TRANSITIONAL	72

Authorized Dealers: Only dealers ("Dealer") that have signed a written dealer agreement with Artcobell Corporation ("ABC"), have been approved by ABC, and are in good standing with ABC are authorized to market, provide pricing, and submit orders for ABC products.

Pricing: All pricing provided by ABC to Dealers is based on the current list price and excludes taxes, freight, delivery, and installation. Except as stated in a quote number issued by ABC, any discount ABC offers a Dealer will be from current list price at the discount stated in the Dealer's agreement. In order to obtain the discount in an issued quote number, Dealer must provide the quote number, discount and pricing at the time it submits a purchase order. If the correct quote number and pricing are not provided, the Dealer will receive its discount stated in the Dealer's agreement.

Payment Terms: ABC will invoice Dealer for product upon shipment, and for services upon their substantial completion, each of which may occur in stages. Dealer agrees to pay each invoice 1% 10 Net 30 days from the invoice date. Payment must be received within 10 days of invoice date to receive the 1% discount. Credit card payment terms are net 30. No payment may be withheld because of partial delivery. Dealer will pay interest on any unpaid amount due at the lower of 1.5% per month or the highest rate allowed by law. If ABC takes any action to collect any amount due, Dealer will pay all costs and expenses, including court costs and reasonable attorney fees, incurred by ABC in collecting such amount.

Order Placement and Acknowledgments: Dealers will submit all orders with complete model number (i.e., color, frame, material, finish), and for product that must be shipped in cartons, carton quantity. ABC will not process or put into production an order without complete model number. Lead time will be calculated based on the time the order is processed. After an order is processed, ABC will acknowledge the order via email or fax. Acknowledgments provided by ABC represent estimated completion dates and are not contractually binding. Any expenses incurred as a result of longer lead times will be the responsibility of the dealer. Dealer is responsible for checking the acknowledgment and immediately notifying ABC of any discrepancies.

Changes and Cancellations: Changes requested by Dealer after ABC has acknowledged the order must be sent in writing and are subject to written approval by ABC and additional charges. If ABC approves in writing any request by Dealer to cancel all or any part of an order after 48 hours from time of acknowledgment, dealer agrees to pay 25% cancellation fee.

Returns: Product will not be returned for refund, credit, or replacement, except on written approval of an officer of ABC. If approved by ABC, dealer agrees to pay a 25% restocking fee of net product price, in addition to pick-up, uninstall and freight charges

Delays: ABC will not be liable for any delay or interruption in its performance caused by circumstances beyond its reasonable control, including, without limitation, strikes, lockouts, work stoppages, accidents, terrorism, and availability of materials, acts of nature or God, inability to obtain transportation, or acts of the enemy. Delays so caused will not release Dealer from its obligation to accept and pay for the product.

Storage: Products that are complete and ready must be shipped within 30 days of original request date otherwise subject to storage fees.

Delivery and Installation: All shipments are F.O.B. ABC's factory or distribution center. Delivery is always quoted to take place during ABC's regular working hours on ABC's regularly scheduled business days (holidays excluded). Dealer will pay additional labor costs resulting from overtime work performed at Dealer's request. Dealer is responsible for providing: a clean, debris-free space with electricity, heat, hoisting/elevator service, and adequate facilities for off-loading, staging, uncartoning, and moving product; insurance and permits required at the site; and disposal containers. Delivery does not include the following additional expenses, which are the responsibility of Dealer: providing a licensed electrician, as required by national or local codes, to connect products to building power. If the space is under construction or other trades are working in the same space during the product installation, Dealer will immediately inspect the product on delivery for defects. If Dealer or Dealer's customer is not available to inspect product on delivery, then Dealer and Dealer's customer accept that all product was delivered in satisfactory condition and Dealer accepts all responsibility for any damages found later.

