PLAY THAT MOVES YOU.

# PLAY THAT MOVES YOU<sup>®</sup>

At Burke, movement is our mantra. It drives our purpose and ignites our passion to bring the best in playground design and the most innovative, developmentally rich play products to the communities we serve. Our research and testing push us to create new and unique ways to challenge children, families, schools, communities, teams and individuals to move, to grow and to play. Play fosters opportunities for connection between generations and with our peers, provides growth and togetherness and moves us in so many ways. Join Our Movement and experience the many ways play can move you.

## MOVE YOUR MIND!

Play provides the backbone for a child's learning and development and helps them build skills that transcend the playground. From problem solving to cognitive planning and memory to focus, play helps all children acquire needed skills while having fun.

### MOVE FOR HEALTH!

Burke's fitness offerings engage everyone, in all stages of life, to move! Our Nucleus® and Intensity® playgrounds feature a fusion of play that helps children engage in active play throughout the day for enhanced growth and development. ELEVATE® Fitness Course brings obstacle course fitness to children ages 5-12, teens and adults. Exercise in these age groups helps build and maintain strong bones, cardiovascular health and reduces the risk of depression. Our variety of fitness options ensures everyone has the opportunity to better their health at any age and skill level!

### MOVE WITH US

Parks and play environments provide multi-generational spaces for interaction, development and growth. Communities thrive when they collaborate to bring more of these active, fun places to their neighborhoods, schools and centers and offer everyone the opportunity to get out and play! Visit our website and follow us on social media to see the latest in play innovations, get tips for health and wellness and see how play can make your community happier, healthier and more cohesive!

## MOVE FOR DEVELOPMENT!

Play is the language of childhood and it helps kids express themselves, develop self-confidence, foster relationships and learn healthy communication habits. Oh, and it's fun and stimulating and kids want to do it! Creating environments that encourage children to take age-appropriate risks, teach resiliency and help them develop skills that will help them be successful and healthy as they grow.

## MOVE FOR COMMUNITY!

Play brings everyone together and provides opportunities for kids to develop socially, communities to come together, families to grow together and all people to find the best of themselves through play. Play isn't limited to children, playing for life brings so many benefits and creates a sense of well-being through all stages of life.

## MOVE FOR MOTION

Movement is essential to life and to play. Motion play creates movement for children of all abilities and assists with many developmental areas, including increased spatial awareness, inner ear stimulation and balance. Motion can be soothing to children with sensory processing differences and offers an exciting activity for everyone to enjoy.

## MOVE FOR TOGETHERNESS

Play brings communities together and parks and play environments provide multi-generational spaces for interaction, development and growth. Products such as the Konnection® Swing foster true connections and revolutionize play interaction. Novo® Playful Furniture brings everyone together inside the playspace providing the perfect opportunity for all people to interrelate and share experiences. Every person of every age and ability brings their own unique perspective that enhances the collective and truly moves all of us through play.

## WORK THAT MOVES US

Bringing play to children is Work That Moves Us. We are driven to create quality and innovative playground equipment that brings a higher level of play to the communities we serve. With that, we are passionate about our customer experience and seek to maintain the best customer service in the industry.

## MOVE FOR CAUSES

Community, by definition, is a group of people living in the same place or having a particular characteristic in common. Creating a sense of community, though, takes more. It takes partnerships and working for a common goal. At Burke part of our mission is to support our communities and partner with organizations that help kids and families. Organizations such as the Boys & Girls Club of Fond du Lac, YMCA and various schools and sports teams are just a few of the many groups we work with to give back to the community.

Burke's commitment to a sustainable future is demonstrated by our ISO 14001:2015 certification and environmental programs. Additionally, 100% of our factory's electricity comes from wind and other renewable sources. Burke is the only major playground manufacturer that has earned the green power partner designation from the U.S. Environmental Protection Agency.

## PRESCHOOL PLAY

Endless design options allow you to create your custom outdoor classroom, ensuring a perfect fit for your children's needs. Choose a Nucleus and Intensity design to keep the little ones moving, Little Buddies® that is created and sized just for preschoolers or Voltage® for smaller budgets.

SEE PAGE 90.

## SCHOOL AGED PLAY

As kids grow, their play needs change and Burke is here every step of the way to make sure kids keep moving, playing and learning. Choose from our Nucleus, Intensity or Voltage product lines and know kids will receive a well-rounded education in fitness and play. SEE PAGE 68.

## THEMED PLAY

A themed playspace can tell a story, transform the ordinary into the extraordinary and let imaginations run wild! From nature to nautical, firefighter to astronaut, we at Burke want to move your imaginations and help create your dream playground. Theme your Nucleus playspace with Burke's awesome Ship, Rocket, Airplane or NaturePlay® products or create your unique design with our variety of Custom Panels.

