**JACOBSEN****Mower Caddy - Trailer**

NAL Price List

Document version date: 08-Jul-2021

Prices applicable from: 08-Jul-2021

**Mower Caddy - Trailer**

The Mower Caddy features a drive on low profile, single mower trailer with a durable steel reinforced frame made of 2" x 1" tubing, 16x7.5-8 4 ply pneumatic tires, and 1" axles. The cushioned deck provides added protection for the roller drum and cutting units. The dual position hitch allows for easier trailer levelling, and the folding gate provides added equipment protection. The same trailer can accommodate Jacobsen 18", 22" and 26" walk mowers without adjusting the trailer.  
Requires Mounting Kit\*.

**Accessories for Non Current Jacobsen Wholegoods**

To be used as a reference record for accessories for recent but non-current wholegoods. Once a wholegood is removed from production or an accessory is not compatible with current production, the intent is that those accessories are listed here for a period of three years. If requested the item will be either supplied from remaining production stocks or built to order. All pricing and leadtime is on request from the customer care division. Please expect extended lead times for supply of these non current items. This reference is not intended to be a historical reference for all items previously manufactured. Only those that have recently left production, please refer to customer care parts support for further support.
