LIMITED LIFETIME WARRANTY – BBF Seating: Charge, Spur, Amp, Pace, Dash

Limited Lifetime Warranty to the original end user; Bush will repair or replace, at its option, without charge to the original purchaser only, defective structural and mechanical parts. This warranty is for single shift, standard commercial usage, defined as a standard eight hour work day, five days a week, when the product is used by a person weighing less than 250 pounds.

Upholstery fabric, foam and mesh is warranted against wear through and deterioration during normal usage for a period of five (5) years. However, Bush does not warrant leather against routine scratching and scuffing, as all leather is subject to minor blemishes during use. Due to natural variations in material, furniture containing leather is sold subject to normal variation and/or irregularities of color, texture, and grain.

Under no circumstance, including but not limited to breach of contract, breach of warranty or negligence, shall Bush or its suppliers be liable for lost profits, loss of goodwill, stored data, general, special, consequential or exemplary damages, even if Bush or its suppliers had notice of these damages or they were foreseeable. Bush and its suppliers shall not be responsible for verifying dealer's or customer's description of needs, data, or the fitness for a particular purpose of goods. Bush's and its suppliers' liability in all cases shall be limited to repair or replacement of the defective parts, or the purchase price of the product. Damages resulting from misuse, abuse, alteration, negligence, or accidents are not covered under this warranty.

EXCEPT AS OTHERWISE PROVIDED, BUSH MAKES NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

If you purchased the seating product for your home or for your own personal or family use, Bush's warranty gives you specific legal rights and you may have other rights, which vary from state to state. As a consumer purchaser, the complete exclusion of implied warranties does not apply to you; however, to the extent allowed by applicable state law, the implied warranties are limited to the applicable term of the warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you.

Should parts fail during normal use within the applicable warranty period, you must first provide Bush with a description of the failure and proof of purchase and, if necessary, you may need to return the defective part freight or other shipping charges prepaid to a location designated by Bush for inspection, repair and/or replacement, together with a copy of the original sales receipt. Labor and installation service is not covered under warranty.

After the part in question has been inspected, Bush will repair or replace, at its option, any defective part at no charge to the original purchaser and return defective item thereafter. This warranty does not apply to product or parts of product that have been subjected to misuse or abuse, accident, alteration, or which have been damaged in transit. You agree to indemnify and hold harmless Bush, its suppliers, and their respective officers, directors, shareholders, employees, and agents from any actions, claims, demands, damages, liabilities, costs, and strict liability in tort or contract, or any other legal theory arising out of the misuse or abuse, alteration, or damage in transit of the product.