SEE PAGE 54.

## SITE FURNISHINGS

Burke offers a full line of park and site amenities that will add value and comfort to any playground, park, school or outdoor public area. A variety of Playful Furniture, PVC-Coated Steel, Wood or Recycled Plastic amenities are available for every environment.

SEE PAGE 186.

## SAFETY SURFACING

At Burke, we offer great surfacing solutions to help keep your kids safer while providing an attractive, accessible playground site. Burke Turf® and Burke Tiles are eco-friendly, extremely-durable and look great!

## NUCLEUS® EVOLUTION™

Imagine feeling unstoppable. Imagine developing the skills, determination and resilience to overcome obstacles and achieve anything you want to. Imagine being able to assess risk and learning to plan for success. Imagine doing this in a fun environment that fosters development through play. It is the evolution of Play That Moves You, it is the Nucleus Evolution collection of products that create experiences like no one has ever seen on a playground before. Climbing up ropes to view the world from a different angle. Inspiring new panoramas, creating new vistas. You're protected but it looks open and new. A perspective like nothing you've ever experienced before. It will revolutionize your play experience.

SEE PAGE 72 FOR MORE INFORMATION.

# NEW!

## NUCLEUS® EVOLUTION™

Nucleus Evolution takes your playground to new heights! This innovative play system features fully enclosed platforms up to 16 feet and an exclusive new Arch Climber featuring a no-climb barrier. But the beauty of Nucleus Evolution lies in the design - each play experience is driven by a uniquely designed play event that engages children of all ages. Climbers, barriers, roofs, toppers and Cobra Slides™ combine to create structures that bring the highest level of play to your community.

## AIRVENTURE™ GLIDER

*Patent Pending*

We're taking adventure to the air with the AirVenture Glider! Soaring through the air, wind on your face, feet planted firmly, whole body working to glide back and forth. Exhilarating and adventurous, this is the ride to have on your playground! Children will need to work together to get and keep the glider moving! While gliding, they will be working their upper and lower bodies and their core developing strength and balance. Where fun and development collide, AirVenture begins. Combine it with the Volito® Multi-User Swing in a Multi-Bay design, so children of all abilities can swing together in the same space.

**NEW!**

## PLAYENSEMBLE™

PlayEnsemble brings a higher level of musical expression to communities around the world. As a universal experience that inspires everyone to create, music brings a sense of wonder to the play environment. Musical experiences aren't just play; they accelerate child development intellectually, socially and emotionally as well as enhance overall motor skills, language and literacy. It helps the body and the mind work together to create a synergy that transcends the playground. PlayEnsemble is Music That Moves You!

### **INCLUSIVE ORBIT**

Universal design and ease of use characterize the Inclusive Orbit. Kids of all abilities will enjoy the spinning motion and ease of entry with the platform flush to the surfacing. From balance and coordination to vestibular stimulation and proprioception to cooperation and teamwork, children will develop necessary skills and have so much fun on this exciting, spinning social space!

**SEE PAGE 156 FOR MORE INFORMATION.**

## ZIPVENTURE® FREEDOM

Everyone can fly on the NEW ZipVenture Freedom, Burke's exclusive way to get all children moving! With a seat designed specifically for back and core support, this fun ride keeps kids moving while developing spatial awareness, imaginative and social play, balance, coordination and strength. Children of all abilities can participate in the adventure! Paired with the ZipVenture Freedom or as a standalone, the ZipVenture Duo doubles the adventure by offering a ride from BOTH sides! Mix and match as many bays as you desire, the latest ZipVentures can share posts to save on space, surfacing and installation. ZipVenture will literally move you!

**SEE PAGE 156 FOR MORE INFORMATION.**

# ORB™ ROCKER

The Orb Rocker is a whole new take on rocking! With four traditional seats and room for four more in the center, its unique design and exciting rocking motion invites everyone into the fun. Caregivers and children will love the ease of access with side openings that allow users of all sizes to enter and ride comfortably. Providing opportunities for teamwork and collaboration, the Orb Rocker helps children develop skills that transcend the playground while having so much fun!

SEE PAGE 157 FOR MORE INFORMATION.

## EMBRACE PARK

No matter who you are or what your ability, you will be embraced here. This is the concept of the aptly named Embrace Park in Norfolk, Nebraska. In partnership with Creative Sites, the exclusive Burke Representative in Nebraska, the Norfolk Family YMCA, the Norfolk Area Community Foundation Fund and the City of Norfolk, Emily Afrank completed a project close to her heart. Two years in the making, this fully inclusive park is everything Afrank hoped for and more.

