Tri-One

Multi-Use Table Collection

Clearly Green

level®, BIFMA's sustainability certification program for furniture, is a comprehensive and transparent third-party certification program. The level mark attests that the product, the manufacturing facility, and the company responsible for the product brand, have been evaluated against the multi-attribute criteria of the ANSI/BIFMA e3 Furniture Sustainability Standard. Products certified under the level® program can be chosen with confidence. All Indiana Furniture case-goods and seating solutions are BIFMA level® 2 Certified.

A number of Indiana Furniture products have achieved Intertek's ETL Environmental VOC Certification and are recognized as products that safeguard indoor air quality. The certification — which extends to Elevate, Gesso, Revolutions, Madera, Resilience, Canvas, Tri-One, all Conference, Reception and Seating solutions, demonstrates that Indiana Furniture's products conform to the ANSI/BIFMA Furniture Emissions Standards (M7.1/X7.1-2011) for Office Furniture Systems and Components. They also earn points for LEED Credit 4.5.

Once cured by UV lighting, our UVAdvantage® finish does not emit irritable toxins, formaldehyde, or solvents into the air creating safe work environments within new furniture installations. This has allowed us to earn Indoor Air Quality Certification on our products with UVAdvantage finish. Our UVAdvantage finish process greatly reduces hazardous air pollutants which contribute to smog formation. Excess UV finish is recaptured over and over again reducing waste material within our facilities.

Forest Stewardship Council® (FSC®) Chain-of-Custody(CoC) Certification is an assurance that wood based materials used in products come from forests that meet stringent environmental, social, and economic standards. It is the path taken by raw materials from the forest to the consumer, including all successive stages of harvesting, processing, manufacturing and distribution. Only products from FSC CoC companies can claim the FSC designation, assurance of a socially and environmentally responsible purchasing decision. FSC CoC Certification is recognized by the U.S. Green Building Council's (USGBC) LEED Rating System for environmentally focused design. From a customer perspective, the FSC label represents a promise made; CoC standards are the mechanism FSC uses to ensure that promise is delivered. Indiana Furniture has been awarded FSC CoC Certification, by GFA Certification GmbH, an independent third-party accredited by the FSC to certify companies to their international standards. The certification (certificate number GFA-COC-002183; license code FSC-C110951) is available on most Indiana Furniture products.

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. (“**Indiana Furniture**”) warrants to the original purchaser all product in this price list (“**Product**”) to be free from defects in material and workmanship given normal use for a twelve year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture’s sole discretion) any Product, part, or component covered by this warranty and sold after November 21, 2016, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part or component.

Warranty periods are limited for certain Products and parts as follows:

12-year Warranty (from the date of manufacture)

- Seating Mechanisms
- Veneers
- Laminates
- Casters and Glides

5-year Warranty (from the date of manufacture)

- Triple Play Series
- Electrical Components
- Pneumatic Cylinders
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard kits
- Lighting

2-year Warranty (from the date of manufacture)

- All Sit-To-Stand Mechanisms

THIS WARRANTY DOES NOT COVER:

- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness or any other attribute of customer’s own materials or any non-standard Indiana Furniture material (including Maharam, Momentum, Mayer, UltraFabrics) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, you should contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.

ORDERING INFORMATION

All orders should be emailed to neworders@indianafurniture.com. Orders can be faxed to 812-482-9035. Orders can also be mailed to:

Indiana Furniture
P.O. Box 270
1224 Mill Street
Jasper, IN 47547-0270

ORDER PROCEDURE

All orders must include purchase order number, billing address, ship-to address and phone number, and any special instructions.

When ordering casegoods, give complete quantity, model number, finish and any other options. When ordering seating, give complete quantity, model number, finish, fabric and any other options.

Within each series, an example of "How to Order" is illustrated at the bottom of each page. For further clarification of order procedure, contact Customer Service.