Loss and Damages: After delivery of product to Dealer' shipper or, if ABC is arranging freight, after delivery to shipping address, all risk of loss or damage shall pass to Dealer, including, without limitation, any loss or damage caused by weather, other trades (such as painting or plastering, electrical or telephone installation), fire or other elements, and Dealer agrees to hold ABC harmless from any such loss or damage.

Title and Ownership: All products will remain the personal property of, and title thereto will remain with, ABC until fully paid. ABC shall have the right, in addition to all other rights it may possess, at any time for credit reasons, ABC's reasonable belief Dealer may default, or Dealer's default, to withhold shipments, in whole or in part. Dealer will, on request of ABC, execute and deliver to ABC such instru-

ments as ABC requests to protect its interests in the state in which such product may be shipped or at any time located.

Warranties: Dealer's remedies are limited exclusively to those set forth in ABC's standard limited warranty as published at www.artcobell.com at the time of delivery of the product to carrier. ABC MAKES NO WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY PRODUCT OR SERVICE FURNISHED TO DEALER, AND ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED BY ABC. No agent, employee, or representative of ABC has any authority to make any warranty or representation to Dealer on behalf of ABC with respect to any product or service provided to Dealer by ABC. In no event will Artcobell be liable for any consequential, indirect, incidental, or punitive damages.

Shipment Terms: All orders shall be shipped prepaid and, unless specified, by ABC's carrier of choice. "Best way" shipping will be used. Pricing on shipments is an estimate and may vary by special charges incurred due to the consignee. These are estimates and additional charges are the responsibility of the Dealer.

LTL shipments are dock-to-dock at Dealer's expense. Any special delivery considerations are the responsibility of the consignee. This includes any accessorials charges billed by the carrier. LTL shipments may also be subject to a packaging surcharge.

Delivery dates are the responsibility of the carrier unless otherwise agreed to between Artcobell Corporation and the consignee. No expenses will be incurred by Artcobell Corporation for missed delivery appointments. Delivery scheduling is to be handled between the dealer and the carrier. All expenses incurred due to detention or other factors, caused by the consignee, shall be the responsibility of the dealer. If the delivery location is not ready for receipt of a shipment, all charges incurred by the freight company will be passed on to the dealer. If the shipment returns to Artcobell Corporation, the costs for handling and restocking will be billed back to the dealer, along with an administrative fee of 5% of the order total.

ABC will assess a service fee of \$250 per load for all "live loads". If a "live load" appointment is missed by more than 2 hours after the start of the scheduled pick up window, an additional missed appointment fee of \$250 will be assessed to the Dealer responsible for the coordination of the shipment. The carrier will not be guaranteed immediate attention if a live load appointment is missed, and the load may need to be rescheduled. Shipments outside of the continental U.S. are to be pre-arranged by the dealer. Due to dock space, all "live loads" must meet appointment times and "live loads" will be permitted on a "first come - first serve" basis. The carrier will not be guaranteed immediate attention if the appointment is missed. "Live loads" will take a minimum of 3 hours to load. Artcobell Corporation will not be responsible for any expenses incurred by the scheduling dealer if an appointment time is not met. All scheduling and coordination of 3rd party carriers must be arranged by the dealer.

Shipment Damages: All shipments should be carefully inspected at the time of delivery by the consignee. Any damages are to be noted on the bill of lading at the time of delivery. Concealed damage must be reported within 15 days of receipt of shipment. Damaged freight must be held at the point of delivery, along with original packaging to be considered for a claim. Digital photos are required and will speed up the claims process. Shipments left unopened for a period of more than 15 days will not be considered for claim or replacement. Shipment liability ceases after 15 days of delivery.

Shipment Shortages: Shortages not reported within 15 days of shipment receipt will not be honored for a claim. Shortages must be noted on the bill of lading at the time of delivery and reported to Artcobell within 15 days for consideration.

