

MULTIHOG CX 55 - LIST PRICING

	PART NUMBER	DESCRIPTION	LIST PRICE
Basic machine spec - CX 55			
	697-1128	56 HP (42 KW), Tier 4 final engine Cab heating, air-suspended driver seat and top-mounted road lights Permanent 4 wheel drive with positive drive lock Front 3 point linkage including mechanical adjustment of linkage rotation and float Joystick with front linkage lift function including float and a second double acting (D/A) hydraulic function to front 13 pin socket on front 3500 kg gross vehicle weight Manually adjustable heated mirrors & rotating beacon Mechanical top link, tipping rear & cab tilt	\$95,344.77
Colour			
	697-1049	Standard yellow RAL1023 panels for CX 55	\$0.00
	697-1047	Standard orange RAL2011 panels for CX 55	\$0.00
	697-1052	Special colour, panels only, if RAL match available	\$2,581.66
PTO Options			
	697-1017	Front Mechanical PTO 1000 RPM, 1 3/8", 6 tooth spline shaft (clockwise rotation)	\$5,365.81
Hydraulic Pump Options			
	697-1020	Adjustable flow load sensing pump to front, 0-100 L/M	\$3,189.11
	697-1090	Adjustable flow load sensing pump to rear, 0-100 L/M	\$3,189.11
	697-1125	100 litre tee connection for load sensing pump from front to rear	\$658.07
Fan Options			
	697-1153	Standard fan **Operating temperature 5° to 45°C (41° - 113°F)**	\$0.00
	697-2048	Viscous fan **Operating temperature -25° to 45°C (-13° - 113°F)**	\$2,409.55
	697-1089	Reversible fan **Operating temperature 5° to 45°C (41° - 113°F), reversible **	\$3,543.46
	697-2049	Variable pitch reversing fan **Operating temperature -25° to 45°C (-13° - 113°F), reversible**	\$4,555.87
Hydraulic Valve Options			
	697-1026	2 x double acting (DA) valves to front (3 D/A total)	\$1,265.52

	697-1027	2x DA valves to front (3 D/A total) and 1 x double acting valve to rear (1 D/A rear total)	\$1,518.62
	697-1028	3 x DA valves to front (4 x D/A total) and 1 x DA rear (1 D/A total).	\$2,156.45
	697-1126	2 x DA valve block - required for hydraulic tipping rear and hydraulic rotation of front linkage	\$1,063.04
	697-1029	2 double acting lever valve with float required for triplex mower wings	\$1,326.27
	697-1101	4 x DA lever valve block with float required for hydraulic tipping rear, hydraulic rotation of front linkage and triplex mower wings	\$1,933.71
	697-1025	Tee connection to rear (maximum 2 D/A connections to rear)	\$455.59
Additional Options			
	697-1136	Mechanical tipping rear (standard)	\$0.00
	697-1030	Hydraulic tipping rear	\$1,974.21
	697-1141	Mechanical rotation of front linkage (standard)	\$0.00
	697-1031	Hydraulic rotation with radial floation of front linkage	\$1,113.66
	697-1137	Mechanical top link (standard)	\$0.00
	697-1033	Hydraulic top link	\$658.07
	697-1138	Mechanical cab tilt (standard)	\$0.00
	697-1034	Hydraulic cab tilt	\$1,589.49
	697-1006	Weight transfer system	\$1,771.73
	697-1132	Cab heating	\$0.00
	697-1051	Combined cab heating & air conditioning	\$2,784.14
	697-1093	Standard seat	\$0.00
	697-1036	Heated seat- heated base and back support	\$759.31
	697-1092	Manually adjustable heated mirrors	\$0.00
	697-1097	Standard windscreen	\$0.00
	697-1038	Heated windscreen	\$890.93
	697-1096	Standard cab doors - set of 2	\$0.00
	697-1076	Cab doors with opening windows - set of 2 (one per door)	\$1,265.52
	697-1053	2 LED worklights (front)	\$364.47
	697-1054	2 LED worklights (rear)	\$364.47
	697-1007	Reversing camera	\$1,265.52
	697-1035	LED amber flasher lights (set of 4)	\$558.85
	697-1045	Water hose for patch planer	\$658.07
Drive			

