# Fit Guide

## COMPR.

**Compression** products hug the body for an ultra-tight fit. The compression fabrics have 4-way stretch, allowing these garments to achieve their snug fit and maintain their shape.

## FITTED

**Fitted** products stretch to fit the body, but they do not show the same degree of body definition as the compression fit styles. These products conform to the body's shape.

## SEMI-FIT

**Semi-Fit** products flow over the contours of the body, showing some body definition.

## RELAXED

**Relaxed** fit products do not hug the body. These products fit loosely on the body, not showing body definition.

# Fit Guide

## COMPR.

**Compression** products hug the body for an ultra-tight fit. The compression fabrics have 4-way stretch, allowing these garments to achieve their snug fit and maintain their shape.

## FITTED

**Fitted** products stretch to fit the body, but they do not show the same degree of body definition as the compression fit styles. These products conform to the body's shape.

## SEMI-FIT

**Semi-Fit** products flow over the contours of the body, showing some body definition.

## RELAXED

**Relaxed** fit products do not hug the body. These products fit loosely on the body, not showing body definition.

# General Information

## Decorating

All embellishment is for photography and catalog purposes only. All styles are sold blank with no decorations applied. Augusta Sportswear® and HighFive® do not offer decorating services. For inquiries concerning how to achieve the best decoration results, please contact your ink and/or thread supplier for consultation.

## Dyeing

Because of the variability of the dyeing process, we cannot guarantee perfect continuity of shade across all styles or from one order to the next. Jackets and pants are cut and offered for sale as separates, not as sets.

## Dye Migration

Augusta Sportswear®, Holloway® and HighFive® cannot be held responsible for ink migration on polyester styles that can be attributed to poor ink quality or processing at temperatures exceeding those recommended by the ink manufacturer.

**For more details & policies** for the individual products and their brands, please refer to the 2017 season catalogs.
