CERTIFICATE OF WARRANTY

Lifetime Limited Warranty: Subject to the conditions stated below Aurora Shelving, Aurora Mobile Systems, Times-2/Times-2 Elite Cabinets and Aurora Museum Cabinets warrant to the original purchaser exclusively that the shelving, carriages, the rotary cabinets and museum cabinets (“structural frames”) manufactured by Aurora Storage Products, Inc., will be free from defects in materials and workmanship other than normal wear and tear for the lifetime of the structural frames. During the warranty period, all parts will be provided at no cost. Labor is included at no cost during the first year of the warranty period. For purposes of this warranty, structural frames shall be deemed to exclude all moving parts, controls and guides that have immediate contact with moving parts.

10-Year Limited Warranty: Aurora also warrants that all carriage drive motors shall be free from defects in materials and workmanship other than normal wear and tear for a period of ten (10) years from the date of the customer’s written acceptance of installation. During the 10-year warranty period, the carriage drive motor will be provided at no cost. Labor is included at no cost during the first year of the 10-year warranty period reimbursed as per the Labor Reimbursement Schedule.

5-Year Limited Warranty: Aurora also warrants that all equipment, other than structural frames and carriage drive motors, shall be free from defects in materials and workmanship other than normal wear and tear for a period of five (5) years from the date of the customer’s written acceptance of installation. During the 5-year warranty period, all covered parts will be provided at no cost. Labor is included at no cost during the first year of the 5-year warranty period reimbursed as per the Labor Reimbursement Schedule.

1-Year Limited Warranty: Aurora also warrants that ceramic heaters contained in the Aurora Drying Cabinet shall be free from defects in materials and workmanship other than normal wear and tear for a period of 1 year from the date of the customer’s written acceptance of installation. During the 1-year warranty period, all covered parts will be provided at no cost. Labor is included at no cost during the first year of the warranty period reimbursed as per the Labor Reimbursement Schedule.

If any warranted product shall be proved to Aurora’s satisfaction to be defective, such product shall be repaired or replaced at the option of Aurora. All warranty service for any product manufactured by Aurora must be performed by an authorized Aurora factory representative. This warranty shall be void if any portion of the purchase price shall be due but unpaid in accordance with the terms pursuant to which the product was sold. This warranty shall not apply to product installed, repaired or moved by any party other than an authorized Aurora factory representative or to defects or damage caused by (a) Acts of God or other circumstances beyond Aurora’s control, (b) improper installation, (c) improper electrical supply or environmental conditions, (d) improper operation, maintenance, or storage, or (e) other than normal use or service. **EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH ABOVE, AURORA MAKES NO WARRANTIES, IMPLIED OR OTHERWISE, AND AURORA SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

The Certificate of Warranty must be completed by the respective dealer, accepted and signed by the customer, and sent to Aurora Storage Products, Inc. upon completion of the installation. If the Certificate is not on file, all reimbursement for warranties shall be declined.

Limitation of Liability: Repair or replacement of any defective equipment, or refund of the purchase price paid by the customer in the event Aurora determines such equipment cannot be repaired or replaced, shall be the customer’s exclusive remedy for breach of the warranty for product defects, however caused, and in no case shall Aurora be liable for incidental, consequential, special or other damages, or loss of profits or revenues whether as a result of breach of contract of warranty, Aurora’s negligence, or otherwise. Aurora shall have no liability for any advice or assistance by any party outside the scope of Aurora’s written specification for the manufacture, operation or maintenance of the warranted equipment.

WOOD-TEK WARRANTY

Wood-Tek products consist of two components, the underlying Aurora Shelving and the Wood-Tek cladding, which are covered by two separate warranties. There is a limited lifetime warranty on the Aurora Shelving and a separate 5 year warranty on the Wood-Tek components.

Wood-Tek components are warranted to be of good material and workmanship, free from defects for a period of 5 years. Natural variations in the color or texture of the wood are not to be considered defects. Normal shrinkage, swelling, hairline cracks and minor warp of wide products are to be expected and are not structural defects and therefore not covered. This warranty does not cover the natural aging, fading, or darkening of wood color due to UV or exposure to direct sunlight, or inherent growth characteristics of, or variations in wood.

Before installation Wood-Tek must be protected from damp or excessively hot or dry environments and should be acclima-

tized at the job site for a minimum of 72 hours. Specifically Wood-Tek must not be stored in damp warehouses or placed in buildings where moist drywall or freshly plastered walls are still under construction. Wood-Tek must not be subjected to abnormal heat or dryness. Permanent heat and air conditioning must be in operation a sufficient length of time to ‘cure’ the building before the wood products are delivered to the site. Temporary heat sources may add excessive moisture or create excessive dryness depending on the type of fuel. Thus temporary heating can be a source of problems and should be avoided.

Aurora Storage Products agrees within a period of five years after delivery date to repair or replace without charge any Wood-Tek that is defective within the parameters of this warranty. Matching of wood grains and stains to existing installations cannot be guaranteed without a wood sample to match.
