## PRODUCT AND PRICING BULLETIN

NEW HOLLAND BRAND PRODUCTS, U.S. NO. 19-56A

### NEW HOLLAND DEALERS WITH MRT AGREEMENT

SUBJECT: **WORKMASTER™ 95, 105, 120: INTRODUCTION EFFECTIVE 10/09/2019**

The agricultural industry is constantly evolving to meet the world's shifting needs. Here at New Holland, we're focused on matching pace with those changes to help you get the job done. Together, we can make our customers' jobs easier and raise industry standards along the way.

We are pleased to announce the new WORKMASTER 95, 105 and 120 tractors. This represents the final stage of launching a WORKMASTER value line of tractors up to 100 PTO hp and is designed to complement the current lineup of PowerStar Series tractors from 72 to 100 PTO hp. This introduction provides you three models with the Best-In-Class value CAB and ROPS platforms to compete against the best of competitors in the marketplace. It also provides you with a low profile poultry configuration to allow you to get back into the poultry market where New Holland has traditionally been strong and well represented.

New Holland continuously strives to offer products to suit the needs of your customers. To stay competitive in the marketplace, review the customer segments in your primary market of responsibility, ensuring that you have a complete and thorough mix of these products.

This bulletin and the price pages may be accessed via the Dealer Portal if you have the MRT agreement with New Holland. Log on to the Dealer Portal. With the "Wholegoods" button displayed, click on "Pricing," click on "Tractors," and then click on "WORKMASTER Series." The latest published items will appear at the top of the list.

This NEW WORKMASTER utility product offering has been streamlined and simplified to provide you with an offering that fully targets the majority of this value market segment with seven very simple Fast Pick packages:

1. Standard Cab Fast Pick
2. Deluxe Cab Fast Pick
3. Standard ROPS Fast Pick
4. Deluxe ROPS Fast Pick
5. Poultry NSL Loader Fast Pick
6. Poultry NO Loader Fast Pick
7. Low Profile All Purpose Fast Pick

These packages incorporate features such as:

- Instructor Seat (Cab models only)
- 2 or 3 rear remotes
- Factory installed 632TL non-self-leveling SSL style loader with 84" bucket
- 540, 540/540E or 540/1,000 RPM PTO
- Up to 4 rear wheel weights per side
- Up to 10 front weights

An a la carte ordering option is available but will be at a premium price to the fast pick packages. This option will allow for tailoring the tractor to specific customer demands within the full product offering.

This WORKMASTER Series provides you with the best combination of comfort, simplicity and visibility in a utility tractor, with a low cost of ownership and competitive price positioning. This is an important combination of features and benefits that addresses the key attributes of a utility tractor that the customers in this market look for when making purchase decisions.
