**Freight Charges:** All shipments will be pre-pay and add unless otherwise specified. Freight charges will be added to the invoice or billed separately, depending on arrangements. Selection of the delivering carrier will be made by Datum Storage Solutions. All freight charges, except carrier's minimums, non-direct and intrastate, will be discounted. Datum Storage Solutions participates in various discount programs with carriers. Any remaining discount amounts not credited to the buyer are used to offset handling, processing, packaging, and related administrative expenses. Buyer has the option of selecting their own carrier, F.O.B. shipping point. If this option is selected, shipment must go freight collect or third party, and Datum Storage Solutions' responsibilities end when the order leaves our dock. All LTL/TL shipments using a third-party carrier will incur a \$35.00 handling fee per customer order. Additionally, a per-order handling charge of \$5.00 may be added for UPS and FedEx shipments. Datum Storage Solutions is not responsible for brokerage, customs, warehousing or any other fees associated with international shipments.

**Weight:** Weights shown are approximate and do not include dunnage.

**Freight Claims:** Datum takes the utmost care when packing our product to prevent shipping damage. It is your responsibility to note on the freight carrier's delivery receipt any damage incurred while in transit. All damage claims must be submitted by you with the carrier.

Concealed damage must be reported to Datum and/or the freight carrier in less than 5 days from the receipt of shipment. If concealed damage is reported in less than 5 days, the carrier and Datum will absorb two third's of the NET product cost, the balance of the cost for the replacement product will be billed to the dealer under the original purchase order number. All damage claims must be submitted by you with the carrier.

All concealed damage claims reported after the 5-day time limit become the responsibility of the dealer. All concealed damage claims must be submitted by you with the carrier.

All product that is delivered to a warehouse or an installation facility must be inspected prior to delivering to end destination. If damage is reported after the product is moved, the dealer is responsible for filing the claim with the carrier. If damage is found prior to moving the product, after being signed clear, it must be reported in less than 5 days from delivery.

**Freight Claims (continued):** Concealed damage incurred by a third-party carrier is not the responsibility of Datum Storage Solutions.

**CAUTION: When you give a delivering carrier a clear receipt for a shipment in which there is damaged merchandise or a shortage, the carrier is relieved of further responsibility. DAMAGE AND SHORTAGE CLAIMS MUST BE FILED BY YOU WITH THE DELIVERING CARRIER. Datum Storage Solutions will not accept return merchandise damaged in transit. Your claim is with the delivering carrier.**

# **Commercial Terms & Conditions, Continued**

---

**Note: Crating your product may reduce damage. Datum offers crating for a charge of \$75.00 per skid. Please contact the factory for details.**

**Cancellations & Returns:** ORDERS FOR "SPECIAL" OR "CUSTOM" ITEMS ARE NOT SUBJECT TO CHANGE OR CANCELLATION. No returned merchandise will be accepted without written consent of Datum Storage Solutions. All returned shipments are to be freight prepaid by the shipper and are subject to a handling charge of 25% plus reimbursement of all original transportation charges incurred by Datum Storage Solutions. Once production of "non-stock" items has begun, cancellation of the order is subject to Datum Storage Solutions' approval and a 25% surcharge will be assessed on all approved cancellation items. Custom colors or custom laminate panels are not returnable.

Return authorization must be requested within 30 days of invoicing and no product may be returned without a prior written return authorization. All returns must be made within 30 days of receiving the written return authorization and are subject to a 25% restocking charge (\$20.00 minimum) plus all incurred freight charges. All returns must be in original packaging and in resellable condition for a credit to be issued. Datum will not issue return authorizations on product that has been assembled by the dealer or the end user.

NO GOODS ACCEPTED FOR RETURN WITHOUT PRIOR APPROVAL. Transportation charges covering returned goods will be borne by Seller only if such goods are proven to be defective.

**Storage:** Datum does not have the facilities to store completed orders, therefore all orders must ship when completed. If a postponement of product shipment is requested by the Dealer after the ordered goods are released to manufacturing or at a time when Datum is ready to ship the ordered goods, Datum may transfer the ordered goods to storage at the Dealer's risk and expense. This transfer to storage will be considered delivery to the Dealer for all purposes including invoicing and payment.