	697-1133	Standard drive	\$0.00
	697-1042	High torque option	\$911.17
	697-1135	Permanent 4 wheel drive lock (standard)	\$0.00
Tow Bar			
	697-1085	Ball hitch (to suit all Multihog models)	\$313.85
	697-1043	Adjustable height tow bar	\$2,227.32
	697-0622	Clevis type Rockinger RO*805B	\$502.16
	697-0623	Clevis type Rockinger RO*810B	\$807.91
Gross Vehicle Weight			
	697-1134	Standard 3500 kg gross vehicle weight	\$0.00

Tyre Options
**When you choose your tyre set for your CX tractor, it automatically includes a set of suitably-sized mudguards (narrow, intermediate or wide). However, should you choose a second set of tyres for your CX, you must order an additional set of suitable mudguards from the "Additional Mudguards" section below.*

	697-1008 + 697-1098	Continental Contivan 195/75/16 tyres with narrow mudguards <i>Machine width 1150 mm</i>	\$2,986.63
	697-1055 + 697-1098	BFG Mud Terrain LT245/75/16 tyres with narrow mudguards <i>Machine width 1240 mm</i>	\$3,492.84
	697-1057 + 697-1099	Continental MPT 81 315/55/16 tyres with intermediate mudguards <i>Machine width 1440 mm</i>	\$5,001.34
	697-1016 + 697-1100	Titan Tire Multi TR C/S 31x13.5x15 tyres with wide mudguards <i>Machine width 1430 mm</i>	\$5,770.77
	697-1015 + 697-1100	BKT Trac Master 31x15.5x15 tyres with wide mudguards <i>Machine width 1560 mm</i>	\$3,340.97

MULTIHOG CX 75 - LIST PRICING

	PART NUMBER	DESCRIPTION	LIST PRICE
Basic machine spec - CX 75			
	697-1129	75 HP (56 KW), Tier 4 final engine Cab heating, air-suspended driver seat and top-mounted road lights Permanent 4 wheel drive with positive drive lock Front 3 point linkage including mechanical adjustment of linkage rotation and float Joystick with front linkage lift function including float and a second double acting (D/A) hydraulic function to front 13 pin socket on front 3500 kg gross vehicle weight Manually adjustable heated mirrors & rotating beacon Mechanical top link, tipping rear & cab tilt	\$99,799.40
Colour			
	697-1050	Standard yellow RAL1023	\$0.00
	697-1048	Standard orange RAL2011	\$0.00
	697-1131	Special colour, panels only, if RAL match available	\$2,581.66
PTO Options			
	697-1017	Front Mechanical PTO 1000 RPM, 1 3/8" , 6 tooth spline shaft (clockwise rotation)	\$5,365.81
Hydraulic Pump Options			
	697-1020	Adjustable flow load sensing pump to front, 0-100 L/M	\$3,189.11
	697-1090	Adjustable flow load sensing pump to rear, 0-100 L/M	\$3,189.11
	697-1022	Adjustable flow load sensing pumps to front 0-100 L/M, to rear 0-50 L/M	\$5,568.29
	697-1125	100 litre tee connection for load sensing pump from front to rear	\$658.07
Fan Options			
	697-1153	Standard fan	\$0.00
	697-1032	Viscous fan	\$2,409.55
	697-1089	Reversible fan	\$3,543.46
	697-1013	Variable pitch reversing fan	\$4,555.87
Hydraulic Valve Options			

	697-1026	2 x double acting (DA) valves to front (3 D/A total)	\$1,265.52
	697-1027	2x DA valves to front (3 D/A total) and 1 x double acting valve to rear (1 D/A rear total)	\$1,518.62
	697-1028	3 x DA valves to front (4 x D/A total) and 1 x DA rear (1 D/A total).	\$2,156.45
	697-1126	2 x DA valve block - required for hydraulic tipping rear and hydraulic rotation of front linkage	\$1,063.04
	697-1127	2 double acting lever valve with float required for triplex mower wings	\$1,326.27
	697-1101	4 x DA lever valve block with float required for hydraulic tipping rear, hydraulic rotation of front linkage and triplex mower wings	\$1,933.71
	697-1025	Tee connection to rear (maximum 2 D/A connections to rear)	\$455.59
Additional Options			
	697-1136	Mechanical tipping rear (standard)	\$0.00
	697-1030	Hydraulic tipping rear	\$1,974.21
	697-1141	Mechanical rotation of front linkage (standard)	\$0.00
	697-1031	Hydraulic rotation with radial floation of front linkage	\$1,113.66
	697-1137	Mechanical top link (standard)	\$0.00
	697-1033	Hydraulic top link	\$658.07
	697-1138	Mechanical cab tilt (standard)	\$0.00
	697-1034	Hydraulic cab tilt	\$1,589.49
	697-1006	Weight transfer system	\$1,771.73
	697-1132	Cab heating	\$0.00
	697-1051	Combined cab heating & air conditioning	\$2,784.14
	697-1093	Standard seat	\$0.00
	697-1036	Heated seat- heated base and back support	\$759.31
	697-1092	Manually adjustable heated mirrors	\$0.00
	697-1097	Standard windscreen	\$0.00
	697-1038	Heated windscreen	\$890.93
	697-1096	Standard cab doors - set of 2	\$0.00
	697-1076	Cab doors with opening windows - set of 2 (one per door)	\$1,265.52
	697-1053	2 LED worklights (front)	\$364.47
	697-1054	2 LED worklights (rear)	\$364.47
	697-1007	Reversing camera	\$1,265.52
	697-1035	LED amber flasher lights (set of 4)	\$558.85
	697-1045	Water hose for patch planer	\$658.07