As a pediatric physical therapist at a local hospital, Afrank began bringing her young clients to the city's parks to assess their needs. After realizing that the existing parks weren't meeting the needs of the children she was working with, she began doing some research. Out of the research an idea was born - a FULLY inclusive park that all children could play together in. After fundraising and working with the Norfolk Area Community Foundation Fund, they raised the needed funds to create a playspace worthy of such a great, supportive community.

From the Cruiser™ to the fully ramped Nucleus structure to the Volito™ swing, all children can find the best of themselves through play and learn to embrace everyone's uniqueness.

## SCOTTSDALE RANCH PARK

Following the vision and values of the Scottsdale Ranch community, the Association and Park District combined efforts to create a play environment worthy of a destination park that includes basketball, baseball, tennis, shelters and a Desert Garden.

When you approach the playspace, you notice a sculptural piece that begs to be explored. This is the Level X and provides the cornerstone of the play area for children ages 5-12. With a variety of climbing paths, mixed materials and moving parts, Level X offers a different play experience each time children play. Paired with the Level X is a shaded 5-12 play structure that features Taktiks®, a developmental mecca for children that helps them build strength, resilience and critical thinking, all while having fun. Add in sliding, spinning and the Novo® Teardrop Counter Climber, a multi-purpose counter and climber that encourages interaction, engagement and movement! Another area offers a space designed especially for children ages 2-5 featuring musical play and the Konnection™ Swing, a multigenerational swing that promotes intergenerational play while an adult swings with a child or two children swing together. Scottsdale Ranch Park provides a space for the community to gather, socialize and enjoy outdoor play.

## MAYFAIR

Using a beautiful setting with new townhomes about an hour outside of Washington, D.C. in Purcellville, VA, the Mayfair community created a fun, engaging space for residents to host parties, play basketball and enjoy imaginative play! Featuring a Timber Tower, a playground centerpiece that has the feel and texture of real rock and wood, this playground encourages imagination and interaction with nature in a play environment designed for children 5-12.

The ClubHouse roofs and barriers bring the kids into the world of play with offset panels to create a random look and leaf and rock climbers that bring the natural elements into the fun. Sliding adds adventure and provides developmental benefits such as core strength, balance and spatial awareness.

Creating a community means more than simply building residences - it means offering a place for people to gather, imagine, exercise and play and Mayfair accomplished that and more.

## FRIENDSHIP LEARNING CENTER

Bringing a play environment that helps everyone find the best of themselves through play was an important pillar of the North Fond du Lac School District's playground project and, through intentional design and community, it was achieved! The goals included having a space that was large enough to accommodate a growing population, creating a space that was inclusive and bringing color in to enhance the experience.

With an 18,000 square foot area, there is plenty of room to spread out and offer a variety of play areas and activities that accommodate differing abilities, ages and interests. Providing equitable access points is important in an inclusive space. The North Fond du Lac playground has an entire side that is flush to the surfacing making a seamless transition into the playspace. Play equipment ranges from the ZipVenture® that allows children to fly across the playground to the universally-designed Volta Inclusive Spinner with three different seating options to adapt to a variety of abilities. There are spaces for musical exploration, swinging, spinning, sliding, climbing and developing upper body strength. If you can dream it, this play environment can provide it.

Play variety leads to the best developmental outcomes because children will continue to be challenged, continue to play and socialize alongside others with differing abilities. North Fond du Lac School District met and exceeded their goals and created a place where children will be able to develop and play for years to come.

## BETHLEHEM CENTER

Working together creates the highest level of results and provides the best outcomes for everyone. The City of Fort Worth, TX and the Bethlehem Center, a community center serving individuals and families throughout the area, partnered to develop a play environment to enrich the lives of children in their education and summer enrichment programs. The mission at Bethlehem Center is the healthy development of the whole child - academically, physically, socially and emotionally and a well-designed playspace contributes to this mission by engaging children in development and fun.

Musical exploration, imaginative play, climbing, sliding and more contribute the development of the whole child from cognitive to emotional and social to physical. Kids will gain strength, resiliency, balance, coordination and cooperation through play and these skills will transcend the playground into daily life and adulthood. That's the power of play.

**NEW Trango Climber**

Platform: Available at various offset heights  
Also available as Post-to-Post Trango Climber

**PodStep Climber**

Platform: 48", 56", 64" and 72"  
Available for Nucleus and Intensity 

**PodStep Link**

Platform: 32" - 40"  
Available for Nucleus and Intensity 

**NUCLEUS EVOLUTION ARCH CLIMBER**

Exclusively From Burke 

Platform: 0" - 192"

**Dynamic Discs**

Platform: 8" - 32"

Available for Nucleus and Intensity 

**Dynamic Discs 2-5**

Available for Nucleus and Intensity

**Suspension Rope Link**

Lower Platform: 48" and 56"

Higher Platform: 64" and 72" 

**Rope Link**

Platform: 48" - 72" 

