## Model PS-8070 Tilt & Roll Handrail Scale

Stand-on scales are ideal for locker rooms, fitness clubs, medical facilities, and personal use.

Rugged construction, portability...

The PS-8070 provides a truly versatile scale that is ideal for most weighing needs. It is equally at home at the health club, in the doctor's office, or on the shop floor - weighing people or packages. Convenient battery power allows user to place scale anywhere, no outlet or re-charging needed! Sturdy, integrated handrail is a standard feature that can be grasped by the user while still providing an accurate measurement. Transport is easy ... simply tilt the scale back on its heavy-duty wheels and roll to the next location.

- Quick 2 second weight measurement
- Extreme accuracy of  $\pm 0.1$  lb./0.1 kg
- Heavy-duty 1 1/4" diameter handrail provides added security
- Large 3" wheels roll effortlessly on all flooring surfaces
- Advanced design results in a scale of only 25 lbs.

**MOTIONLOCK**

### FEATURES/SPECIFICATIONS:

**Programmable Settings:** Includes auto-off time, "always-on" option, audible tone, lb. or kg. lockout, and more.

**Dual Tare Operation:** Automatic and keypad tare features help determine net weight.

**Auto-zero, weight recall and reweigh.**

**MotionLock Technology:** Accurate weight displays even with unsteady users.

**Push Button Calibration:** Set calibration via keypad entry with no tools needed.

**3 Year Warranty:** An industry best.

# WEIGHT + HEIGHT SCALE

Quick, reliable and extremely accurate in high volume environments...

## Model WH-1061 Digital Scale with Integrated Height Rod!

Befour's WH-1061 weight and measurement scale features a full span integrated digital height rod that quickly determines weight, height and BMI. With a weight capacity of 650 lbs., and +/- 0.1 lb. accuracy, the scale's MotionLock technology can weigh even the most unsteady users.

Height rod headpiece rotates 360° so the headpiece can be positioned away from the patient's face when being unfolded and then raised above the patient's head.

### FEATURES/SPECIFICATIONS

- Huge 650 pound capacity with ± 0.1 lb. accuracy.
- Integrated digital height rod - simply raise the headpiece and height automatically displays with BMI.
- MotionLock Technology provides accurate measurement even for unsteady users.
- Standard alkaline batteries provide non-hazardous power.

#### MODEL WH-1061

Height Rod Range.....	38-88"/97-225cm
Platform Dimensions .....	16" x 18" x 1 3/4"
Weight Capacity .....	650 lbs. or 295 kg.
Accuracy/Resolution .....	± 0.1 lb. (± 0.1 kg.)
Power Source.....	4 D-cell batteries
Readout.....	1" LCD digits
System Weight.....	17 lbs.
Warranty.....	3 Years

### WH-1061 DISPLAY FEATURES

- Easy keypad operation
- Unique display will show only the information you want
- Digital height measurement, simply press HEIGHT and raise the foldable headpiece.
- 3 segment battery-life indicator
- Programmable user settings can tailor console to your needs
- Push-button calibration
- Tare button is great for net weight

**Model PS-6600 ST**

Precision portable weigh-in scales go wherever accurate weight measurements are needed.

The nation's top-selling sports scale for the past two decades. The "Take-A-Weigh" is renowned in youth sports that require precise weight measurements on the go. Also great for home use, athletic training, and weight management. "Super Tuff" (ST) platform features one-piece cast aluminum construction that is lighter, stronger, and more durable with safe rounded corners and a recessed, non-skid rubber mat. Exclusive "Plug & Weigh" cable system connects platform to the console. Should the cable ever be damaged, replacement takes only minutes and can be easily done by the scale user.

**NiMH** (nickel metal hydride) technology. These powerful batteries are environmentally friendly, provide more weighings per charge, plus keep a charge longer than ever when not in use. Put the scale away charged at seasons end and it will be ready for action next year. A Befour Exclusive!

- Pin point accuracy of  $\pm 0.1$  lb.
- Powered by extended life rechargeable batteries or 120V AC adapter.
