responsible for uniforms that are damaged due to improper care and maintenance.

Failure to follow our specified care instructions will void all guarantees.

TECHFIT UNIFORM CARE INSTRUCTIONS;

For pre-washing, here is what is recommended:

- It is recommended that a new set of uniforms be laundered before wearing; in lukewarm (100 F) water using a mild detergent.
- Please let us know how the uniforms that were stained do today.

Here is more info for continued care and washing. This below info is sent with every Ripon order:

• UNIFORMS: should be laundered immediately after they have been worn. Color transfer (bleeding) may occur when in perspiration soaked garments are left in a pile or folded one on top of another for any period of time. Garments that cannot be laundered at once should be hung individually on rust-proof hangers (plastic or wooden). All items are not a part of the garment; i.e. belts, pads, etc., should be removed and laundered separately. As an extra precaution, wash one jersey/ pant, inside out, if results are acceptable, proceed with the balance.

WINTER 2018

• PRE SOAKING: Garments made of Antron Nylon or Spandex that are unusually soiled or stained can be pre-soaked in lukewarm (100 F) water with a pre-soak agent for no longer than one hour. Cold or Hot water can cause color transfer. Garments should be laundered immediately after pre soaking! Pre-soak agents such as Tide, Cheer, or Wisk are not endorsed by adidas, but appear to work best.

• WASHING: Rinse washing machine before laundering garments. Most garments can be laundered and/or rinsed in lukewarm water (100 F). White and colored garments cannot be washed together, was separately by color. Use mild detergent (PH under 10) such as Tide, Cheer. adidas does not endorse these brands, but when used following these instruction, produce very good results.

• Water level in machine should be higher than garment level which will reduce mechanical action. Remove garments immediately after wash cycle is finished to avoid color transfer.

• Bleaching is NOT recommended. DO NOT USE CHLORINE BLEACH. As it will fade colors, weaken fabrics, and cause color transfer/bleeding. A light application of granular oxygen-base bleach is recommended on any white garment requiring bleach. DO NOT USE DE-STAINERS OR SOFTNERS as these added agents may DAMAGE the uniform.

• DRYING: Garments should be air dried on rust-proof hangers (plastic or wooden). If machine drying is necessary, dryer should be at lowest temperature or "air-only" setting. Uncontrolled heat will results in uncontrolled shrinkage or damage to lettering of garments. Remove garments from dryer at completion of drying cycle.

• DO NOT DRY CLEAN GARMENTS. Dry cleaning may discolor and ruin imprint names and numbers.

• DO NOT IRON OR PRESS GARMENT.

• Dry garments completely before storing. Storing garments in a cool, dry area protected from continued coop #650000 will prevent mildew or yello Wetlichen/Garden State Apparel

LIMITATION ON DAMAGES; STATUTE OF LIMITATIONS: SLD WILL NOT BE LIABLE FOR ANY LOSS OF PROFIT, INTERRUPTION OF BUSINESS OR ANY OTHER SPECIAL, CONSEQUENTIAL OR INCI-DENTAL DAMAGES SUFFERED OR SUSTAINED BY CUSTOMER. Any action by Customer related to these Terms and Conditions, including for breach of contract, must be commenced within one year from the date of delivery of the goods.

SECURITY AGREEMENT: To secure payment and performance of all of Customer's current and future obligations to SLD, Customer grants to SLD a security interest in all inventory and equipment that Customer has purchased or will at any time in the future purchase from SLD and in all accounts, other forms of receivables, documents, instruments, returns and general intangibles that are related in any way to such inventory and equipment. A copy of Customer's credit application may be filed as a financing statement in which case Customer is the debtor and SLD is the secured party. If, in SLD's judgment, Customer loses the financial ability to pay and perform all of Customer's current and future obligations to SLD under these Terms and Conditions, then, upon demand by SLD, Customer will return all Collateral to SLD for disposition in accordance with the Uniform Commercial Code.

ENTIRE AGREEMENT: Customer's credit application along with these Terms and Conditions contain the entire understanding between the parties. Customer acknowledges that there are no terms, conditions, warranties or representations from or by SLD other than those contained in the credit application and these Terms and Conditions.

MODIFICATIONS: No supplement, modification or amendment of Customer's credit application or these Terms and Conditions will be binding unless executed in writing by an authorized representative of SLD. These Terms and Conditions are subject to change by SLD without prior notice.

CUSTOMER TERMS AND CONDITIONS: SLD rejects Customer terms and conditions, including those contained in purchase order confirmations, compliance guides, and routing and logistics guides, unless SLD specifically agrees to such terms in writing.

CUSTOMER ROUTING AND LOGISTIC REQUIREMENTS: SLD will not be bound to terms, directives or requirements set forth by Customer through routing and logistic guides unless SLD has agreed in writing to such terms, directives or requirements. In addition, Customer may incur charges for value added services, such as labeling, ticketing, and special packaging. Routing and logistics guides should be directed to the Compliance Department located at SLD's Customer Satisfaction office in Indianapolis, Indiana.

SEVERABILITY; WAIVER; CONSTRUCTION: Any portion of these Terms and Conditions that are found to be unenforceable will not invalidate the remainder of these Terms and Conditions. Any delay in enforcing or any failure to enforce any provision of these Terms and Conditions will not be deemed a waiver of any other or subsequent breach of these Terms and Conditions unless such waiver is in writing and signed by SLD. Caption headings are for convenience of reference only and will not affect the interpretation of these Terms and Conditions. Ambiguous terms will be construed without regard to authorship.

CONFIDENTIALITY: Except as required by law, Customer will not disclose SLD's Confidential Information to any third party, directly or indirectly, without SLD's prior, written consent. If Customer is required by any law or regulation, judicial or administrative process to disclose Confidential Information, Customer shall promptly notify SLD so that SLD has a reasonable opportunity to oppose such requirement or process. Customer shall promptly notify SLD of any actual or suspected misuse or unauthorized disclosure of the Confidential Information.

FORCE MAJEURE: If a delivery date is specified, that date will be extended to the extent that delivery is delayed by reason of fire, flood, war, riot, strike, natural disaster, or any other event beyond SLD's reasonable control and if, as a result of such a delay, the goods ordered are unavailable, SLD may substitute comparable goods. Additionally, in the event of a freight strike beyond SLD's control, SLD may ship goods via another carrier without being subject to any penalties.
