

# PRODUCTION COLLECTION

PRSS-124 and PRS-36. Georgetown, Texas, USA.

This versatile seating provides comfort and aesthetic appeal. Steel rod seating offers many touch points, enhancing the overall comfort of the bench. The space between the rods increases bench transparency, allowing sight of the installation behind the bench.

PRS-10. Optional recycled plastic slats.

PRSSNA-10. Wood slats.\*

SDRTC-40.

## CONTINUOUS SEATING

Used individually, these benches accent architectural curves. Combined to form one continuous bench, they flow with the unique contours of your site.

*Continuous curves with a shared center leg frame.*

*Continuous seating includes factory welded adjoining center leg.*

*Continuous sections must be specified at time of order.*

The refined look of our cafe table & stylish curves of our cafe chairs create a functional & enjoyable set. Their weight and durability ensure years of comfort and aesthetic appeal.