Dealer's and User's Care and Use Instructions: Products are to be used for their intended purpose and inspected on a regular basis to avoid structural failures and possible injury. Inspections are to include verifying there are no loose or missing screws, rivets, or other fasteners. Products are to be inspected for cracks, fatigue, or broken welds. Products that have adjustability are to be inspected to ensure the fasteners are installed and adjusted properly. Any product showing signs of damage or improper adjustment must be removed from service immediately and notice must be promptly provided to ABC and the the furnishing dealer. Repairs are to be made with factory authorized parts and methods.

Other: Questions about invoices must be communicated to ABC within 15 days of the invoice date. These Terms and Conditions may be changed by ABC without notice and are the only terms and conditions which apply to ABC's products. These Terms and Conditions are governed by Texas law, without regard to its conflicts of laws provisions. In the event of a dispute, the non-prevailing party will pay the prevailing party's reasonable attorneys' fees.

* Prices, discounts, payment terms, and other terms and conditions applicable to the sale of products to the Dealer are subject to change by Artcobell.

NOTE ON GLIDES & FLOOR MAINTENANCE

Our research shows that no single solution can provide optimum performance across all floor types and conditions. Overall performance is based upon the type of flooring, preventative floor maintenance program and glide design & material selection. To maximize the performance of your furniture glides, floors must be properly prepared, and maintained. Soil, grit and the wrong polish can make a floor susceptible to damage regardless of the glides used on your furniture. Your flooring installer and/or manufacturer can provide specific guidelines on floor maintenance.

Return Applications

- > Any size secondary table up to 36"d x 72" w
- > 24"d returns use 1 flat bracket and 1 tie bracket
- > 30"d and 36"d returns use 2 flat brackets

Side to Side Applications

- > Any depth table of equal size
- > Tables with 2 legs may be ganged to other tables with 2 legs as long as the run has at least one table with 4 legs
- > 24"d tables use 1 flat bracket and 1 tie bracket
- > 30"d and 36"d tables use 2 flat brackets

Bridge Applications

- > Any size secondary table up to 36"d x 72"w
- > 24"d bridge use 1 flat bracket and 1 tie bracket per side
- > 30"d and 36"d bridges use 2 flat brackets per side

Back to Back Applications

- > Any width table of equal size
- > Any combination of depths
- > Use 2 flat brackets

artcobell

Application & Specification Rules

- > Top options include 1 1/8" Particleboard with HPL surface and Flat Edge (F)
- > Standard with casters includes 2-locking and 2 non-locking dual wheel black casters
- > Depth of unit (except foot) when flipped up/storage position is 8-1/4"
- > Ordered and sold as a COMPLETE table (top & legs)
- > Two handle operation required to unlatch and pivot top
- > Grommets available as a separately specified and field installed item. See page 37
- > Field installation of legs required
- > Half-Round table is standard with a FIXED leg. Half-round table does not nest

- > Fits in 3" round hole, maximum work surface thickness of 1.50"
- > Field installed only
- > Not for use with modular power system

Base Model	Description	Units Per Ctn	Cubes Each	Lbs Each Unctn	List Price
PDC-3G20	3" Round Grommet Flush Mount 2-Power 0-USB	1	0.71	2.0	\$97

Application & Specification Rules

Modular Power System

- > For use on Discover rectangular tops
Field installation of grommets required.
- > Non-sequential, allows system to be arranged and rearranged quickly and easily in any order
- > System status indicator light provides convenient go (green), no go (red) status
- > Modular power system is a pluggable single circuit electrical system
- > Power components are field installed only
- > Specify base model only, no options
- > UL recognized as a powered table system and meets the requirements of UL962
- > Maximum allowable run is 40' or no more than 8-power harnesses off one infeed. With is based upon harness width not table width

Base Model	Description	Units Per Ctn	Cubes Each Ctn	Lbs Each Ctn	List Price
MPS-QBF	In-Feed Control Unit	1	0.71	3.0	\$418
MPS-QPH312	12" Harness with 3" Round Duplex Power Unit	1	0.71	2.0	\$135
MPS-QPH360	60" Harness with 3" Round Duplex Power Unit	1	0.71	2.0	\$150