PRICING

All prices shown are suggested retail prices F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices prevailing at time of shipment, unless acknowledged prior to the effective date of the price change, in which case billing will be at the price acknowledged.

ACKNOWLEDGEMENT

All orders will be acknowledged promptly, showing how the order was entered, its approximate shipping date and other pertinent information. This acknowledgement is the final agreement between the customer and Indiana Furniture and is the exclusive statement of the terms thereof. Please examine this acknowledgement carefully and advise Indiana Furniture immediately of any discrepancies.

BUYER'S OBLIGATION: RIGHTS OF SELLER

If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS AND CHANGES

Due to immediate production on build to order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN AND SPECIFICATION CHANGES

Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice.

REPAIR CHARGES

Indiana Furniture will only pay repair charges if Customer Service gives prior written authorization. No repair charge will be paid without advance approval at which time you will be issued a repair authorization number that will allow you to invoice Indiana Furniture for the completed work.

WAREHOUSE STORAGE CHARGES

If a shipment is held beyond 14 calendar days at your request a **.067% per calendar day** (2% per month) storage charge will be assessed. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

Obvious Damage/Missing Cartons - Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage - If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within **15 calendar days of delivery**. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered 1/3 by the carrier and 2/3 by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truckloads.

RETURN MERCHANDISE

Merchandise will not be accepted for return without an RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a \$250 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a \$500 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Orders of less than 750 pounds will be assessed a handling charge of \$75.00 Net Per Order. (This will be waived for items shipped via a small package carrier.)

BIFMA AND ANSI TESTING

Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI standards.

Specifications

TOPS

Tops are 1-3/16" thick select grade sliced hardwood veneers in Cherry, Maple, American Black Walnut, and composite veneers. Tops are available in Square Edge (H) profile with 1.5mm edge banding. Tops are pre-drilled for the specified base assembly and for ganging applications.

LEG ASSEMBLY

All leg styles are powder-coated aluminum and include a 5mm steel mounting plate. Envy style legs are aluminum extrusion while Vantage style legs are steel welded. Envy Y-Legs include troughs which act as modesty panels and route cables cleanly to the legs where a removable panel provides access. All legs include adjustable glides or casters.

GANGING

All modular conference tables are pre-drilled with threaded inserts for ganging applications. Ganging brackets include quick release thumb screws for ease of use. No tools required.

POWER PORTS

Power ports are available for under-surface mount or routed into work surfaces. Units comply with FCC Part 15A and UL. Both standard plugs and daisy-chain connections are offered. Daisy chain applications are non-sequential and connect up to 8 modules.

Specifications

TOPS

Tops are 1-3/16" thick select grade sliced hardwood veneers in Cherry, Maple, American Black Walnut, and composite veneers. Tops are available in Knife Edge (K) profile with 1.5mm edge banding. Tops are pre-drilled for the specified base assembly and for ganging applications.

LEG ASSEMBLY

All leg styles are powder-coated aluminum and include a 5mm steel mounting plate. Envy style legs are aluminum extrusion while Vantage style legs are steel welded. Envy Y-Legs include troughs which act as modesty panels and route cables cleanly to the legs where a removable panel provides access. All legs include adjustable glides or casters.

GANGING

All modular conference tables are pre-drilled with threaded inserts for ganging applications. Ganging brackets include quick release thumb screws for ease of use. No tools required.

POWER PORTS

Power ports are available for under-surface mount or routed into work surfaces. Units comply with FCC Part 15A and UL. Both standard plugs and daisy-chain connections are offered. Daisy chain applications are non-sequential and connect up to 8 modules.

WIRE MANAGEMENT GROMMET

Optional black grommets are available in Modular Conference Tops. Please specify any combination of Left, Right, and Center and add \$47 list for each grommet.

