The Association of Educational Purchasing Agencies' (AEPA) is a nationwide group of nonprofit educational organizations working collaboratively to save school districts time and money.

AEPA has more than $330 million in annual protected purchases. We are currently 24 members strong, representing schools serving more than 25 million students. Together we have hundreds of years of public sector purchasing experience.

Program Advantages:
- Time savings with lowest national pricing available
- Attract and leverage national vendors
- Detailed and complete bid process through nationally experienced participants
- Volume contracts based on 24 member participation
- Avoid duplication and expense of bid process

Our mission is to cooperatively serve our agency memberships through a continuous effort to explore and solve present and future purchasing needs. Our goals include working on your behalf to secure multi-state volume purchasing contracts that have benefits that are measurable, cost-effective and continuously exceed our membership's expectations.

Our current membership consists of the following states:

Limited Warranty

Kyocera warrants that all equipment delivered under this contract shall conform to the specification of this contract. All equipment will carry a 12-month manufacturers warranty against any defects in material and workmanship for a period of one year from the date of installation by Kyocera or an Authorized Kyocera Dealer except drums which are limited to proper performance at the time of installation. In the event this product is found to be defective within the warranty period, Kyocera obligation and your exclusive remedy shall be replacement of any defective parts. These warranties would be void if the equipment is not operated properly or misused. Drum warranties are limited to electrical functioning of the drum and are void if misused or physically damaged by the operator.

Service

The AEPA contract calls for service billing to be done on a "Cost Per Copy" (CPC) basis by the Authorized servicing dealer. A service & supply program will be set up at time of installation. This service will be on-site and will include all parts & labor, all preventative maintenance, and consumables except paper and staples.
