GENERAL SALES POLICY

ORDERING PROCEDURES:

The customer should place their order on their own numbered order form, indicating the quantity, model number, catalog number, top color, stool color, height, shipping method and preferred routing. Written orders confirming phone orders must be marked "confirming" otherwise the customer may be liable for the cost of recovering duplicate shipments.

PRICES:

Prices are based on specifications as shown in our literature and as described in this price sheet. Any deviation must be repriced from the factory. We reserve the right to substitute materials if materials are not available, and to make design changes which, in our opinion, improve the product. Prices are subject to change without notice.

STANDARD PRODUCTS:

SICO® standard products are produced to fulfill specific order requests, therefore, no standard product will be accepted for return unless a SICO America Inc. representative provides written consent and the customer approves and returns the "SICO Return Material Authorization Request" form.

Standard products that will be given consideration for return must meet the following conditions:

- *Not older than 60 days from the shipment date.
- *The standard product(s) must never have been used.
- *The standard product(s) must be able to be returned in their original packaging material.

In addition, the following applies if consent is provided for the return of standard product(s):

- *A 25% handling charge will be made on all returns.
- *The customer is accountable for the cost of freight "there and back" to the specified SICO America Inc. location.
- *If the standard product(s) is damaged when received by SICO America, Inc, the customer will not receive any credit for the standard product(s) return.

NON-STANDARD PRODUCT(S) ARE NOT ACCEPTED FOR RETURN UNDER ANY CONDITIONS.

TAXES: Unfortunately, sometimes the collection of taxes is imposed on the manufacturer. Therefore, there shall be added to the sale price, any excise, sales, occupation, use, or any other tax imposed upon the manufacturer incident to this sales unless otherwise noted on the order.

CREDIT: All orders will be subject to the approval of the SICO credit department.

TERMS: Net 30 days.

TRANSPORTATION RESPONSIBILITY: SICO products are shipped F.O.B. factory either from Minneapolis, Minnesota, Conway, Arkansas or Belleville, Wisconsin. This means that the buyer, and not the seller, owns the goods and carries all the risk of loss or damage after the goods leave the factory. It is the buyer's responsibility to inspect the shipment upon delivery before accepting delivery in good condition. Any damage, visible or concealed, must be noted on the carrier's delivery receipt in the presence of the driver. This should be done before signing the bill of lading accepting the goods in good condition. If concealed damage is suspected, the merchandise should be uncartoned and inspected within 15 days after delivery. Save all cartons and request an inspection from the freight company within that same period. The customer is responsible to file a freight claim. SICO will assist in filing loss or damage claims upon receipt of proper documents, but cannot be responsible for the actual collection of claims or replacement of order.

DELIVERY: SICO assumes no liability for damages on account of delay in delivery resulting from any cause whatsoever beyond its reasonable control.

SPECIAL: Prices on plastic patterns by other manufacturers (such as Formica and others) are available upon special quotation.

ON SPECIFICATIONS OTHER THAN STANDARD, PLEASE CONTACT YOUR SICO SALES REPRESENTATIVE.

Possession of this price list does not necessarily suggest an offer to sell.

This price list voids all previous quotations.

SPECIFY: 1) Model number, 2) Top Color & Number, 3) Leg Color & Number, 4) Edge Color & Number, 5) Stool or Bench Color & Number and Stool type where it applies, 6) Height.
