**Athletic Equipment 2018 Price List**

Nickerson Corporation

| <u>Part No.</u> | <u>Description</u> | <u>Unit Weight</u> | <u>List Price</u> |
|-----------------|--------------------|--------------------|-------------------|
|-----------------|--------------------|--------------------|-------------------|

- Draper sells only to authorized Draper dealers under this price list. Possession of the price list does not necessarily constitute an offer to sell.
- All prices FOB factory except as noted. Prices and specifications are subject to change without notice.
- **Delivered Prices:** We are glad to quote freight rates based on your specific requirements. Unless you request it at the time of quotation, our freight quotes do not include extraordinary charges such as inside delivery, construction site delivery, arrival notice or re-consignment.
- **Acknowledgments:** Draper sends an acknowledgment for each order to ensure accuracy. As hard as we try, mistakes do happen. Draper will not be responsible for trip charges or backcharges for mistakes not brought to our attention at the time of acknowledgement.
- **Phone orders:** We encourage you to place orders in writing. We will make every attempt to fill verbal orders accurately, but we cannot guarantee that mistakes resulting from verbal miscommunication will be resolved in your favor. The maximum phone order is \$100. All other orders must be submitted in writing.
- **Payment terms:** 30 days net with approved credit. Payment by Visa, MasterCard and Discover Card accepted, with no surcharge. Payment is not charged to your card until we ship (exception possible with some custom items).
- **Return policy:** No product may be returned without a written Return Material Authorization. Returns will be subject to a restocking charge (except warranty repairs), and must be shipped freight prepaid in accordance with Draper's instructions.
- **Cancellation Policy:** Cancelled orders may result in cancellation charges. While we will make every effort to minimize such charges, once an order is entered in to be manufactured, its cancellation may result in charges for material, labor, shipping or restocking.
- **Warranty:** All products in this price list are warranted for one year against defects in material and workmanship for a period of one year unless otherwise noted in catalog or on website. Contact Draper for full warranty details or to request a copy of the appropriate product warranty.

**Freight Considerations**

- Shipments are made by the least expensive surface method except when you request special routing at the time of order. On small parcel ground shipments, we use UPS—unless you specify otherwise. Several items in this price list “dim out” to a larger weight than their actual physical weight. When one item ships alone, it may have to ship under its dimensional weight or may incur an “Oversize” charge under parcel service regulations. Some items may also be too big for parcel service, and will ship common carrier. If in doubt, please request a freight estimate.
- When you, or your customer, are expecting a delivery weighing more than 100 lbs., please plan appropriately for unloading the truck. The carrier is not responsible for unloading. If you need notification to do this please request a call before delivery.
- All shipments are prepaid and added to the invoice.
- Draper's sales staff is always pleased to provide a freight estimate based on your specific needs. This is an especially valuable service for larger requirements. Just call 800/238-7999 or 765/987-7999 or fax 765/987-7142.

**Freight Damage Policy**

One of our biggest mutual headaches is freight damage. There are two kinds—

**Obvious Freight Damage**—If you receive a shipment from us with obvious freight damage, **REFUSE IT** and inform us immediately so we can supply a replacement. We will charge you for the replacement at the originally quoted price and credit you upon the return of the original. The damaged product must be held at the original shipping address and in its original packaging.

If you accept a shipment with obvious freight damage and report it to us after the fact, we will supply a replacement at the originally quoted price and provide a partial credit upon the return of the original, based on its salvage value.

**Concealed Freight Damage**—If you accept a shipment, it is **your responsibility** to open it immediately and report any concealed freight damage to the delivering carrier immediately and in writing. Pursuing the claim is also your responsibility, but we will assist you to the best of our ability to secure a favorable settlement from the carrier. We will also provide a replacement product at the originally quoted price; and, if you desire, once the claim has been settled, we will accept the return of the freight damaged product for whatever credit we can provide, based upon its salvage value.

If you fail to report concealed freight damage to the delivering carrier immediately, neither you nor we have any recourse. We will provide a replacement product at the originally quoted price and, if you wish, we will accept the return of the damaged product for whatever credit we can provide, based upon its salvage value.

**Please Note—**

1. This policy applies to all shipments whether to you or to your customers.
2. Neither Draper nor the freight carrier will pay back charges or accessorial fees in regard to freight damaged product and replacement.
