GENERAL SELLING CONDITIONS

The purpose of the BEFCO Sales program is two-fold. First, the program is designed to offer BEFCO dealers an incentive for early booking of orders and to provide a floor plan for dealers to maintain an adequate inventory of BEFCO merchandise prior to and during a use season. Secondly, the program enables us to plan production requirements more accurately at our factory in order to make products available on a timely basis. This combination of incentives and floor plans places BEFCO and its dealers in a position to achieve a greater market share within a competitive environment. Although BEFCO offers quantity discounts, BEFCO does not require any dealer, retailer, or other buyer of its whole goods to purchase or maintain any minimum quantity of wholegoods; the dealer, retailer, or other buyer may elect at its sole discretion to purchase a sufficient quantity of wholegoods to maintain a regular inventory, or may elect to order wholegoods only as desired or needed to meet custom requests. All such orders will be processed in accordance with the Sales Program and these General Selling Conditions then in effect. The following information provides details of BEFCO Sales Program Terms and Conditions:

1. Requirements to qualify: The terms of sale to dealers are applicable only to equipment purchased directly from BEFCO. Products covered by any order accepted by BEFCO will be shipped at prices, terms and discounts in effect at time of order unless otherwise specified. The terms and conditions contained herein are subject to change without notice.
2. Credit approval: All orders or shipping instructions will be subject to approval by BEFCO prior to shipment. Copies of current Dealer Financial Statements are required annually, and signed Security Agreements and UCC-1's must be on file where applicable.
3. Trade discounts: A trade discount may be allowable pursuant to BEFCO's current suggested list price on whole goods.
4. Early order: discounts and shipment: Early Order Discounts are allowed on all BEFCO whole goods pursuant to its sales program and are subject to the following conditions: a. Early Order Discounts will apply only during periods as defined in the current suggested retail price listing or schedule of Terms and Discounts. b. Shipments of Early Orders will be made at the Company's convenience. c. On the Standard program The Early Order Discount is calculated after deducting the Trade Discount. d. Units not paid by due date will be subject to loss of Early Order Discount plus 1.5% monthly service charge until paid in full.
5. Quantity discount: In addition to other applicable discounts (Trade, Cash and Early Order) certain quantity discounts may also apply. Under the Standard Program, Quantity Discounts accumulate with each new order. Quantity Discounts are not retroactive.
6. Cash discount: Cash discounts are determined by the date of invoice to the dealer and are calculated on the net balance after all applicable discounts. See specific programs for schedule of cash discounts.
7. Settlement on retail sale or due date: Whole goods are due immediately following delivery to retail customer, or are due as specified by due date whichever is earlier. Any machine not paid for immediately after delivery to retail customer is considered "out-of-trust", and all discounts are voided and full list price shall be immediately due and payable.
8. Past Dues & Legal: Past due accounts will have a service charge of 1.5% per month. Cost of attorney fees for collections of past due accounts will be borne by the dealer.
9. Requested shipping dates & discounts: Orders that qualify for early order discount will be shipped at BEFCO's convenience. Refusal by the dealer to accept shipment will disqualify the order from the early order program. It is the intent of BEFCO to make shipments in accordance with requested time of shipment, whenever possible. It is inevitable at times, however that late shipments are made due to circumstances beyond our control. Orders placed after the Early Order deadline will be shipped at BEFCO's convenience.
10. Freight policy: a. All prices F.O.B. Rocky Mount, North Carolina. b. Pre-Season at BEFCO's convenience, the rate is published each year in the BEFCO Terms and Discounts freight rate section. c. No freight will be charged if the dealer picks up the machine at the Rocky Mount factory. d. Emergency / Urgent / In-season shipments will be shipped LTL freight collect. e. Units from depot will be shipped LTL Freight Collect. This is in addition to a back freight charge equal to the percentage of list price for the applicable Zone. f. All freight invoices are due Net 30 Days. Past due freight invoices will be charged the standard 1.5% per month Service Charge. g. BEFCO is not responsible for machines or parts damaged or lost in transit. h. The dealer is responsible for filing a freight claim with the trucking company for lost or damaged merchandise. i. Claims for misshipment, short shipments, or non conforming shipments are conclusively waived unless made in writing within ten (10) days of delivery to the dealer. j. Any applicable duties or tariffs will be the responsibility of and must be paid by the dealer or other party receiving the order. k. All parts orders are shipped F.O.B. Rocky Mount, N.C.
12. Complaints: In the event of complaints for the quality of goods, these complaints must be received by registered letter within ten (10) days from delivery. 12. Representation or implied warranty: Neither the Company nor any company affiliated with the Company makes any warranties, representations, or promises, expressed or implied, as to the quality, performance or application of its products other than those set forth herein and does not make any implied warranty of merchantability or fitness, which are expressly disclaimed.
13. Remedies exclusive: The only remedies the purchaser has in connection with the breach, or performance Company, or any company affiliated with the company be liable for: a. Injuries or damages of any kind or nature, direct, consequential or contingent to person or property. b. Any expense incurred by the owner to repair, replace or rework any allegedly defective item. c. Any loss, cost, forfeiture or damages (including loss of profits; loss of crops, loss because of delay in field operations; and expenses or loss incurred for labor, supplies, substitute machine rental; liabilities of the owner to his customers or third persons; and all other consequential damages, losses, liabilities or damages for any other reasons) whether direct or indirect, and whether or not resulting from or contributed to by the default or negligence for the Company, its agents, employees and subcontractors which might be claimed as the result of the use of failure of the equipment delivered. The Company's liability based on this limited warranty or any other applicable laws shall be limited to replacement or refund of the purchase price of the product. The limited warranty extended herein gives you specific rights and you may also have other rights which vary from State to State. Neither the dealer NOR the Company personnel has the authority to make any representation or to modify the items and limitations of this warranty in any way. Other than the limited warranty extended hereby, there is no other express warranty in connection with the design, sale or use of any of the Company's products except as to title. All implied warranties including warranty of merchantability or fitness are expressly disclaimed pursuant to the terms of this limited warranty.