Application Guide | Modular Power System

Top Width	One (1) Power Unit Per Table		Two (2) Power Units Per Table	
	Components Required	Maximum Table Run	Components Required	Maximum Table Run
48"	MPS-QPH360 (1)	8 - Tables	MPS-QPH360 (1) MPS-QPH312 (1)	4 - Tables
60"	MPS-QPH360 (1)	8 - Tables	MPS-QPH360 (1) MPS-QPH312 (1)	4 - Tables
72"	N/A	N/A	MPS-QPH360 (1) MPS-QPH312 (1)	4 - Tables

Determine table width and the desired number of power units per table (1 or 2). Specify the in-feed (MPS-QBF) and then use the matrix above to identify and specify the type and quantity of power harnesses needed per table. Note the MAXIMUM number of tables allowed in a run per in-feed. For example, to power two 60" tables you will need one (1) in-feed (MPS-QBF), two (2) 60" power harnesses (MPS-QPH360) and two (2) 12" power harnesses (MPS-QPH312).

Wire Manager, Vertical

Application & Specification Rules

- > Field installed, attaches with double sided tape
- > Ideal for use on legs or flat work surface edges
- > Light grey or black color options

The warranty information below is effective on all Artcobell products for orders manufactured after January 1, 2017. For warranty information concerning orders placed prior to January 1, 2017, please refer to the warranty information contained in the published price list of the corresponding year. For additional information relating to warranty, please contact your Customer Service Representative.

Effective January 1, 2017

Artcobell warrants to the original purchaser that its products are free from defects in material and workmanship under normal classroom or commercial use for as long as the life of the product, except as set forth below.

During the warranty period, Artcobell will replace, or at its option, repair locally, repair at its factory, or return the purchase price of any Artcobell brand product manufactured after January 1, 2016 that, upon inspection by Artcobell, is determined to be defective in material or workmanship.

This warranty is subject to the following provisions:

Some natural variations occurring in polypropylene material or other natural materials are inherent to their character and are not considered defects. Artcobell does not warrant the colorfastness or matching of colors, grains, or textures of these materials. Customer's Own Material (COM) selected by and used at the request of an original purchaser is not warranted.

Our products are intended for interior use — exterior use of them will void the warranty.

The materials and components listed below are covered from the date of sale according to the following:

- Mobile Cafeteria table torsion bars – 5 years
- Seating controls, glides, pneumatic cylinders, casters, chroming and polymer-based components and foam – 3 years
- User-adjustable worksurface mechanisms, tablet arm mechanisms, lounge products, occasional tables, seating upholstery fabrics and vinyls and other covering materials – 3 years

This warranty does not apply to:

- Normal wear and tear
- Damage from environmental factors
- Damage from sharp objects (e.g., writing utensils, heeled shoes, scissors, jewelry, and keys)
- Damage from accident, alteration, misuse, or improper installation or maintenance
- Modifications or attachments to the product not approved by Artcobell
- Products used for rental purposes
- Damage caused by the carrier in-transit, which is handled under separate terms
- Third-party products – Artcobell, to the extent possible, will pass through to the original purchaser (and process claims under) any warranty provided by third-party products supplied to Artcobell.
- All warranty claims are to be made in writing by the original purchaser. The original purchaser may be required to produce the invoice or other evidence to establish that a claim is within the warranty period.

To the extent allowed by law, Artcobell makes no other warranty, either express or implied, including any warranty or merchantability or fitness for a particular purpose. Artcobell is not liable for any indirect consequential or incidental damages. This warranty contains the original purchaser's exclusive remedy.

Your Artcobell Dealer is our resource in supporting your warranty requests. To obtain service under this warranty, please contact your Artcobell Dealer.
