BOARDS - Glass Magnetic

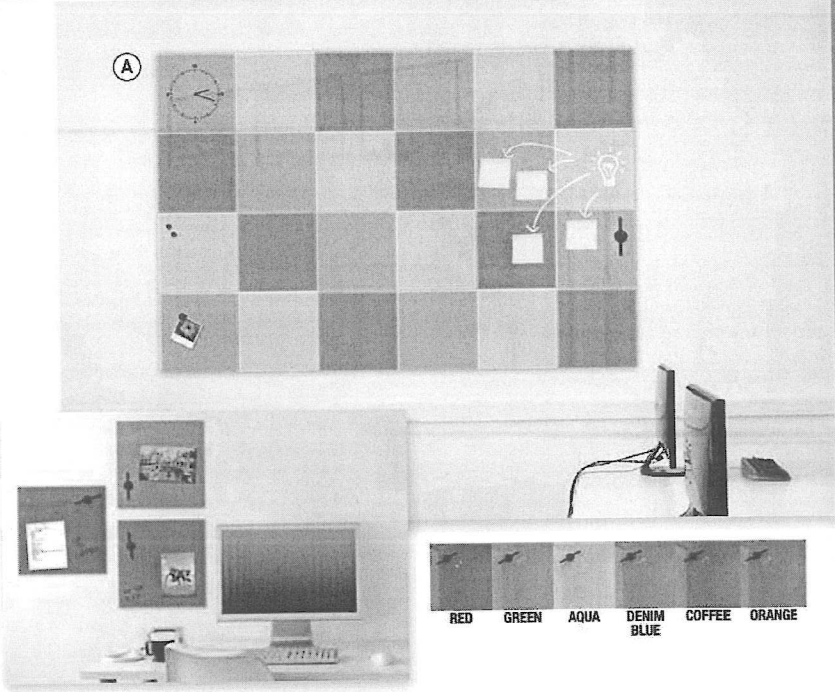

A. Mosaic Magnetic Glass Whiteboard

- Add color, pattern and a functional collaboration space with these magnetic 16" x 16" dry-erase glass squares
- Can be hung individually, butted together to create one large board or mixed and matched to create virtually endless patterns and designs
- Surface and coloration are engineered to have ideal optical qualities and exhibit good depth of field, good contrast, and ambient light toleration
- Compatible with any dry/wet erase marker, grease pen, etc. and easily cleans without ghosting or staining
- Accepts Rare Earth magnets
- Concealed keyhole mounting brackets maintain the clean lines
- Includes black marker and magnetic eraser

Storage Made Easy

Ventilated Lockers Constructed of heavy-duty gauge steel for complete rigidity. Diamond-shape ventilation slots ensure continuous airflow from all three sides of the locker. Interior visibility makes it easy to identify undesirable contents. Features a lightweight, low-friction latching mechanism that opens more easily and smoothly than traditional latches. Locker handles are recessed inside the door face. Opening size is 12" wide and 18" deep. Single tier includes three coat hooks and a coat rod per opening. Double tier includes three coat hooks per opening.

Available in Medium Gray (MG) or Sand (SD).

STORAGE & FILING - High Density

Ez2 Rotary File – Letter Depth

A highly efficient, double-sided rotary storage solution that rotates 360 degrees. Allows for storage of files, binders, office supplies and more. Can be accessed from both sides, which expands the amount of places in which it can be used. Adjustable shelves with adjustable dividers allows for just about anything to be stored. Starter units come with end panels. Adder units can be easily added to either side of the original unit to expand. Locking feature meets HIPAA security compliances.

