NOTE: NON-OAK PRODUCTS CARRY MANUFACTURER'S WARRANTY**NOTES:**

- Key System Cabinets are Ethernet enabled, include Global Facility Management Software License, one set of tamper-proof rings equivalent to the number of key positions in the cabinet plus two additional rings. All New Cabinets are provided with a Limited 1 Year Warranty which includes replacement parts, technical and software phone support.
- Installation: Completed by End-User. Consists of mounting cabinet(s), running all communication cabling, and connection of the 110V AC. A 110V AC cord is supplied; however, we strongly suggest the cabinet be hard wired to a dedicated, conditioned power source.
- Annual Warranty Contracts are available after initial 12 month warranty. Price varies depending on box and features and is approximately equal to 10% of the initial price of the box.
- Key System Boxes comes Less Cores, Cores have to be purchased separately.
