furnitureadvantage™
QUICK. SIMPLE. DIRECT.

The FurnitureAdvantage™ section (tabbed-FurnitureAdvantage™) features over 15,000 quick ship furniture and accessory items to help you outfit your ideal workspace. These items are generally available within 14 business days. Plus our specialists can assist you with everything from concept to completion. Please note that the prices shown in this expanded offering section are the manufacturers' suggested retail prices, not the actual prices you'd pay. Be sure to contact us for your special discounted prices!

In Stock

The In-Stock section (tabbed-Furniture) of this catalog features items that are available for immediate delivery. Whether you're looking for classic, contemporary, traditional or somewhere in between, we have the solution. All items in this section are stocked for local, regional and national delivery. While we show thousands of items in this section, it's only a small portion of our complete assortment of furniture and office accessories. If you don't find what you need, visit our website or give us a call.

Great Selection

We have a huge selection of top-quality office furniture from the leading manufacturers in the business. In this catalog, you'll find over 18,000 items to choose from including office suites, desks, seating, storage, filing, desk accessories, boards and much more!

We Mean Green

We offer a wide variety of environmentally friendly office furniture. Look for these icons for environmental qualities on select items.

Indicates item is made from recycled material.

Product has been certified for recycled content and meets the most stringent EPS standards for providing measurable and significant environmental benefit over typical products in the same category. Gold certification ensures that individuals' exposure to VOCs (Volatile Organic Compounds) does not exceed certain levels.

Product is certified for low chemical and particle emissions that meet indoor Air Quality pollutant guidelines.

Complies with the air pollution standards set by the California Air Resources Board.

Product is certified for low VOC emissions.

Conducts quarterly inspections and testing for ETL Listings. Ensures that products meet quality, health, environmental and safety standards.

Developed by BIFMA, level is a voluntary certification program in which third-party auditors measure a product and its producer against the ANSI/BIFMA e3 Furniture Sustainability Standard. Products can be awarded a level 1, level 2 or level 3 conformance mark based on the combined score achieved in their sustainability evaluation.

You Have Options

If you don't see the fabric or finish you like, give us a call. We have thousands of choices available.

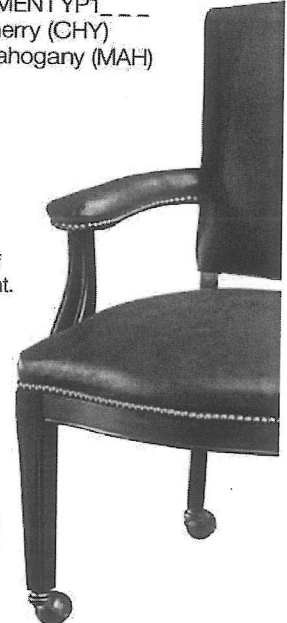

How to Order

furnitureadvantage™
QUICK. SIMPLE. DIRECT.

Welcome to our
catalog showroom.

In this section (tabbed-FurnitureAdvantage™), you'll find our expanded furniture offering featuring a wide selection of office suites, seating, panel systems and more.

Whether your taste runs traditional or contemporary, you're sure to find the fabric, fit and finish to suit your needs. While we don't carry these items in our local warehouse for immediate delivery, they're just a phone call away so in most cases you can expect delivery within 10-14 business days.

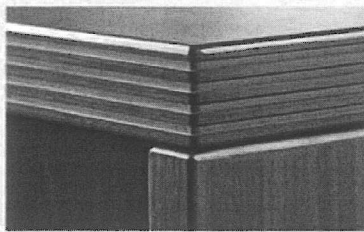

We think you'll like the
selection and the price.

Speaking of price, please remember that this section of the catalog features manufacturers' suggested retail prices, not the discounted prices you'll pay. We offer quantity discounts so give us a call and one of our helpful and experienced furniture consultants will assist you in finding the perfect office furniture solution.

CO|HO

Inspired by the interactions that take place at a coffee house, CO|HO brings casual collaboration and to the office with soft, rounded top shapes and non-obstructive feet and legs for a comfortable user interaction. Power sources are hidden distinctly under the table preserving the beauty and function of the table top.

Share Space offers everything you need in a training and multi-purpose series. Table features include:

- Casters for mobility, flip tops for nesting storage
- Variety of top shapes for multiple configurations
- Ability to string up to six tables on one power source to keep cords and plugs to a minimum.

Share Space seating is a key differentiator with it's patented flex-back design. No bulky mechanical springs that ware; we used a urethane material similar to what is used in automotive break pads.
