TARCO® Salt & Pepper (Gas, Hydraulic or Electric Powered)

BASIC DESCRIPTION: 12 gauge type 304 stainless steel hopper construction; stainless steel wear plate & wear plate extension; hopper supports per side; four (4) lifting eyes; chain conveyor system (**U.S. Made**); stainless steel discharge chute with spread pattern control; removable 14" dia. poly spinner disc assembly; adjustable deflector hood; flow control discharge gate; 20:1 gear box; H.D.G heavy duty hinged top screens, dump body hold down equipment (shipped loose), conveyor bridge, stainless steel spreaders are left unpainted.

GAS POWERED - 10.5 HP I/C Briggs & Stratton engine; in cab controls (electric start, stop, choke, electric throttle & electric clutch); break-away plug; full engine hood; 12 volt battery; chevron conveyor chain (**U.S. Made**).

HYDRAULIC POWERED - high torque, low r.p.m., Char-Lynn hydraulic motor (**U.S. Made**), chevron conveyor chain (**U.S. Made**) (Hydraulic pump and controls are NOT included)

Hydraulic Requirements: (HY1) – 8 GPM @ 1500 PSI (HY2) – 12 GPM @ 1500 PSI

ELECTRIC POWERED units have a 1 HP electric motor and dual knob variable speed controller, separate electric motor for spinner disc, full motor hood, poly wear plate, conveyor bridge on all lengths, non-chevron conveyor chain (**U.S. Made**).

Hopper Construction: 12 Gauge 304 Stainless Steel (2B Finish)

Model	LIST PRICE
SP-GECEL-8	\$12,889.80
SP-GECEL-9	\$13,295.80
SP-GECEL-10	\$13,704.60
SP-HY1-8	\$9,947.00
SP-HY1-9	\$10,353.00
SP-HY1-10	\$10,760.40
SP-EL2-8	\$13,904.80
SP-EL2-9	\$14,313.60
SP-EL2-10	<i>Not Available</i>

Options: (LIST PRICE)

Part No.

SP-SSWEAR	Stainless Steel Bearing Mounting Plates & Idler Guard, add \$294.00
SP-SSSPASSY	Stainless Steel Spinner Frame, Shaft & Deflector Hood in lieu of HR, add \$540.40
SP-14GASS	14 gauge type 304 stainless steel hopper construction, deduct: -\$300.00
SP-HONDA	Honda 11 HP Engine in lieu of Briggs & Stratton 10.5 HP, add \$581.00
SP-PSS	Polished 304 Stainless in lieu of Standard 304 Grade, add \$274.40
SP-CB	Conveyor Bridge, standard N/C
SP-6-EXT	6" Hopper Extension (built-in), add \$280.00 for SS
SP-12-EXT	12" Hopper Extension (built-in), add \$560.00 for SS
SP-DBHD	Dump Body Hold Down Equipment, standard on all Salt & Pepper Units N/C*
SP-TGLHR	Tailgate Locking Bar HR, add \$180.60*
SP-TGLSS	Tailgate Locking Bar SS, add \$490.00*
SP-45DEF	Front OR Rear Economy SS Deflector, add \$490.00* for SS
SP-HY2	Two (2) Motor Hydraulic Drive (HY2), Spinner & Conveyor Motor, add \$385.00
SP-WIRELESS	Wireless Cab Control for Gas Powered Spreader (Regular Cab Control included), add \$2,051.00* (Briggs & Stratton OR Honda)
SP-EXT SP	Extended Spinner Assembly, add \$133.00* (standard on all 9' & 10' units) <i>(Recommended for truck bed heights over 47" tall)</i>
SP-NTS	No Top Screens, deduct \$245.00
SP-SKNOB	Single Knob Hydraulic Valve & Pedestal, add \$483.00*
SP-DKNOB	Dual Knob Hydraulic Valve & Pedestal, add \$623.00*
SP-LB-INC	Stainless Steel Light Bar, add \$490.00* (not available on electric & gas drive.) <i>(Two (2) White Spotlights, Two (2) ST/T/T's, Three Light Cluster)</i>
SP-LB-LED	Stainless Steel LED Light Bar, add \$770.00* (not available on electric & gas drive.) <i>(Two (2) LED White Spotlights, Two (2) LED ST/T/T's, Three Light LED Cluster)</i>
SP-CGUARD	Stainless Steel Conveyor Guard Top Plate (not available on electric or gas drive), add \$119.00