Specify & Add: GL – Grommet Left
GR – Grommet Right
GC – Grommet Center

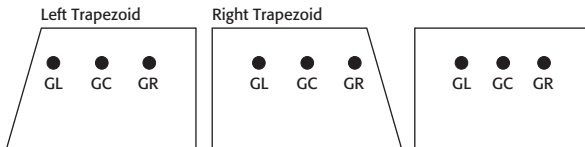

Grommets may be ordered in non-standard locations. Please call Customer Service to assist with how to order and additional lead time requirements.

24" Modular Conference Tables

GL/GR – 10" from end based on widest dimension, 13 3/8" from user side
GC – Grommet Center – 13 3/8" from user side

30" Modular Conference Tables

GL/GR – 10" from end based on widest dimension, 19 3/8" from user side
GC – Grommet Center – 19 3/8" from user side

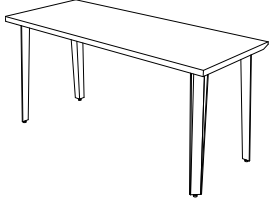

POWER ACCESSORIES

Indiana Furniture offers Power Accessories for modular conference tops, and rectangular, ellipse or view meeting tables that can be mounted below the worksurface or in the worksurface top. Power Accessories that include a bezel frame will be routed for field placement at no additional charge. See pages 92-97 to specify and order Power Accessories.

Power Accessories will be routed on center, left to right:

- 24" Modular Conference Tables – 13 3/8" from user side
- 30" Modular Conference Tables – 19 3/8" from user side
- Meeting Tables – On center, front to back

Specifications

TOPS

Tops are 1" thick thermally-fused laminate (TFL) or 1-3/16" high-pressure laminate (HPL) fused to particle-board core. Select from solid color, patterned, and wood-grained laminates, including textured laminates. A Square Edge (Y) profile is available on TFL and HPL standard laminates with a 3mm PVC rim. The Square Edge (H) profile on Textured TFL and HPL is 1mm. Training and Modular Conference tops feature shaped profiles on the user side while meeting tables are shaped on four sides. Tops are pre-drilled for the specified base assembly and for ganging where applicable.

LEG ASSEMBLY

All leg styles are powder-coated aluminum and include a 5mm steel mounting plate. Envy style legs are aluminum extrusion while Vantage style legs are steel welded. Envy C-Legs and Envy Y-Legs include troughs which act as modesty panels and route cables cleanly to the legs where a removable panel provides access. Vantage T-Legs are equipped with a stretcher rail for secure support. All legs include adjustable glides or casters.

FLIP MECHANISM

Indiana Furniture's training tables offer an exclusive flip mechanism design which can be accessed from any position. Optional flip mechanisms are factory installed and must be specified at the time of order.

GANGING

All training tables and modular conference tables are pre-drilled with threaded inserts for ganging applications. Ganging brackets include quick release thumb screws for ease of use. No tools required.

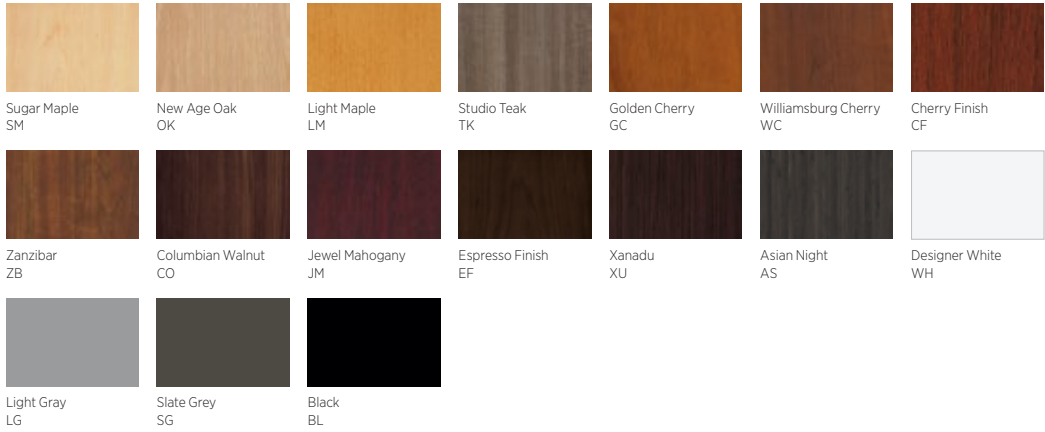

POWER PORTS

Power ports are available for under-surface mount or routed into work surfaces. Units comply with FCC Part 15A and UL. Both standard plugs and daisy-chain connections are offered. Daisy chain applications are non-sequential and connect up to 8 modules.

