PRODUCT AND PRICING BULLETIN

NEW HOLLAND BRAND PRODUCTS, U.S. NO. 18-56A

NEW HOLLAND DEALERS WITH MRT AGREEMENT

SUBJECT: LA SERIES LOADERS: COMPLETE REVISION – EFFECTIVE 10/19/18

Attached, please find a complete price and data revision regarding the LA Series loaders.

At the National Dealer Meeting, New Holland introduced our new LA series of Agricultural loaders that are designed to outperform and outlast. During our breakout session, we reviewed the staggered launch plan. Today, we are pleased to release two additional models, the 830LA and 850LA non self-leveling loaders for the TS6 and T6 series tractors.

In addition, we are also announcing the delay of the release of the 810LA, 815LA and 885LA loaders in order to provide ample time to ensure we can build up the proper inventory amount to satisfy your ordering needs. We have ample supply of the current 825TL and 885TL loaders in order to satisfy your retail demands.

We will continue to release these last new LA series loader models as they become available throughout the remainder of 2018 and into the first quarter of 2019.

This bulletin and the price pages may be accessed via the Dealer Portal if you have the MRT agreement with New Holland. Log on to the Dealer Portal. With the "Wholegoods" button displayed, click on "Pricing," click on "Loaders & Tractor Implements," click on "Large Loaders" and then click on "LA Series." The latest published items will appear at the top of the list.

Please replace your current P&D pages with those attached to this bulletin.
