Oak Security Group –PL11E - 8/15/17	Locking Hardware and Keying Systems	43%

Notes: Installation includes items in the Oak PL11E as noted in the installation section of the price list. In addition, any complimentary/ancillary/requested items that may be necessary to complete a project will be included within the scope of the installation. Installations can include repairs and or other services such as adjustments to existing components for a door opening. A travel charge of \$52.00 will be included in the installation charge. Any project that falls below the \$2,000.00 prevailing wage threshold will be billed at a rate of \$124.00 per hour. There is a 36 markup % over the New Jersey Prevailing Wage Rates for the apprentice, journeyman and foreman for all counties.