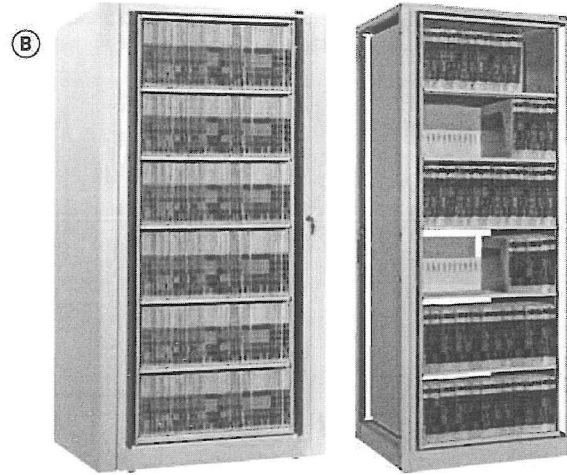

Available in Bone White (T15) and Light Gray (T47).

C. MobileTrak3 Have a small space that you need to maximize storage in? Think you don't have enough room or overhead clearance for a MobileTrak System because of low ceilings, obstructions, or sprinkler systems? Think again. With the MobileTrak3 System, you get all the same features of our MobileTrak5, but perfectly suited for smaller applications. Available in carriage lengths up to 20' and widths up to 36". Like it's bigger brother, it's compatible with all of our shelving lines.

D. MobileTrak5 MobileTrak5 gives you the flexibility you've been waiting for in a storage system. Now you can reduce space requirements by 50% or more while accentuating the interior design and architectural structure. The MobileTrak5 becomes part of the surrounding design rather than looking out of place. Less space, more capacity and better aesthetics!

STORAGE & FILING - Flat & Hanging Files

FurnitureAdvantage™

Extended Product Offering

Flat Files Heavy-duty welded steel files. Store your valuable blueprints, drawings, artwork, maps and other flat materials neatly and safely. Museum/archival quality paint finish ensures that there is no outgassing. Lock secures all drawers. Includes hinged paperweights in drawer fronts and hoods at rear to keep papers from curling. Drawers slide smoothly on ball bearing rollers. Stack files on optional 6" high closed base or on 20" high open base that includes a lower shelf for extra storage.

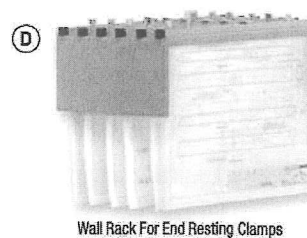

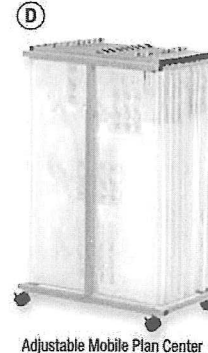

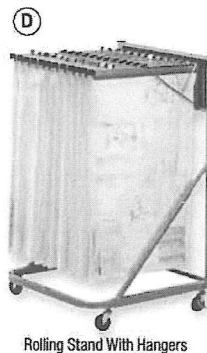

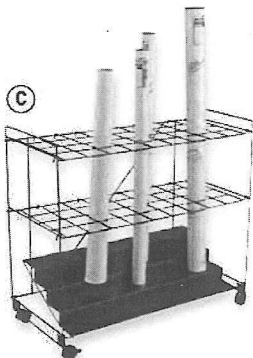

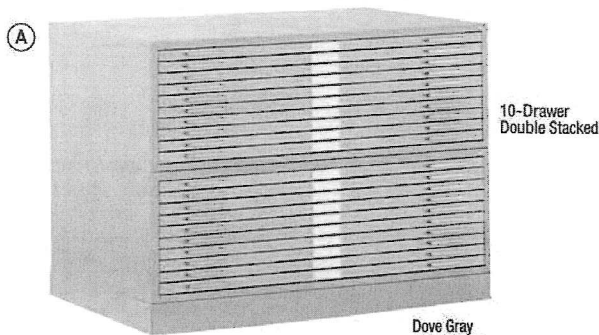

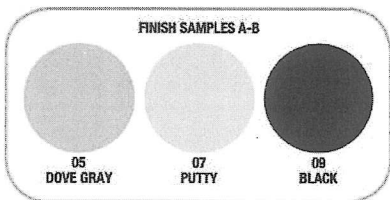

Flat files are available in Dove Gray (05), Putty (07) and Black (09).

A. 10-Drawer Files