**Twisting Traverse**

Platform: 16" - 32"

**Arched Rope Climber**

Platform: 8" - 96" 

**Nimble Net**

Platform: 8" - 48"

Available for Nucleus and Intensity 

**Twist Net Climber**

Platform: 56" and 72" 

**Agile Canyon**

Available for Intensity 

**Spider Web Climber**  
Platform: 8" - 48" 

**Wild Web**  
Platform: 8" - 40"  
Available for Nucleus and Intensity 

**Wobbly Web**  
Available for Nucleus and Intensity  
Also available freestanding. See page 168.

Bid Term - 7/1/17 - 6/30/18; Ext to 6/30/19; Ext to 6/30/20

Warning: Never install play equipment over hard surfaces such as asphalt, concrete, grass or compacted earth. Consult ASTM and CPSC guidelines for appropriate amounts of impact attenuating material.

## HEALTHY COMMUNITY FUN!

Bring your community together with a fitness environment that engages participants, advances skills and provides healthy options for residents to get and stay fit! Developed by fitness professionals to maximize workouts and fun, Burke's new Outdoor Fitness Collection provides an alternative to screen time and offers the opportunity for family, friends and neighbors to get outside together and build a sense of healthy community.

## BURKE FITNESS

Meet ELEVATE® and ACTIVATE®, Burke's Outdoor Fitness Collections that combine physical fitness with time spent outdoors. The ELEVATE Fitness Course and ACTIVATE Fitness Circuit challenge your body in healthy ways and allow people with different fitness levels to work out in the same space and advance their strength, agility and balance together.

## DOWNLOAD THE APP!

Download the Burke Fitness app to watch instructional videos, explore our 360° virtual tours and log your workouts!

**Warning:** ASTM F3101-15 requires appropriate safety surfacing under fitness equipment. Contact your local Burke Representative for more information.

## BURKE TURF™

Burke Turf combines rugged durability with softness and beauty to create the perfect surface for sports, fitness and playground areas. Offering ease of access, Burke Turf helps children of all abilities move freely throughout the playspace. Below the surface you'll find a soft infill that is silica-based, anti-microbial, and provides a long-lasting, healthy play environment. A shock and drainage pad provides shock absorption and impact protection from falls – the most common source of serious playground injuries. Burke Turf conforms to the latest CPSC, ASTM, and ADAAG standards for impact attenuation and accessibility.

## BURKE TILES

Bring Play That Moves You to life beginning with fun durable and inclusive surfacing from Burke. Burke Tiles are eco-friendly, simple to maintain and provide full accessibility so all children can play together. Available in an array of colors, tiles can be arranged into patterns that enhance the design or theme of the playspace and help children stay safe while having fun and reaping the benefits from play.

StoneBorders - The highest quality borders in the industry backed by Burke's 15-year Generations Warranty.

**DYNAMIC DIGITAL CATALOGS**

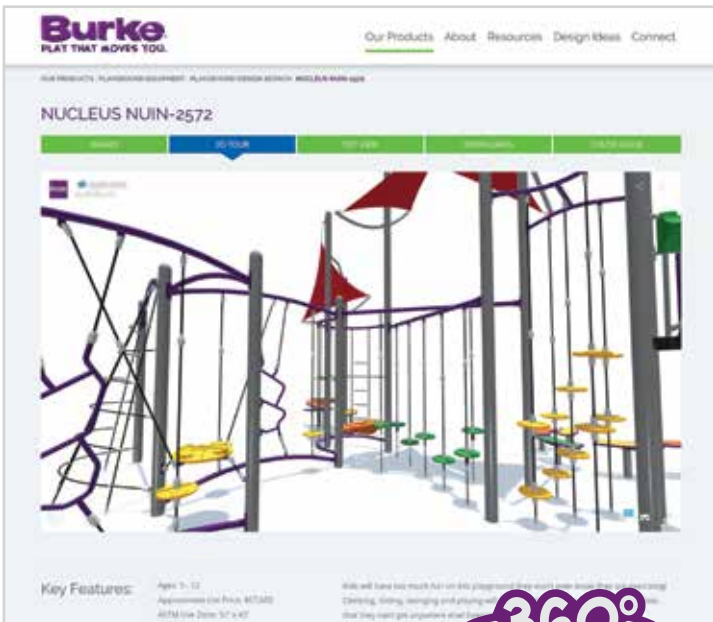

Product photos, designs, videos and more come alive in our digital space! View exciting new products and experience a higher level of play for yourself!

Visit [bciburke.com/catalogs](http://bciburke.com/catalogs) to interact with our 2019 Playground & Recreation Design Guide and other Burke online catalogs!

