

B. Education and Classroom Practice- Assistance

79. **Services:** Apex Learning will work with ESCNJ member districts to develop a professional services plan to train staff who will be supporting students enrolled in Apex Learning Courses, Tutorials, and/or ALVS.

Sessions are available at the following prices:

- Onsite Professional Development \$2,200 per 6-hour session
- Online Professional Development \$600 per 3-hour session
- On-Demand Professional Development Unlimited access included with purchase

80. **Solutions:** Access to Courses with online instruction provided by subject-certified, highly qualified Apex Learning online teachers is through the Apex Learning Virtual School. Each Apex Learning Virtual School enrollment is for one student enrolled in a one-semester course. Apex Learning offers a special price for students taking credit recovery in an accelerated model. Each Apex Learning Virtual School enrollment is for one student in a one-semester course.

ALVS course \$300* per semester course enrollment.

*Price does not include the literature and lab manuals required for some general studies courses or books and lab materials required for some AP courses. Certain Apex Learning Courses have required materials. For a complete list of required materials and pricing to purchase from Apex Learning, please visit: http://www.apexlearning.com/info/materials_list.pdf.

81. **Software:** Apex Learning Courses and Tutorials meet ESCNJ Areas of Emphasis indicators as described in the proposal above and as noted below. Note that these indicators are met through using our curriculum, regardless of subject area or product (Course or Tutorial). We do not offer separate or specific products to meet individual indicators.

Courses: Each *single enrollment subscription* (SES) provides access for one student enrolled in any one Course. If a student completes or withdraws from the Course in which he or she is enrolled, the subscription may be used to enroll that student or another student in any one Course. The number of Course enrollments at the same time may not exceed the number of single enrollment subscriptions purchased. Apex Learning offers discounted volume pricing for Course subscriptions based on the number of subscriptions purchased on an order.

Number of single enrollment subscription purchased	Price per single enrollment subscription*
1-24	\$116
25-99	\$93
100-999	\$79
1,000-1,999	\$70
2,000-4,999	\$56
5,000+	\$47

*Price does not include the literature and lab manuals required for some general studies courses or books and lab materials required for some AP courses. Certain Apex Learning Courses have required materials. For a complete list of required materials and pricing to purchase from Apex Learning, please visit: http://www.apexlearning.com/info/materials_list.pdf.

Tutorials: Tutorials subscriptions provide access to all Tutorials. Each Tutorials subscription provides access for one student enrolled in any number of Tutorials at the same time. If a student

22. Software: Apex Learning Courses and Tutorials meet ESCNJ Areas of Emphasis indicators as described in the proposal above. Note that these indicators are met through using our curriculum, regardless of subject area or product (Course or Tutorial). We do not offer separate or specific products to meet individual indicators.

Courses: Each *single enrollment subscription* (SES) provides access for one student enrolled in any one Course. If a student completes or withdraws from the Course in which he or she is enrolled, the subscription may be used to enroll that student or another student in any one Course. The number of Course enrollments at the same time may not exceed the number of single enrollment subscriptions purchased. Apex Learning offers discounted volume pricing for Course subscriptions based on the number of subscriptions purchased on an order.

Number of single enrollment subscription purchased	Price per single enrollment subscription*
1-24	\$116
25-99	\$93
100-999	\$79
1,000-1,999	\$70
2,000-4,999	\$56
5,000+	\$47

*Price does not include the literature and lab manuals required for some general studies courses or books and lab materials required for some AP courses. Certain Apex Learning Courses have required materials. For a complete list of required materials and pricing to purchase from Apex Learning, please visit: http://www.apexlearning.com/info/materials_list.pdf.

Tutorials: Tutorials subscriptions provide access to all Tutorials. Each Tutorials subscription provides access for one student enrolled in any number of Tutorials at the same time. If a student completes or withdraws from all Tutorials in which he or she is enrolled, the subscription may be used to enroll another student in any number of Tutorials. The number of students enrolled at the same time may not exceed the number of Tutorials subscriptions purchased. Apex Learning offers discounted volume pricing for Tutorial subscriptions based on the number of subscriptions purchased on an order.

Number of Tutorials subscriptions purchased	Price per Tutorial subscription
1-24	\$74
25-99	\$60
100-999	\$51
1,000-1,999	\$47
2,000+	\$37
