NEW HOLLAND DEALERS WITH MRT AGREEMENT

**SUBJECT: 600TL SERIES LOADERS: COMPLETE REVISION – EFFECTIVE
10/1/2018**

Attached please find a complete price and data revision regarding the 600TL Series loaders. This revision reflects a general economic increase for units invoiced 10/1/2018 and beyond.

Two minor changes have been made to the 600TL series product offering.

1. The new SSL style bale spear (order code 713721) has two short tines on the bottom bar with one long tine in the center in order to easily spear and maintain better control of a bale.
2. The new Euro style bale spear (order code 715106) has two short tines on the bottom bar with one long tine in the center in order to easily spear and maintain better control of a bale.

This bulletin and the price pages may be accessed via the Dealer Portal if you have the MRT agreement with New Holland. Log on to the Dealer Portal.
