AT DEALER

Standard Equipment:

POWERTRAIN

Auto shift six-speed forward and single speed reverse transmission
Cat C9.3 engine
Engine will be certified and labelled for emissions compliance as required for the region of sale.
Differentials: standard with automatic clutched inter and cross-axle differential locks
Dual circuit enclosed multiple disc brakes
Retarder: Hydraulic
S.O.Ssm sampling valves
Three axle, six-wheel drive

ELECTRICAL

Electrical system: 24 volt, 5A 24 to 12 volt converter
Lights: cab interior, front, side, rear, two reversing, work light, two stop/tail lights, front and rear direction indicators

OPERATOR ENVIRONMENT

Air conditioning with R134A refrigerant
Adjustable air vents
CAT rear view camera
Color Multi-Purpose Display (CMPD) incorporating the rear view camera feed
Electro hydraulic hoist control
Glass windows: laminated front, toughened rear and toughened opening side
Heater and defroster with four-speed fan

Horn, electric
Radio ready
ROPS/FOPS cab
Seat, fully adjustable, air suspension
Seat, padded companion/trainer
Seat belts: two retractable
Secondary steering - electro hydraulic
Storage: cup holder, under seat storage, door pocket and behind seat storage
Sun visor
Tilt and telescopic steering wheel
Windshield wiper and washer, two speed, intermittent (front)

OTHER STANDARD EQUIPMENT

Reverse/back-up alarm
Body, adapted for exhaust heat
Guards: rear window and radiator, crankcase and axle
Mirrors: extensive arrangement for improved visibility
Mud flaps: wheel arch and body mounted with transportation tiebacks
Spill guard, front, integral part of fabricated body
Starting receptacle, electric, remote
Vandalism protection: lockable caps for fuel tank, DEF tank and hydraulic oil tank
Tires, six 23.5R25, radial

TIRES, RIMS, AND WHEELS

Due to industry-wide tire availability limitations, tire brand and type cannot be guaranteed. Every effort will be made to satisfy your tire choice, but we reserve the right to change to alternate tires. If the tire brand cannot be supplied we may contact the dealer, however, in some cases we will change to an alternative premium brand tire without notice. If the tire type cannot be supplied, we will contact the dealer to propose alternatives. The dealer needs to choose between an alternative tire or a "rims only" option (where available) within 72 hours. If no response is provided by the deadline, the order will default to the alternative tire brand and will be changed at that point. As a consequence of a possible tire change, the total machine price will be decreased or increased depending on the price of the new tire.

L	443-7475	TIRES, 23.5R25 MX ** XADN + E-3 0 Michelin radial, supplier part 295773, tread depth: 38 mm, 19.5/2.5 rim. Suitable for soft or rocky underfoot conditions where mobility and traction is desired.		\$-4,555