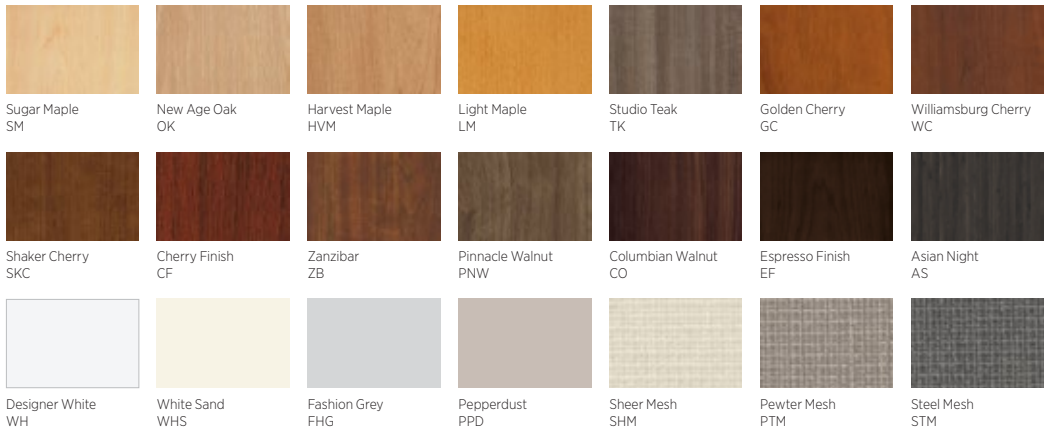

Laminate Options

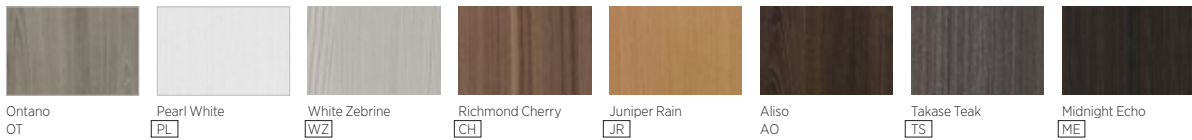

STANDARD TFL (T) - MUST SPECIFY

STANDARD HPL (P) OPTIONS - MUST SPECIFY

TEXTURED TFL (TXT) AND HPL (TXP) OPTIONS - MUST SPECIFY

Available in High Pressure Laminate Tops. (P)

Edge Options

Square
Y/H

Textured TXT and TXP options are available with H square edge only.
Standard HPL and TFL options are available with Y square edge only.

WIRE MANAGEMENT GROMMET

Optional black grommets are available in Training Tables and Modular Conference Tops. Please specify any combination of Left, Right, and Center and add \$47 list for each grommet.

Specify & Add: GL – Grommet Left
 GR – Grommet Right
 GC – Grommet Center

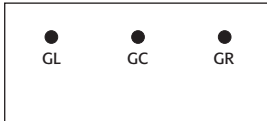

Grommets may be ordered in non-standard locations. Please call Customer Service to assist with how to order and additional lead time requirements.