Drive			
	697-1133	Standard drive	\$0.00
	697-1042	High torque option	\$911.17
	697-1135	Permanent 4 wheel drive lock (standard)	\$0.00
	697-1061	Permanent 4 wheel drive with drive lock & SD traction control	\$3,037.25
Tow Bar			
	697-1085	Ball hitch (to suit all Multihog models)	\$313.85
	697-1043	Adjustable height tow bar	\$2,227.32
	697-0622	Clevis type Rockinger RO*805B	\$502.16
	697-0623	Clevis type Rockinger RO*810B	\$807.91
Gross Vehicle Weight			
	697-1134	Standard 3500 kg gross vehicle weight	\$0.00
	697-1046	Increased 4000kg gross vehicle weight	\$3,138.49
Tyre Options			
<p><i>*When you choose your tyre set for your CX tractor, it automatically includes a set of suitably-sized mudguards (narrow, intermediate or wide). However, should you choose a second set of tyres for your CX, you must order an additional set of suitable mudguards from the "Additional Mudguards" section below.</i></p>			
	697-1008 + 697-1098	Continental Contivan 195/75/16 tyres with narrow mudguards <i>Machine width 1150 mm</i>	\$2,986.63
	697-1055 + 697-1098	BFG Mud Terrain LT245/75/16 tyres with narrow mudguards <i>Machine width 1240 mm</i>	\$3,492.84
	697-1057 + 697-1099	Continental MPT 81 315/55/16 tyres with intermediate mudguards <i>Machine width 1440 mm</i>	\$5,001.34
	697-1016 + 697-1100	Titan Tire Multi TR C/S 31x13.5x15 tyres with wide mudguards <i>Machine width 1430 mm</i>	\$5,770.77
	697-1015 + 697-1100	BKT Trac Master 31x15.5x15 tyres with wide mudguards <i>Machine width 1560 mm</i>	\$3,340.97
Additional Mudguards			
	697-1041	Additional narrow mudguards (set of 4)	\$607.45
	697-1104	Additional intermediate mudguards (set of 4)	\$607.45
	697-1105	Additional wide mudguards (set of 4)	\$607.45

MULTIHOG MX 120 - LIST PRICING

	PART NUMBER	DESCRIPTION	LIST PRICE
Basic machine spec			
	MX120	120 HP, 3.6 litre water cooled stage IIIB Deutz engine Cab heating 4 wheel hydrostatic drive Front PTO hydraulics, load-sensing pump, 120 litres at 220 bar (up to 350 bar) 1 double acting (D/A) front hydraulic function 1 single acting front hydraulic function Stereo radio	\$132,095.48
Colour			
	697-0100	Standard yellow RAL1023	\$0.00
	697-0101	Standard orange RAL2011	\$0.00
	697-0111	Special colour, panels only, if RAL match available	\$3,017.00
Popular Additions			
	697-0155	Air conditioning	\$3,865.40
	697-0607	Reversing camera	\$1,376.89
	697-0124	Weight transfer system	\$2,996.75
	697-0120	Electrically adjustable heated mirrors	\$647.95
	697-0140	Water hose (for patch planer)	\$303.72
	697-0177	Opening windows - set of 2 (one per door)	\$2,126.07
Lights			
	697-0146	LED work lights (set of 4)	\$728.94
	697-0145	LED amber flasher warning lights (set of 4)	\$558.85
	697-0156	Flashing beacons (set of 2)	\$253.10
	697-0149	Extra headlights for visibility (LH drive, 2 per set) **Required for flail arm mower application**	\$1,267.55
	697-0150	Extra headlights for visibility (RH drive, 2 per set) **Required for flail arm mower application**	\$1,267.55
Winter Protection			
	697-0119	Heated windscreen **Recommended for thermal weed control**	\$1,342.46

