# ART & GENERAL INFORMATION

Illustrations shown throughout this catalog are representations of CHROMAGEAR uniforms. Actual designs may vary slightly.

**STOCK ART:**  
All graphic designs shown on garments throughout this catalog are available. If you have a specific layout or concept in mind other than what is shown, please be sure to describe it in detail on the order form. A vast library of art, such as mascots, sport logos, etc., are also available on the Uniform Builder and upon request.

**CUSTOM ART:**  
No art charge for stock designs or numbers. Extra art charges may apply for custom design artwork. Complex logos and artwork will incur an **additional art charge at the rate of \$120.00 per hour**. A high-resolution digital vector file must be provided for artwork; any other format may incur an additional art charge. Please contact Alleson Athletic Customer Service at 1-800-641-0041 for specifics on art requirements.

We reserve the right to adjust the size of layout/letters to fit the garment in the most attractive way possible. In certain situations, a similar lettering style to the one requested may have to be substituted to accommodate layout.

All orders must be emailed or faxed to an Alleson Athletic Customer Service Representative at:  
**Email: allesonorders@alleson.com or Fax: 1-800-836-0775**

**GENERAL INFORMATION**

**PRODUCTION TIME:**  
Alleson reserves the right to adjust the lead time based on the size of the order and availability of capacity. Orders do not officially begin until all size/order information is received and complete. Orders will be confirmed via email within 2 business days of receipt. Incomplete orders will be sent back to customer for more information until all information needed to process the order is provided. Delivery dates will be quoted in each order confirmation and will be based on current capacity. All orders must be submitted to an Alleson Athletic Customer Service Representative at:

**Email: allesonorders@alleson.com or Fax: 1-800-836-0775**

**CD TECHNOLOGY:**  
Featured on stretch mesh football jerseys (Fabric Y) and mock woven football pants (Fabric J). CD Technology is used to pull color through the deepest fibers of our heaviest lycra fabrics for a rich, highly saturated, no "grin through" appearance while worn. CD Technology has no impact on color consistency from fabric to fabric.

**COLOR MATCHING:**  
Scientifically, it is not possible to achieve a perfect color match from one CHROMAGEAR garment to another, or from CHROMAGEAR garments to Alleson stock garments. Therefore, we cannot guarantee a perfect match from order to order or from one fabric to another. This includes fill-ins for As Had orders.

**ARTWORK APPROVAL POLICY:**  
Alleson Athletic will not begin production on any order until a **written artwork approval is received or submitted through the Alleson Athletic Uniform Builder or B2B (Green Order)**. Signed artwork approvals must be faxed or emailed to Alleson Athletic Customer Service, Attn: CHROMAGEAR. Production will begin upon receipt of approved artwork (this policy is also in effect for repeat or As Had orders). We cannot accept changes to any order after artwork approval is received.

**Email: allesonorders@alleson.com or Fax: 1-800-836-0775**

**MINIMUM ORDER CHARGES:**  
There will be a 25% up-charge for orders of less than 6 pieces per style, per color. No minimum up-charge for fill-in orders with the same designs.

**PHOTOGRAPHY RIGHTS:**  
Photography is the property of Alleson Athletic and is not to be used without written authorization.

**DEALER PRICING RESTRICTIONS:**  
Dealers are not to publish Alleson Athletic products below 25% off of our suggested retail price as presented in the catalog. Failure to comply will result in account termination.

**CHROMAGEAR ORDERS FOR COD / CC SHIPMENT:**  
A 50% deposit is required on all CHROMAGEAR orders paid for by Credit Card or calling for COD shipment. The balance and freight will be charged upon shipment of the order.

**Check Out our Uniform Builder at Alleson.com and place your Sublimation order today!**

**RETURNS:**  
All CHROMAGEAR uniforms may not be returned under any circumstances if delivered properly. Claims must be reported to our office within 10 working days of merchandise receipt. Returns cannot be made after 30 days of the invoice date. All returns must be clearly marked with an authorization number or label obtained from our office. When requesting an authorization label, the following information is required: Reason for return, Invoice #, Style #, Color, Size/Quantity. An authorization label will then be sent to you to prepare the merchandise returned. A 15% fee and shipping charges will be charged for merchandise returned that is either not damaged or the damage is determined not to be our fault. All worn garments must be properly laundered prior to return or they will not be accepted.

**SHORTAGES:**  
All claims must be made within 10 days of the invoice date.

**ORDER CANCELLATIONS:**  
CHROMAGEAR garments cannot be canceled after they have been cut.

**CARE INSTRUCTIONS**

To enhance the appearance and extend the life of your CHROMAGEAR uniforms, Alleson Athletic recommends that you follow these cleaning and storing procedures:

- DO NOT DRY CLEAN**
- DO NOT WASH IN HOT WATER**
- DO NOT USE CHLORINE BLEACH**
- DO NOT USE FABRIC SOFTENER**
- DO NOT WASH WHITES AND COLORS TOGETHER**
- DO NOT OVERLOAD THE WASHING MACHINE**
- DO NOT MACHINE DRY ON HIGH HEAT**
- DO NOT LEAVE WET OR DAMP GARMENTS IN YOUR TRAVEL BAG, IN A PILE WITH OTHER CLOTHING OR IN WASHING MACHINE**

- Uniforms should always be laundered immediately after wearing. However, if this is not possible, rinse garments and hang individually on rust-proof hangers. (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)

- Belts and any other contrasting color items should be washed separately from the garment.