18" Training Tables

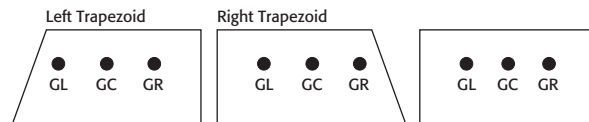

GL/GR – 10" from end, 12" from user side
 GC – Grommet Center – 12" from user side

24" Training Tables

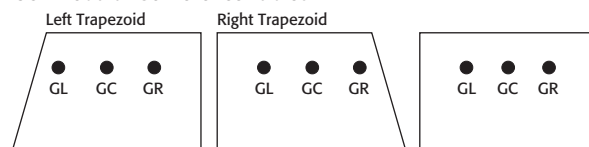

GL/GR – 10" from end, 16.5" from user side
 GC – Grommet Center – 16.5" from user side

30" Training Tables

GL/GR – 10" from end, 20" from user side
 GC – Grommet Center – 20" from user side

24" Modular Conference Tables

GL/GR – 10" from end based on widest dimension, 13 3/8" from user side
 GC – Grommet Center – 13 3/8" from user side

30" Modular Conference Tables

GL/GR – 10" from end based on widest dimension, 19 3/8" from user side
 GC – Grommet Center – 19 3/8" from user side

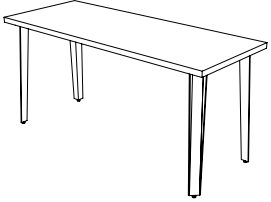

POWER ACCESSORIES

Indiana Furniture offers Power Accessories for training tables, modular conference tops, and rectangular, ellipse or view meeting tables that can be mounted below the worksurface or in the worksurface top. Power Accessories that include a bezel frame will be routed for field placement at no additional charge. See pages 92-97 to specify and order Power Accessories.

Power Accessories will be routed on center, left to right:

- 18" Training Tables – 12" from user side
- 24" Training Tables – 16.5" from user side
- 30" Training Tables – 20" from user side
- 24" Modular Conference Tables – 13 3/8" from user side
- 30" Modular Conference Tables – 19 3/8" from user side
- Meeting Tables – On center, front to back

Specifications

TOPS

Tops are 1-3/16" high-pressure laminate (HPL) fused to particle-board core. Select from solid color, patterned, and wood-grained laminates, including textured laminates. Knife Edge (K) profile is available on HPL tops featuring a 3mm PVC rim on all standard laminates. Training and Modular Conference tops feature shaped profiles on the user side while meeting tables are shaped on four sides. Tops are pre-drilled for the specified base assembly and for ganging where applicable.

LEG ASSEMBLY

All leg styles are powder-coated aluminum and include a 5mm steel mounting plate. Envy style legs are aluminum extrusion while Vantage style legs are steel welded. Envy C-Legs and Envy Y-Legs include troughs which act as modesty panels and route cables cleanly to the legs where a removable panel provides access. Vantage T-Legs are equipped with a stretcher rail for secure support. All legs include adjustable glides or casters.

FLIP MECHANISM

Indiana Furniture's training tables offer an exclusive flip mechanism design which can be accessed from any position. Optional flip mechanisms are factory installed and must be specified at the time of order.

GANGING

All training tables and modular conference tables are pre-drilled with threaded inserts for ganging applications. Ganging brackets include quick release thumb screws for ease of use. No tools required.

