**ALL FRONT END LOADER BLADES ARE NOW STANDARD WITH CHARCOAL POWDER PAINT COATED**

Front end loader blades are made with heavy-duty 11 gauge powder coated steel, and extended four foot push frame for added durability. Blades are available in five through eight foot models (half foot increments) and are recommended for tractors and skid steers up to 47 HP also adapted for quick-attach front mounting for skid steers and tractors equipped with front loaders that have quick attach-type adapter. Fits most manufacturers small to mid-size tractor attachments including: John Deere, Kubota and Yanmar with loader bucket

*\*Recommended for tractors and skid steers up to 47HP*
