Blackout Roller Shades (100% Vinyl Blackouts)

Our 100% vinyl roller shade material provides complete privacy and is available in many popular colors. This roller shade comes standard with our Deluxe Clutch Lift System.

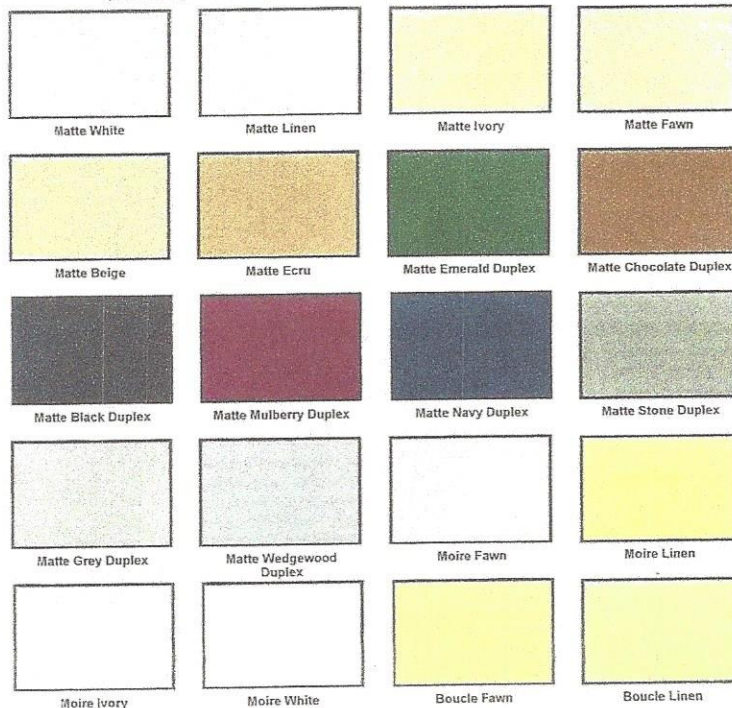

These vinyl roller shades are a durable, easy to clean and easy to operate, making them an excellent choice for children bedrooms, laundry rooms, utility rooms and study rooms. The vinyl material of these roller shades is excellent at blocking light from passing through it. Note however that roller shades have gaps on each side between them and the window opening, this gap will allow some amount of light into the room.

Features:

- All mounting hardware and installation screws are included.
- Available in many popular colors that will blend with any decor.
- Our Roller shades are Room Darkening to block light from entering the room.
- Also available 3 1/2" dustcover valance and aluminum fascia to give it a finished look.

Fabric Colors:

(Please don't use this site for exact colors and sizes, each monitor varies.)

Phifer Sheerweave Roller Shades

These solar shades have a basketweave design made expressly for those insulating and glare-blocking applications which require a more private and non-directional fabric. The material is a PVC-coated fiberglass yarn.

All Sheerweaves roller shades come standard with a continuous loop clutch mechanism for easy control. This system raises and lowers the sun shades smoothly and evenly for trouble-free performance. No more long, dangling cords or frustrating cord locks or cleats.

This product is perfect to finish a room and block some of the sunlight while keeping your view!

Features:

- All mounting hardware and screws are included. (hardware is white)
- For fuller fabric look, you can select a Roman Fold Roll Up for a slight upcharge.
- Wide range of colors to choose from to match any decor.
- Optional 3 1/2" Dust Cover Valance is available as well as aluminum fascia and other options.
- Comes with the Continuous Loop Clutch Roller for smooth operation.

Vertical Blinds - PVC

Our vertical blinds offer you the appearance of a drapery. Our finely engineered track allows you to regulate just the right amount of light through its uniformly spaced scissor carriers and will give you many years of trouble free operation. All of our vertical blinds come standard with mounting brackets and safety devices.

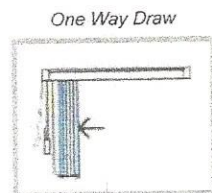

Features:

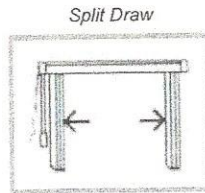

- All mounting hardware and installation screws are included.
- Valance corner clips are made of clear plastic.
- Optional rounded valance corners available
- Heavy duty track system comes standard with self aligning carriers.
- Limited Lifetime Warranty against defects in parts and workmanship.

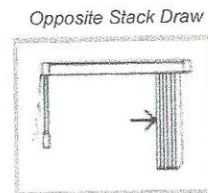

Styles:

The blind draws equally to both sides leaving the center space open

The blind draws towards the side with the controls.

The blind draws to the side opposite of the controls.
