Specifications and Pricing

BioFit Table Features

Thank you for considering BioFit Engineered Products as your mobile folding table solutions source. We encourage you to refer to the following company background and order placement instructions to help you learn more about us and make your purchasing process efficient and enjoyable.

Why Buy BioFit?

Globally recognized corporate brand leaders, major hospitals, universities and small businesses alike turn to BioFit for innovative, high performance ergonomic seating, tables and accessories. We offer:

- Over 70 years' background improving educational and work spaces
- Award-winning table and seating solutions for education, office, healthcare, technology, laboratory, industrial and custom applications
- Furnishings designed and engineered with user comfort, health and wellbeing in mind
- Durable products built for 24/7, long-term use
- A 13-year warranty on all tables and nearly every other product
- Value-added services including onsite sample and Ship Now! rush seating programs
- A personable, highly experienced customer support team – ensuring you get what you need

13-Year Warranty

BioFit tables are warranted to the original purchaser against mechanical or structural failure due to defective material or workmanship for 13 years of normal use. Scan this QR code for full details.

GREENGUARD GOLD Certified

BioFit has achieved GREENGUARD GOLD Certification for our full line of tables. This rating for low chemical emissions helps to validate our efforts to promote the wellbeing of our customers and the environment.

Innovations that are Reshaping the Learning Dynamic

From the unique, non-traditional table top profiles of our EdgeScape™ mobile folding table line to the patented adjustable torsion cap table lift-assist component, BioFit is reshaping the thinking and expectations of decision makers in today's top learning institutions.

Ergonomic Seating Solutions to Outfit Your Facility

We offer a full line of ergonomic chairs, stools and specialty products to meet the needs of a variety of learning and work environments. And if you need chairs fast, with our Ship Now! quick-ship program, you can order limited quantities of models from our most popular series and your order will ship within two business days, pending credit approval.

Order Placement Instructions & Shipping Information

How to order

1. Give quantity, catalog number and any accessories for each item ordered.
2. Give table top color.
3. Give frame color: Chrome or choice of powder coat finish.
4. Give seat color.
5. Give complete bill to and ship to addresses.

Return Goods

BioFit reserves the right to refuse return of any merchandise unless it is determined to be BioFit's responsibility. Any merchandise accepted for return must have prior written authorization and may be subject to a 25% restocking charge.

Changes and Cancellations

Once entered in our system orders may not be changed, cancelled or delayed without BioFit's consent. This will be determined depending on the stage of production and BioFit must be indemnified from loss. Thus the buyer will be responsible for material, labor or storage costs of changed, cancelled or delayed shipments. Once the merchandise has been shipped the buyer is obligated to accept delivery from the carrier.

Freight Classifications

Contact BioFit's Customer Service Department for freight quotation and classifications.

Routing

We will use our best judgement based upon available common carriers and our global shipping experience; however, we will make every effort to meet your shipping instructions.

Freight Rates

BioFit will work with you to determine freight costs. However, because of circumstances beyond our control, any quoted freight rates must be considered approximate guidelines only. If fixed costs are required, please ask us to quote you F.O.B. Delivered, C&F or C.I.F. prices.

Terms and Prices

Prices are F.O.B. BioFit factory, Bowling Green, Ohio, 43402. Payment - .5% 10, net 30, with interest applicable at the rate of 1.5% per month after 30 days.

Title of Merchandise

Title to merchandise passes on to buyer upon delivery by BioFit to the carrier. Responsibility of BioFit ceases when carrier issues its receipt to us. If the goods are damaged by the carrier while in transit, the buyer has the sole obligation of seeking appropriate recourse against the carrier.

Sales Policy

Possession of this price list does not necessarily suggest an offer to sell.

Minimum Order

BioFit does not have a minimum order.

Cafeteria Table Skidding & Skid Charges

Prices do not include skidding charges. All Shipments are subject to skidding requirements determined by our Shipping Department. Note: Truckload/LTL shipments, a mixture of skidded and non-skidded tables may be applicable. *Note: All LTL shipments not shipping prepaid by BioFit must be palletized. Please clarify skidding requirements and pricing with BioFit's Customer Service Department before quoting your customer.

BioFit Table Features

Recessed Vertical Hinge. Many of BioFit's tables have an automatic locking mechanism which ensures your table stays closed and stable when in the folded position. Please note that this locking mechanism is not on the AdapTable, Fold-N-Roll, or 10-Seat Oval tables. Torsion bar assist is utilized on large table models that allow for easy folding by one person. The one-inch safety gap between top halves (excluding the AdapTable) prevents trapped food and bacteria, plus offers protection against pinched fingers.

Adjustable Torsion Cap. Exclusively from BioFit, our patent-pending adjustable torsion capability enables users to reset the torque level of the lift assist device on affixed-seating tables to the original factory specifications. This can facilitate safer and easier folding and unfolding and allow organizations to save money by prolonging the useful life of the table.

14-Gauge Steel Frame. One-piece, robotically welded for uniform strength.

Wheels. Non-marring, industrial grade neoprene wheels ensure smooth, easy handling.

Exclusive ComfortRim™ Edge Profile. Gentle on forearms, enhancing user comfort.

Food- and Bacteria-resistant Edges. Tough, protective coating surrounds the edges of table tops and bench seats.

BioFit provides free space analysis and layout consultation at no charge to help determine the proper model and quantity of BioFit tables for your project. Simply notify your furniture distributor or sales representative that you'd like to take advantage of this free service, or contact BioFit directly at **800.597.0246** or **biofit@biofit.com**.

The Afton™

Design that flows as easily as the conversation.

The uniquely curvaceous shape of the Afton is inspired by the river in Scotland, and its design will inspire you as well. The table's ebb and flow facilitates interaction, making it ideal for cafeterias, food courts, breakrooms, meeting areas and more.

- Available in 10- and 12-foot lengths and two heights
- The Afton table has achieved GREENGUARD GOLD Certification and is UL listed
- Featuring durable, ergonomic 13" round ABS seats
- ADA-compliant model available

EdgeScape™ Designer Series - The Afton

10-Seat Oval

Seat 20% more students in the same space.

The design of BioFit's patented 10-Seat Oval Table reduces noise, aids communication and improves space utilization. Its attached seating and easy folding bring function and mobility to cafeterias, training settings and more.

- Attached seating with 13" round ergonomically shaped ABS seats
- Also available in 6- and 8-seat ADA-compliant configurations
- Low center of gravity when folded ensures stability
- Six casters create wide wheelbase, making it sturdier than other tables on the market
- The 10-Seat Oval table has achieved GREENGUARD GOLD Certification and is UL listed

* Indicates up to 2 tables can be packed per skid. Weight shown is that of individual table. Add 70# for weight of skid.

** Indicates up to 2 tables can be packed per skid. Weight shown is that of individual table. Add 80# for weight of skid.

Prices do not include skidding. Add \$53 net for each table shipping on a skid (not \$53 per order).

Note: Truck load / LTL shipments may require a mixture of skidded and non-skidded tables.

All dimensions are nominal.

Dedicated to Design. Committed to Quality.

At BioFit, that's more than a tagline – it's our focus every day as we constantly strive to improve the workplace experience through ergonomic performance, style and reliability. We've been an innovator for the past 70 years, introducing solutions for industrial and laboratory settings, and subsequently supplying the education, office, defense, automotive and textile markets. With a global network of over 1,200 independent distributors, we continue to proudly serve these industries today, as well as leaders in the healthcare and technology fields.
