Wheel Weights | Part # | MSRP | Dealer Cost | Dealer Margin %
Easily fitted. Improves grip in the summer and when using snow blades or snow thrower attachments in the winter. Weight listed below is shipping and actual weight.

	Weight Bracket and Weight (TA321) • Can be used as an alternative way to attach wheel weights to a mower. • Includes bracket and 1 weight. Attaches to rear of tractor. • 1 weight recommended; when the weight is in the rear center it is more efficient than the 2 outer wheel weights, so you can have less weight with more traction when attached. If you wish to add a second weight, need to purchase (1) 50lb weight (954040102) & additional longer bolts. • Drilling may be required see instructions for more information. • Fits most tractors	505549201	\$159.99	\$119.99	25%
