# TWILL PRICES / GUIDELINES

## TACKLE TWILL

Wilson® offers a large variety of Tackle Twill (TT) letters and numerals. Tackle Twill letters and numerals are separated into Class TT (A) and Class TT (B) groups. Class TT (B) letters and numerals require a higher degree of intricacy during the manufacturing process which is reflected in the cost. Custom lettering and numeral styles are possible as long as supplied artwork conforms to specified guidelines on page 28.

### TWILL SET UP CHARGE

- Required on every first time order with twill lettering
- On subsequent orders, charge is waived when previous order number is supplied
- Art files are kept for 5 years; if unused, they're deleted

## SUBLIMATED TWILL

The PRO-FUSION™ process allows you to create the look of twill lettering on a Stock Jersey. A single layer of twill is sublimated with up to three colors and sewn on the jersey instead of layering multiple pieces of fabric to create tackle twill. The result is a lighter weight jersey with a custom look.

## LEGALITY OF UNIFORMS

**Due to varying and conflicting rules among state associations, individual conferences and districts, Wilson Sporting Goods Co. will not accept responsibility for the legality of uniforms, their designs or decoration.**

Utmost care is used in selection of dyes to obtain the highest possible degree of color fastness. We believe our dyes to be second to none in the industry. There is no known process which can positively regulate the final results when Nylon, Orlon, Rayon, Worsted, Polyester or Cotton yarns or cloth are dyed. Every effort is made to match colors. However, it is not possible to guarantee every color. Therefore, all orders are taken with the understanding that we cannot be held responsible for fading. To safeguard against error and delay, please order by exact color (Navy Blue, Royal Blue, etc.)

Special Note: 100% polyester or polyester blend fabrics in dark shades contain dyes that may tint light colors of Screen printing ink. Wilson Sporting Goods Co. will not assume responsibility for this. Colors are shown for general reference only. Printed or digital representation of colors should not be used for matching shades.

Standard pack policy—all merchandise must be purchased in standard packs. Items, freight terms and prices listed are subject to withdrawal and/or change without notice. Prices prevailing at time of entry shall apply on all orders. A service charge of the lesser of 1 1/2% per month (18% per annum) or the highest legal rate will be charged on all past due accounts. Sales Policy on Athletic Uniforms: Utmost care is used in the selection of dyes to obtain the highest possible degree of color fastness. We believe our dyes to be second to none in the industry. There is no known process which can positively regulate the final results when Nylon, Orlon, Rayon, Worsted, Polyester or Cotton yarns or cloth are dyed. Every effort is made to match colors. However, it is not possible to guarantee every color. Therefore, all orders are taken with the understanding that we cannot be held responsible for fading. Fabric of 100% polyester or polyester blends in dark shades contain dyes that may tint light colors of screen print ink. Wilson Sporting Goods Co. will not assume responsibility for this happening. To safeguard against error and delay, please order by exact color, as in Navy Blue or Royal Blue, etc. Note: Wilson Sporting Goods Co. is not responsible for legality of custom uniforms ordered. Please check with your team association for uniform guidelines before ordering. Cancellations: Orders may not be cancelled once material has been cut or 10 days after acknowledgment, whichever occurs first. Returns: No merchandise is returnable unless claim is made within thirty (30) days from date of receipt and permission is granted by Wilson for such return. Authorized return label must be attached, or return will be refused by our receiving department. Any merchandise accepted for repair or adjustment must be cleaned prior to return.