- It is always advisable to test wash a single uniform according to directions before washing an entire load.

- We recommend presoaking heavily soiled garments in cold water with a protein release agent. Follow the instructions recommended by the presoak manufacturer. Wash garments immediately following the presoak in a normal wash cycle.

- Wash and rinse all garments in cold water with mild detergent. Remove promptly after wash cycle to avoid color migration. Wash inside out.

- For optimum results, hang garments (especially those with spandex) to dry. If you cannot hang dry, machine dry on the lowest setting. Turn jerseys inside out before machine drying. Remove items from dryer immediately upon completion of the cycle. (Excessive heat can cause fabric shrinkage and discoloration.)

- Make sure uniforms are completely dry before storing. Store in a dry area to prevent mildew. Protect them from sunlight and fluorescent light to prevent yellowing.

**PLEASE NOTE:** Alleson Athletic will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.

**Under no circumstances are CHROMAGEAR garments to be put through a screen print dryer. Dyes will migrate and the design will be ruined.**

## CHEER MEASURING GUIDELINES

The most accurate way to ensure proper fit is to try on a sample of the garment. We strongly recommend that you purchase a Fit Kit to use when sizing a team. These Fit Kits allow each participant to try on multiple sizes so they can select the skirt or top size that fits them best.

**Fit Kit Information & Usage Guidelines**  
 Fit Kits are the best way to ensure proper fit of AlleSon Cheerleading uniforms. Five different Fit Kits are available for our different uniform patterns. Each kit contains one of each size youth and adult garment, respectively. It is important to know what style(s) a customer is looking to purchase BEFORE you do a fitting. The appropriate Fit Kit must be used to ensure accuracy and customer satisfaction. Please contact an AlleSon Cheerleading Customer Service Representative for Fit Kit pricing.

If you must measure, please use the following guidelines:

- Size Charts are technical specs of a garment and are not representative of how a garment will fit on a body. Please keep this in mind when referencing all size charts.

Example: If a cheerleader's chest measurement is 32, she falls at the highest range of an AlleSon Small. This means the garment is as wide as the cheerleader's measurement. In most cases, a Medium would be necessary for additional room and proper fit.

**DO NOT ALLOW PARTICIPANTS TO TAKE THEIR OWN MEASUREMENTS.** Be sure that each individual wears the same undergarments they would normally wear under their uniforms, including Midribs, Body Suits and Briefs.

If you fall between two sizes, always order the larger size.

If your hip measurement is significantly larger than your waist, select the size closest to your hip measurement and adjust the waist if necessary.

FIT KIT CODE	DESCRIPTION	USE WHEN FITTING FOR THE FOLLOWING UNIFORM STYLES:	LIST PRICE
<b>FIT KIT CSAMP1</b>	Poly Back Shells and Elastic Waistband Skirts	C100/Y C201MY C101V/Y C200/Y	\$180.00
<b>FIT KIT CSAMPS</b>	Fitted Straight Skirts	C205/Y	\$200.00

\*Fit Kits are non-refundable.

**Waist:** Stand straight and relaxed with heels together. Measure around the NATURAL waistline, over the body (not over clothing), keeping the tape parallel to the floor. It is critical that you measure the natural waist and not the drop waist. The natural waist is the narrowest part of the waist, between the ribs and the hips. The number of inches shown is the waist measurement.

For an accurate waist measurement, do not allow the person being measured to suck in their stomach. This may result in a uniform that will fit too snug.

**Hips:** Stand straight and relaxed with heels together. Measure around the fullest part of the hips, keeping the tape parallel to the floor. The number of inches shown is the hip measurement.

**Chest:** Stand straight with arms relaxed and down at sides. Measure around the fullest part of the bust/chest, keeping tape parallel to the floor. The number of inches shown is the chest measurement.

## UNIFORM CARE INSTRUCTIONS

To enhance the appearance and extend the life of your uniforms, Allesson Athletic recommends that you follow these cleaning and storing procedures:

Do Not Dry Clean

Do Not Wash in Hot Water

Do Not Use Chlorine Bleach

Do Not Use Fabric Softener

Do Not Wash Whites and Colors Together

Do Not Overload the Washing Machine

Do Not Machine Dry on High

Do Not Leave Wet or Damp Garments in Your Travel Bag, in a Pile With Other Clothing or in Washing Machine

- Uniforms should always be laundered immediately after wearing. However, if this is not possible, rinse garments and hang individually on rust-proof hangers. (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed separately from the garment.
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- We recommend presoaking heavily soiled garments in cold water with a protein release agent. Follow the instructions recommended by the presoak manufacturer. Wash garments immediately following the presoak in a normal wash cycle.
- Wash and rinse all garments in cold water with mild detergent. Remove promptly after wash cycle to avoid color migration.

- For optimum results, hang garments (especially those with spandex) to dry. If you cannot hang dry, machine dry on the lowest setting. Turn jerseys inside out before machine drying. Remove items from dryer immediately upon completion of the cycle. (Excessive heat can cause fabric shrinkage, discoloration, and cracking and peeling of vinyl plastisol lettering inks.)
- Make sure uniforms are completely dry before storing. Store in a dry area to prevent mildew. Protect them from sunlight and fluorescent light to prevent yellowing.

*PLEASE NOTE: Allesson Athletic will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.*
