TERMS AND CONDITIONS

PRICES

All prices printed herein supersede all previous prices and are subject to change without notice. These prices are F.O.B. origin, Aurora, Illinois, exclude freight and are subject to an additional charge for special color, special packaging, states' sales or consumer taxes as required. One order constitutes one color with only one delivery address.

SALES POLICY

Possession of this price list does not constitute authority to purchase and/or sell products contained within. Aurora Storage Products has the right to refuse any purchase order.

GLOSS-TEK COLORS AND WOOD-TEK

Aurora Storage Products are coated in Gloss-Tek™ an eco-friendly, non-emissive textured powder coat. There are 31 standard colors; custom colors are available and are subject to longer lead time and an additional charge. A metal color chip of the special color is necessary for paint matching.

NOTE: Even with metal sample matching, shading and gloss can vary. Be careful when matching new equipment to product of the same color that has been in the field for several years. Products closely exposed to fluorescent lighting or sunlight can fade. If a perfect match is required, forward a sample to Customer Service.

WOOD-TEK PRODUCT

Orders of non-standard Wood-Tek stain and wood species require a stain match and approval. Special caution must be given to matching new product to product which has been in the field for several years. Product exposed to sunlight or fluorescent lighting can fade or darken. Aurora Storage Products will not guarantee or be responsible for the character of wood including natural variations in color, grain, and texture, and may differ slightly from sample.

TERMS OF PAYMENT

DAMAGE IN TRANSIT

CAUTION: When you give the delivering carrier a clear receipt for a shipment in which there is damaged merchandise or a shortage, the carrier and Aurora Storage Products are relieved of further responsibility.

All packaging is in accordance with carrier requirements.

For your protection, before accepting any shipment, examine it carefully. If there is evidence of damage or a shortage, insist that the delivering carrier make suitable notation to that effect on the freight bill before you sign it.

If, after receipt of shipment, concealed damage is discovered, immediately **notify the delivering carrier**, requesting immediate inspection.

The inspection report should be used to support your claim against the carrier. *NOTE:* Carriers require notification of concealed damage within 24 hours of delivery. Aurora Storage Products also needs to be notified of any concealed damage claims.

Any claim for damage or shortage on non-PRIME carrier shipments must be noted by you with the non-PRIME delivering carrier. Aurora Storage Products will not accept the return of merchandise damaged in transit. Your recourse is with the delivering carrier. Freight claim filing is the responsibility of the consignee and not Aurora Storage Products unless a PRIME carrier is used for the shipment.
