# Planet

Design: Sven Ivar Dysthe

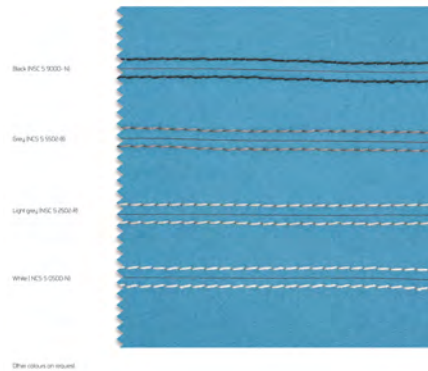

The Planet chair was designed by Sven Ivar Dysthe in 1965. The chair is an established Norwegian furniture classic, acknowledged internationally. The encompassing round shape provides a very pleasant/comfortable sitting experience. Planet chair comes with swivel base and optional tilting device for optimum functionality. This chair with its precise round shape complements interiors like the quiet room, reception areas, lounge and mingling areas, and at home.

Planet Vip is available with a soft tilt-forwards/backwards.