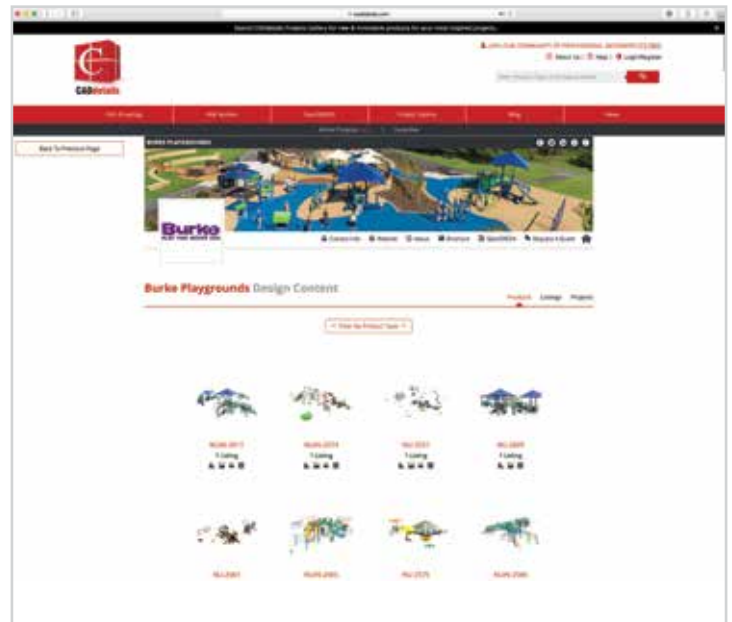

**DESIGN CAPABILITIES**

Burke uses the best designers and technology to bring playgrounds that move you to communities around the world! Using our proprietary software, we design play environments for all budgets, spaces and needs. Our software ensures that all safety and accessibility guidelines are met and we provide best-in-class 3D drawings and virtual playground tours so you feel part of your playspace before it's even installed.

**VIRTUAL PLAYGROUND TOURS**

See your playground in a whole new way with your customized Virtual Playground Tour. With the ability to rotate 360° and zoom in to see textures and components, this tour is the next best thing to being on the playground and will help you visualize the beauty of your playspace.

**CADDETAILS**

CADdetails is the leading provider of manufacturer-specific building product information and serves as a resource for more than 452,000 architects, engineers, contractors and other design industry professionals throughout North America. Burke's page on CADdetails.com contains over 100 playground and park products and is a great resource for design files, ideas and product information.

### MAINTENANCE & SAFETY

**Customized Maintenance Kit** - To help maintain a safe, functioning playground we include a Custom Maintenance Schedule, Touch-up Paint, Graffiti Remover and Carrying Case FREE with every playground structure purchase.

**NPPS Safety Kit** - BCI Burke truly gives you the most value for your money. As part of our Total Cost of Ownership Package, we offer value-added resources FREE with every playground purchase. The National Program for Playground Safety (NPPS) Playground Supervision Safety Kit helps supervisors and educators be prepared on the playground. Learn more at [bciburke.com/safety](http://bciburke.com/safety).

### FUNDING SOLUTIONS

**Financing** - At Burke we are always searching for ways to offer exceptional products and services to our customers. In furtherance of our mission to put our customers first, we are excited to introduce Neumann Finance Company as our preeminent finance solution.

**Funds for Fun** - Deciding to build a new playground or add equipment to a current playspace is easy. After the decision is made, the next question is, "Where will the money come from?" At Burke, we understand the dedication and hard work it takes to raise the funds for playground equipment. That's why we created a direct donation fundraising program to help your organization raise the funds it needs for your new park, recreation or school playground. Learn more at [bciburke.com/funding](http://bciburke.com/funding).

**Grant Resource Center** - We've partnered with The School Funding Center to provide up-to-date grant information. The School Funding Center has one of the most comprehensive and current grant databases available on the internet today. Learn more at [bciburke.com/funding](http://bciburke.com/funding).

# CAUSES THAT MOVE US!

Our mission is to bring Play That Moves You to communities around the world. We do this, in part, by supporting organizations that further play for all children. From Girls on the Run to Fond du Lac Soccer, keeping kids moving, developing and having fun is our primary goal!

## KABOOM!

BCI Burke has been chosen as a Preferred Vendor for KaBOOM!, the national non-profit dedicated to bringing balanced and active play into the daily lives of all kids, particularly those growing up in poverty in America. Burke is proud to support KaBOOM! and its mission to give kids the playful childhood they deserve. Visit [kaboom.org/resources](http://kaboom.org/resources) and [kaboom.org/grants](http://kaboom.org/grants) to learn about KaBOOM! grant programs and do-it-yourself project tools that can help you through the planning process – from volunteer recruitment to fundraising, and everything in between.