	697-0142	115V winter kit - for <i>North America</i> , includes tank heater, battery charger, block heater, cabin heater, mains socket and cable on exterior of machine	\$3,375.80
	697-0171	220V winter kit - for <i>Europe</i> , includes tank heater, battery charger, block heater, cabin heater, mains socket and cable on exterior of machine	\$2,705.18
	697-1081	Engine block heater for MX range, 115V (for North America)	\$789.68
	697-1080	Engine block heater for MX range, 220V (for Europe)	\$789.68
Hitches			
	697-1085	Ball hitch (to suit all Multihog models)	\$313.85
	697-0622	Rockinger RO*805B	\$502.16
	697-0623	Rockinger RO*810B	\$807.91
	697-0624	Rockinger RO*850B	\$2,443.97
	697-0625	Rockinger RO*860B	\$2,443.97
Hydraulics			
You must choose either hydraulic kit option 1 or 2			
	697-1168	Hydraulic Valve Kit Option 1: 3 x double acting (DA) front sections, 1 x single acting front section, 1 x high pressure carry over, 1 x front PTO control valve and 1 x rear PTO control valve	\$ 4,708.00
	697-1169	Hydraulic Valve Kit Option 2: 3 x DA front sections, 1 x single acting front section, 1 x DA rear section, 1 x high pressure carry over, 1 x front PTO control valve and 1 x rear PTO control valve	\$ 5,249.00
	697-0129	Additional double acting front hydraulic function, x1	\$ 961.80
	697-0130	Additional double acting front hydraulic function, x2 (max. of 2 extra)	\$ 1,923.59
	697-0131	Additional single acting front hydraulic function (max. of 1 extra)	\$ 759.31
	697-0132	Additional double acting rear hydraulic function, (max of 1)	\$ 961.80
	697-0134	Double acting rear hydraulic function, tee connection, x1	\$ 354.35
	697-0135	Double acting rear hydraulic function, tee connection, x2 (max. of 2)	\$ 708.69
	697-0136	Single acting rear hydraulic function, tee connection, x1 (max of 1)	\$ 253.10
	697-0139	Load-sensing rear PTO hydraulics	\$ 1,468.00
	697-0137	High pressure carry over, 30 litres/min @ 220 Bar	\$ 911.17
Tyre Options			
<p><i>*When you choose your tyre set for your MX tractor, it automatically includes a set of suitably-sized mudguards (narrow or wide). However, should you choose a second set of tyres for your MX, you must order an additional set of suitable mudguards from the "Additional Mudguards" section below. **Wide Tyres Required for flail arm mower application**</i></p>			
	697-0611	Track Super 440/50 R17 tyres with wide mudguards <i>Machine width without snow chains: 1650 mm/with chains: 1720 mm</i>	\$6,884.43

	697-0614	BKT Multi-Max 425/55 R17 tyres with wide mudguards <i>Machine width without snow chains: 1630 mm/with chains: 1700 mm</i>	\$4,798.85
	697-0613	Mighty Mow 33x15.5x16.5 tyres with wide mudguards <i>Machine width without snow chains: 1650 mm/with chains: 1685 mm</i>	\$6,495.66
	697-0617	Mud Terrain 285/75 R16 tyres with narrow mudguards <i>Machine</i> <i>width without snow chains: 1530 mm/with chains: 1530 mm</i>	\$4,827.20
	697-0612	MPT 81 315/55 R16 tyres with narrow mudguards <i>Machine width without snow chains: 1530 mm/with chains: 1530 mm</i>	\$5,001.34
	697-0618	Michelin 9.5 R17.5 XZT tyres with narrow mudguards <i>Machine width without snow chains: 1530 mm/with chains: 1530 mm</i>	\$6,766.99
Additional Mudguards			
	697-0151	Additional narrow mudguards (set of 4)	\$809.93
	697-0128	Additional wide mudguards (set of 4)	\$809.93
