Frontline Square - shelving & display

FRONTLINE SQUARE

The following pages will show basic configurations of Frontline Square - shelving and display.

Frontline Square can be used in different environments for display, storage, exhibition and more. The top plate which is also available in laminate can also serve as a worktable, display or a play area.

All standard models are equipped with 8 castors, so you can move the unit to the position you want. The flat shelves can be exchanged with 45 or 60 degree sloping shelves for display. The end panels are ideal for graphics and signage which can emphasize a theme, a classification or general information. This combined with colour can create the atmosphere you want to tempt your visitors to borrow books or just to enjoy their stay.

Frontline Square is available in veneer and painted configurations.

HEIGHTS

The shelving system comes in 4 heights; 92, 122, 152 and 182 cm. Heights exclude height of castor (H11 cm/Ø8 cm). The shelves are adjustable in 2.5 cm increments.

DEPTHS

The end panels come in 2 depths; 29 cm for 25 cm deep shelves; 34 cm for 30 cm deep shelves

WIDTHS

The shelving system comes with two shelf widths; 75 and 90 cm. The total width of the unit depends on your choice of both shelf width and shelf depth; 108.2, 113.2, 123.2 and 128.2 cm.
