CUSTOMIZATION

We at TCK are proud to have taken socks to the next level of customization. We strive everyday to create high quality performance products and blend them with intricate designs. We are fortunate to have some of the most capable artists and technicians in the country. Their talent and experience combined with our unique group of machines has allowed us to offer something that is unparalleled in the market.

HOW IT WORKS

Step 1 - Choose Style

Step 2 - Choose Colors

Step 3 - Choose Sizes

Step 4 - Provide camera ready logo/artwork

Minimums: 24 pair per per style, color and logo
12 pair per size

Turnaround: 4-6 weeks from art approval. From Nov. 1 to Jan. 1 please allow additional 2 weeks.

Setup Fee: No set up fee for first logo.
Additional logos: Add .50¢ pair and \$35.00 artcharge for each additional logo.

Need custom size or custom color without a logo? In addition to our custom logo styles, TCK offers the option to order a number of our stock products in custom sizing and/or color. Just choose from the appropriate type of yarn and we will oblige to your request.

Starting from Scratch? If you don't see a design that fits your need feel free to contact our customer service team. We will be glad to provide a unique quote for your product. Higher minimums and setups will apply.

CUSTOM LOGOS add \$1.50 (If style is listed in the logo section, logo (only 1) is already included in the price.)

Add a custom logo or text to your favorite sock. Refer to the custom options listed in our catalog for availability.

** Certain manufacturing limitations may exist. Call for details.*

Just because we don't stock a preferred color in your favorite style doesn't mean we can't make it. With our custom options, you can choose colors according to existing style content.

CONSIDER YOUR OPTIONS:

Apply color preference to sock body or change colors in existing zones (eg. top, heel/toe, arch support, high-splice, etc.).

** Certain color limitations may exist due to product content (eg. color options for a polypro sock limited to available polypropylene colors).*

*** Zone color options are defined by established style construction.*
