

Wood Designs™

EARLY LEARNING FURNITURE

PRODUCTS TO ENCOURAGE IMAGINATION & EDUCATION™

Welcome

Enclosed you will find our most popular products as well as many new and exciting items. We appreciate the opportunity to share with you the many features that more and more people are discovering about our company and the products we manufacture.

As an American manufacturer, located in North Carolina, everyone at Wood Designs strives to continually provide the highest quality products and customer satisfaction. We promise to provide some of the safest, strongest, and most aesthetically pleasing furniture for early learning environments by using the best materials, strongest construction, and imaginative design, in our state of the art manufacturing facilities.

We meet this pledge by using the world's best plywood for manufacturing our furniture. We then cover all surfaces and backs with our TUFF-GLOSS™ UV Finish which is designed to be extra durable and scratch resistant. Our mortise glue-steel pin joinery provides maximum strength and aesthetic appeal. Before sending the product to you they are hand inspected for quality and correctness each and every time before being placed in heavy duty packaging to help ensure a safe arrival.

Perhaps the best news of all- We provide high quality furniture with fast and dependable shipping. We continue to maintain the fastest ship times in the industry- with an average less than 4 days. Even in those busy summer months.

Want a more personal touch as you browse for your product? Please feel free to give our customer service team a call. You will not hear an automated answering service but an actual knowledgeable team member who's ready to assist. Also, take a look at our website, www.wooddesigns.com, for even more product selection.

Before you begin looking at our products, we welcome you to review the next few pages to learn about the qualities of our company and products.

*Thank you for choosing Wood Designs.

SO MUCH MORE THAN FURNITURE...

CUSTOM SOLUTIONS

Our Customs Team is always on call for quick and easy solutions for that hard to find product. When your idea meets our design, we get a custom solution.

GREENGUARD GOLD CERTIFIED

Wood Designs™ furniture is Greenguard® Gold certified to ensure that our products are safe and healthy for indoor environments.

CLASSROOM LAYOUTS

Our experienced staff will assist your sales team in designing the perfect classroom.

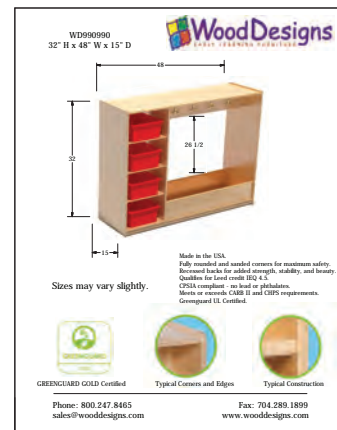

TIP-ME NOT

TIP-ME-NOT

Our TIP-ME-NOT line of products uses counter-balancing weights to prevent products from tipping over. A lower center of gravity means no more top-heavy products.

SPECIFICATION SHEETS

Every sheet includes photos, line drawings, product descriptive copy and a full list of dimensions, certifications, features and benefits.

TIP-NOT WALL ATTACHMENT HARDWARE

This hardware comes standard with every unit that is 36" or taller, helping to prevent larger pieces of furniture from being pulled or tipped over.

NEW!

BENTWOOD

Bentwood high pressure laminate shell and legs for strength and stability. High pressure laminate makes these chairs the ultimate in durability and resistance to fading over time. Chairs receive a (10) year warranty.

INCREIBLE COTS

**OUR INCREIBLE COTS
REALLY ARE INCREIBLE**

No closed off corners means no more cracks, no more splits, no more broken cots.

Pick the cots up from any side and at any angle! Stuck corners are a thing of the past!

ABS plastic! That's strength you can rely on!

100% baltic birch plywood carrier supported by heavy-duty locking casters!

WOOD DESIGNS INCREDIBLE COT

Preserve valuable classroom space with Wood Designs' space saving cot design. Strong anti-sagging vinyl mesh fabric, and extra strong ABS plastic for all corners*. Our cots are heavy duty, powder coated blue with 16-gauge, metal, bend resistant rails, and a combination of heat-sealed and sewn seams for ultimate durability. Vinyl mesh fabric is removable and machine washable with hook and loop closure at the foot end to ensure a taut sleeping surface. Exceeds CFR-115/116 Flammability standards. Imported.

10 year warranty.

CONTENDER™

READY TO ASSEMBLE

CONTENDER™ products offer the solution for those times when high quality furniture is needed but funds are in short supply. Every Contender product uses the same superior birch plywood and Tuff-Gloss UV finish that is used for all Wood Designs products. The main Contender differences are slightly smaller sizes to accomplish better raw material yields and unique assembly techniques featuring mortise and secure fastener construction. Products are available factory assembled or ready for easy customer assembly. Contender products carry a GREENGUARD® GOLD certification, are available for LEED credits, and carry our LIFETIME WARRANTY. MADE IN THE USA at our North Carolina factory.
