For the protection of important end-tabbed documents, there's no better storage solution than the CF7236-MD and the CF4436-MD cabinets. Similar to our popular CF7236-D and CF4436-D storage cabinets, this end-tab filing system is backed by a UL Class 350 1-hour fire rating, giving you protection and peace of mind. Each unit houses three or six fixed shelves, depending on cabinet size, with four adjustable dividers installed on each. Whether it's medical, law or dental files—or whenever end-tab filing is the method of choice—you and your clients can trust the security that these units provide. See accessories for other storage options. Letter size only end tab filing.

Designed to protect oversized documents, binders and other valuable items. CF7236-D comes with 4 adjustable shelves. CF4436-D comes with 2 adjustable shelves. Equipped with a High Security Medeco Key Lock, ensuring resistance to picking and drilling. Also available with an electronic lock and additional accessories. See accessories for Lock and other storage options.