## BOYS & GIRLS CLUB OF FOND DU LAC

Boys & Girls Club of Fond du Lac is dedicated to empowering youth to reach their full potential. They offer a variety of programs and activities that positively change the lives and futures of children 6-18. Burke is proud to partner with a group that encourages physical, emotional and social growth of youth in our community.

## FOND DU LAC FAMILY YMCA

The YMCA is a cause driven organization that is for youth development, for healthy living and for social responsibility. We believe a strong community can only be achieved when we invest in our kids, our health and our neighbors.

## US PLAY COALITION

The US Play Coalition is a partnership to promote the value of play throughout life. We are an international network of individuals and organizations that recognize play as a valuable and necessary part of a healthy and productive life. Our membership is diverse – including educators, parents, physicians, health scientists, park and recreation professionals, psychologists, landscape architects and many more. Membership is free, and simply requires a declaration of shared commitment to the value of play.

# PURCHASING COOPERATIVES

**OMNIA Partners**, formerly National IPA, is the largest and most experienced organization in purchasing and supply chain management. Comprised of participants and suppliers in both the public and private sector, we bring together industry-leading buying power and world-class suppliers to offer an extensive portfolio of competitively solicited and publicly awarded contracts and partnerships. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits. Learn more at [omniapartners.com](http://omniapartners.com).

**HGACBuy** is a unit of local government that strives to make the governmental procurement process more efficient by establishing competitively priced contracts for goods and services, and provides the customer service necessary to help its members achieve their procurement goals. Learn more at [bciburke.com/partnerships](http://bciburke.com/partnerships).

**BuyBoard** was created to increase the purchasing power of government entities and to simplify their purchasing by using a customized online purchasing system. Combining the purchase power of local governments provides members the leverage to achieve better pricing on products, equipment and services they use every day. Learn more at [buyboard.com](http://buyboard.com).

**GSA** allows federal parks, child development programs, military bases and other agencies to purchase Burke playgrounds through Premier Playgrounds, the company's GSA contract (GS-07F-0081M ) for installation virtually anywhere in the world. Learn more at [premier-playgrounds.com](http://premier-playgrounds.com).

### PLAYGROUNDS POWERED BY WIND

By participating in programs that support the development of clean energy, we are able to purchase **100%** of our electricity usage from wind and other renewables. This positions Burke as an environmental leader within the playground industry and helped us earn the Green Power Partner designation from the U.S. Environmental Protection Agency. For more information visit [epa.gov/greenpower](http://epa.gov/greenpower).

### SAFETY

The **Customer Product Safety Commission (CPSC)** created playground safety guidelines to help local communities, schools, day care centers and other groups build safe playgrounds. **The American Society for Testing and Materials (ASTM)** is an independent world renowned developer of technical standards utilized in testing products. ASTM and CPSC guidelines are built into our proprietary EZ Design program ensuring every Burke playground is designed to meet or exceed all their standards. To highlight our commitment to safety, BCI Burke is the only playground manufacturer to partner with the National Program for Playground Safety (NPPS) and provide a **FREE** Safe Playground Supervision Kit with each play system purchased.

BCI Burke Company, LLC, is a member in good standing of IPEMA, the International Play Equipment Manufacturers Association. IPEMA is a member-driven international trade organization which represents and promotes an open market for manufacturers of play equipment and surfacing.

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA) provides a Third Party Certification Service whereby a designated independent laboratory, with TÜV America (TÜV), validates an equipment manufacturer's certification of conformance to ASTM F1487, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 7.1.1, 10 & 12.6.1; to CAN/CSA Z614, Children's Playspaces and Equipment, except clauses 9.8, 10 & 11; or both. The use of the corresponding logo in Burke's Catalog signifies that Burke has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms to the requirements of the indicated standard.

Check IPEMA website [www.ipema.org](http://www.ipema.org) to confirm product validation.

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA) provides a Third Party Certification Service whereby a designated independent laboratory, with TÜV America (TÜV), validates a surfacing manufacturer's certification of conformance to ASTM F1292, Standard Specification for Impact Attenuation Under and Around Playground Equipment, except section 15, and for an engineered wood fiber manufacturer its certification of conformance, also to ASTM F2075, Standard Specification for Engineered Wood Fiber for use as a Playground Safety Surface Under and Around Playground Equipment, Section 4.4, for testing Sieve Analysis and Section 4.6, for testing the presence of Tramp Metal. The use of the corresponding logo in Burke's Catalog signifies that Burke has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms to the requirements of the indicated standard.

Check IPEMA website [www.ipema.org](http://www.ipema.org) to confirm product validation, its thickness and critical height.

The space requirements shown in this publication are shown to ASTM Standards. Requirements for other standards may be different.