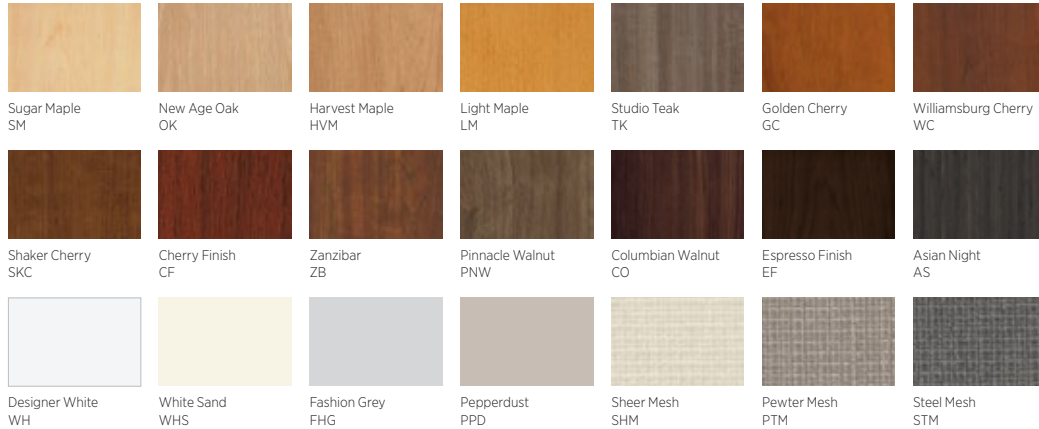

POWER PORTS

Power ports are available for under-surface mount or routed into work surfaces. Units comply with FCC Part 15A and UL. Both standard plugs and daisy-chain connections are offered. Daisy chain applications are non-sequential and connect up to 8 modules.

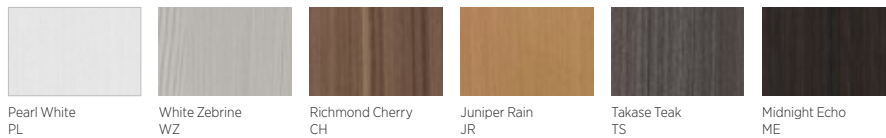

Laminate Options – Tops and Modesty Panels

WIRE MANAGEMENT GROMMET

Optional black grommets are available in Training Tables and Modular Conference Tops. Please specify any combination of Left, Right, and Center and add \$47 list for each grommet.

Specify & Add: GL – Grommet Left
 GR – Grommet Right
 GC – Grommet Center

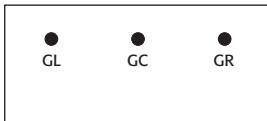

Grommets may be ordered in non-standard locations. Please call Customer Service to assist with how to order and additional lead time requirements.

18" Training Tables

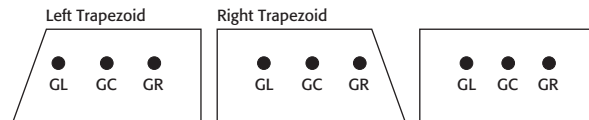

GL/GR – 10" from end, 12" from user side
 GC – Grommet Center – 12" from user side

24" Training Tables

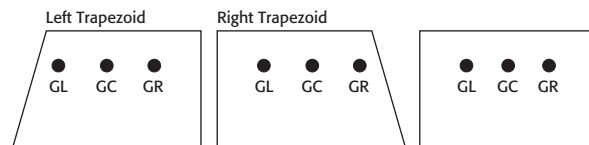

GL/GR – 10" from end, 16.5" from user side
 GC – Grommet Center – 16.5" from user side

30" Training Tables

GL/GR – 10" from end, 20" from user side
 GC – Grommet Center – 20" from user side

24" Modular Conference Tables

GL/GR – 10" from end based on widest dimension, 13 3/8" from user side
 GC – Grommet Center – 13 3/8" from user side

30" Modular Conference Tables

GL/GR – 10" from end based on widest dimension, 19 3/8" from user side
 GC – Grommet Center – 19 3/8" from user side

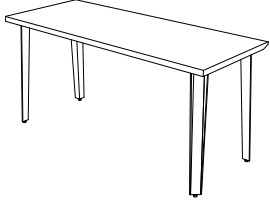

POWER ACCESSORIES

Indiana Furniture offers Power Accessories for training tables, modular conference tops, and rectangular, ellipse or view meeting tables that can be mounted below the worksurface or in the worksurface top. Power Accessories that include a bezel frame will be routed for field placement at no additional charge. See pages 92-97 to specify and order Power Accessories.