### ALLIED TUBE & CONDUIT

Allied Tube & Conduit is the leading supplier of galvanized and commercial quality tubing to both manufacturers and metal distributors in over 70 consumer and industrial markets. Their unique in-line galvanizing process produces superior corrosion resistance by utilizing a triple layer of protection. This advanced processing technique was first introduced in 1959 and is still relevant today.

### ISO 9001:2015 AND ISO 14001:2015

NSF-ISR attests that BCI Burke Company, LLC is in compliance with ISO 9001:2015 and the International Environmental Management Standard ISO 14001:2015.

Registered to ISO 9001

Registered to ISO 14001

ISO 9001:2015 emphasizes processes to aid in continuous improvement in quality and customer service. ISO 14001:2015 ensures Burke follows strict environmental controls in manufacturing processes.

**KoreKconnect**

## BURKE BUILT QUALITY FROM AMERICA'S HEARTLAND

**KoreKconnect® Direct-Bolt Clamp System:** Nucleus and Voltage feature our Industry-leading KoreKconnect direct-bolt clamp system resulting in the strongest and most accurate connection system ever. Factory located connection points make for easy, precise installation and an error-free fit. Best of all, KoreKconnect is covered for 100 years under our non-prorated Generations Warranty.

**Direct-Bolt**

**Direct-Bolt Connection System:** Intensity, Intensity 2-5, ELEVATE Fitness Course, ACTIVATE Fitness Circuit and Little Buddies feature Burke's trusted direct-bolt connection that uses a durable, straightforward direct-bolt system to ensure a trouble-free installation and provide the necessary strength to accommodate the demands of playing children. Like our KoreKconnect system, Direct-Bolt connections are covered for 100 years under our Generations Warranty.

**EZKconnect**

**EZKconnect® Deck Mounting System:** Our exclusive self-leveling deck attachment and factory CNC construction allows for faster and more precise location of decks during installation. The 2-bolt per corner deck attachment increases overall structure strength and stability.

**Stainless Steel Hardware**

**Platforms:** Burke's oversized non-slip platforms are constructed of heavy-duty punched steel that can support more than 2 tons. Our vinyl coating is California compliant, free of lead and other hazardous heavy metals.

**Tamper-Resistant Stainless Steel Hardware:** All hardware is covered for 100 years under our Generations Warranty.

**Powder Coating**

**Premium Powder Coatings:** Our industry-leading powder coatings and finishes prevent fading, last longer and deter rust. We also offer a **"coastal package" powder coat system**. This special powder coat system for metal components and upright posts will provide additional corrosion and chemical protection along with added longevity to the color and gloss retention of the powder coated parts. Contact your Burke Representative for more information on colors, price and warranty.

**Compound Rotomold Plastics with UV-16:** You'll get long wear and bright, vibrant colors that hold up for years thanks to our thick, durable rotomolded plastics with UV-16 protection, which is why we can cover them for 15 years under our non-prorated Generations Warranty.

**Compound Plastics**

**Climbing Cables:** Our climbing cables are flexible enough to provide movement, yet strong enough to last. Our ropes are made from 6 polyester cords with steel reinforcement wrapped around a synthetic fiber core. Each cord contains 8 galvanized steel strands tightly covered with polyester multi-fibers. Our RopeVenture cables consist of 6 strands, each containing 24 stainless steel reinforcing strands within a nylon sleeve, wrapped around a solid nylon core.

**Aluminum Connectors**

**Aluminum Connectors:** Swivel connectors at the end of our ropes allow assembly at any angle with no unwanted twists in the net. The aluminum fittings used to secure the joints are swaged in place to prevent any movement between the rope and fittings that could cause wear.

**BCI BURKE GENERATIONS WARRANTY®****The Longest and Strongest warranty in the industry**

BCI Burke Company, LLC ("Burke") warrants that all standard products are warranted to be free from defects in materials and workmanship, under normal use and service, for a period of one (1) year from the date of invoice.

**We stand behind our products.**

In addition, the following products are warranted, under normal use and service from the date of invoice as follows:

- One Hundred (100) Year Limited Warranty on aluminum and steel upright posts (including Intensity®, Voltage®, Nucleus®, Little Buddies® and ELEVATE®/ACTIVATE®) against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on KoreKonnnect® clamps against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on Hardware (nuts, bolts, washers)
- One Hundred (100) Year Limited Warranty on bolt-through fastening and clamp systems (Voltage®, Intensity®, Nucleus®, Little Buddies® and ELEVATE®/ACTIVATE®).
- Twenty-Five (25) Year Limited Warranty on spring assemblies and aluminum cast animals.
- Fifteen (15) Year Limited Warranty on main structure platforms and decks, metal roofs, table tops, bench tops, railings and barriers.
- Fifteen (15) Year Limited Warranty on all plastic components including StoneBorders against structural failure due to materials or workmanship.
- Ten (10) Year Limited Warranty on ShadePlay Canopies fabric, threads, and cables against degradation, cracking or material breakdown resulting from ultra-violet exposure, natural deterioration or manufacturing defects. This warranty is limited to the design loads as stated in the specifications.
- Ten (10) Year Limited Warranty on NaturePlay® Boulders and GFRC products against structural failure due to natural deterioration or workmanship. Natural wear, which may occur with any concrete product with age, is excluded from this warranty
- Ten (10) Year Limited Warranty on Full Color Custom Signage against manufacturing defects that cause delamination or degradation of the sign. Full Color Custom Signs also carry a two (2) year warranty against premature fading of the print and graphics on the signs.
- Five (5) Year Limited Warranty on Intensity® and RopeVenture® cables and LEVEL X® flex bridge against premature wear due to natural deterioration or manufacturing defects. Determination of premature wear will be at the manufacturer's discretion.
- Five (5) Year Limited Warranty on swing seats and hangers; Kid Koaster® Trolleys and other moving parts against structural failure due to materials or workmanship.
- Five (5) Year Limited Warranty on PlayEnsemble™ cables and mallets against defects in materials and workmanship.
- Three (3) Year Limited Warranty on electronic panel speakers, sound chips and circuit boards against electronic failure caused by manufacturing defects.

The warranty stated above is valid only if the equipment is erected in conformity with the layout plan and/or installation instructions furnished by BCI Burke Company, LLC using approved parts; have been maintained and inspected in accordance with BCI Burke Company, LLC instructions. Burke's liability and your exclusive remedy hereunder will be limited to repair or replacement of those parts found in Burke's reasonable judgment to be defective. Any claim made within the above stated warranty periods must be made promptly after discovery of the defect. A part is covered only for the original warranty period of the applicable part. Replacement parts carry the applicable warranty from the date of shipment of the replacement from Burke. After the expiration of the warranty period, you must pay for all parts, transportation and service charges.

Burke reserves the right to accept or reject any claim in whole or in part. Burke will not accept the return of any product without its prior written approval. Burke will assume transportation charges for shipment of the returned product if it is returned in strict compliance with Burke's written instructions.

**THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IF THE FOREGOING DISCLAIMER OF ADDITIONAL WARRANTIES IS NOT GIVEN FULL FORCE AND EFFECT, ANY RESULTING ADDITIONAL WARRANTY SHALL BE LIMITED IN DURATION TO THE EXPRESS WARRANTIES AND BE OTHERWISE SUBJECT TO AND LIMITED BY THE TERMS OF BURKE'S PRODUCT WARRANTY. SOME STATES DO NOT ALLOW THE EXCLUSION OF CERTAIN IMPLIED WARRANTIES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.**

**Warranty Exclusions:** The above stated warranties do not cover: "cosmetic" defects, such as scratches, dents, marring, or fading; damage due to incorrect installation, vandalism, misuse, accident, wear and tear from normal use, exposure to extreme weather; immersion in salt or chlorine water, unauthorized repair or modification, abnormal use, lack of maintenance, or other cause not within Burke's control; and

**Limitation of Remedies:** Burke is not liable for consequential or incidental damages, including but not limited to labor costs or lost profits resulting from the use of or inability to use the products or from the products being incorporated in or becoming a component of any other product. If, after a reasonable number of repeated efforts, Burke is unable to repair or replace a defective or nonconforming product, Burke shall have the option to accept return of the product, or part thereof, if such does not substantially impair its value, and return the purchase price as the buyer's entire and exclusive remedy. Without limiting the generality of the foregoing, Burke will not be responsible for labor costs involved in the removal of products or the installation of replacement products. Some states do not allow the exclusion of incidental damages, so the above exclusion may not apply to you.

Contact your local Burke Representative for warranty information regarding Burke Turf® and Burke Tile products.

**Terms of Sale**

**Pricing:** Prices published in this catalog are in USD, are approximate and do not include shipping & handling, surfacing, installation nor applicable taxes. All prices are subject to change without notice. Contact your Burke representative for current pricing. Payments are to be made in USD.

**Weights:** Weights are approximate and may vary with actual orders.

**Installation:** All equipment is shipped unassembled. For a list of factory-certified installers in your area, please contact your Burke representative.

**Specifications:** Product specifications in this catalog were correct at the time of publication. However, product improvements are ongoing at Burke, and we reserve the right to change or discontinue specifications without notice.

**Loss or Damage in Transit:** A signed bill of lading is our receipt from a carrier that our shipment to you was complete and in good condition upon arrival. Before you sign, please check the Bill of Lading carefully when the shipment arrives to make sure nothing is missing and there are no damages. Once the shipment leaves our plant, we are no longer responsible for any damage, loss or shortage.