Power Accessories will be routed on center, left to right:

- 18" Training Tables – 12" from user side
- 24" Training Tables – 16.5" from user side
- 30" Training Tables – 20" from user side
- 24" Modular Conference Tables – 13 3/8" from user side
- 30" Modular Conference Tables – 19 3/8" from user side
- Meeting Tables – On center, front to back

BASE	10	08-1828CLC72	Optional Caster	Soft Caster
DATA	10	01-PDUUNDERW		
	2	01-PPOWER		
	5	01-2JUMP		

Specifications

TOPS

Tops are 1-3/16" high-pressure laminate (HPL) fused to particle-board core. Select from solid color and patterned laminates. The Comfort (U1) profile and the Ultra-Flex (U2) profile are urethane edges in coordinating colors. Training tops feature shaped profiles on the user side only. Tops are pre-drilled for the specified base assembly and for ganging where applicable.

LEG ASSEMBLY

All leg styles are powder-coated aluminum and include a 5mm steel mounting plate. Envy style legs are aluminum extrusion while Vantage style legs are steel welded. Envy C-Legs and Envy Y-Legs include troughs which act as modesty panels and route cables cleanly to the legs where a removable panel provides access. Vantage T-Legs are equipped with a stretcher rail for secure support. All legs include adjustable glides or casters.

FLIP MECHANISM

Indiana Furniture's training tables offer an exclusive flip mechanism design which can be accessed from any position. Optional flip mechanisms are factory installed and must be specified at the time of order.

GANGING

All training tables are pre-drilled with threaded inserts for ganging applications. Ganging brackets include quick release thumb screws for ease of use. No tools required.

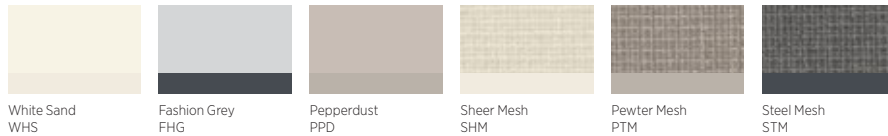

POWER PORTS

Power ports are available for under-surface mount or routed into work surfaces. Units comply with FCC Part 15A and UL. Both standard plugs and daisy-chain connections are offered. Daisy chain applications are non-sequential and connect up to 8 modules.

Laminate Options – Tops

STANDARD HPL (P) WITH URETHANE EDGES – MUST SPECIFY

Laminate Options – Modesty Panels

TFL (T) – MUST SPECIFY

HPL (P) – MUST SPECIFY

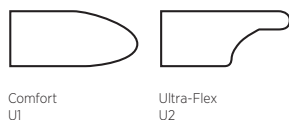

TEXTURED TFL (TXT) AND HPL (TXP) – MUST SPECIFY

Note: See Tri-One Laminate – Square Edge for more laminate options for modesty panels.

Edge Options

WIRE MANAGEMENT GROMMET

Optional black grommets are available in Training Tables. Please specify any combination of Left, Right, and Center and add \$47 list for each grommet.

Specify & Add: GL – Grommet Left
GR – Grommet Right
GC – Grommet Center

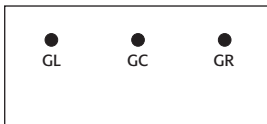

Grommets may be ordered in non-standard locations. Please call Customer Service to assist with how to order and additional lead time requirements.

24" Training Tables

GL/GR – 10" from end, 16.5" from user side
GC – Grommet Center – 16.5" from user side

30" Training Tables

GL/GR – 10" from end, 20" from user side
GC – Grommet Center – 20" from user side

POWER ACCESSORIES

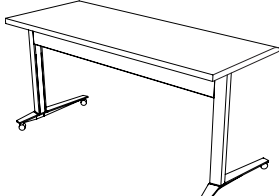

Indiana Furniture offers Power Accessories for training tables that can be mounted below the worksurface or in the worksurface top. Power Accessories that include a bezel frame will be routed for field placement at no additional charge. See pages 92-97 to specify and order Power Accessories.

Power Accessories will be routed on center, left to right:

- 24" Training Tables – 16.5" from user side
- 30" Training Tables – 20" from user side
