Mat Sizes

All sizes are approximate. Carpet surfaces have a 1% tolerance in width and length. All vinyl-backed mats are finished with a factory edge unless specified at the time of order. On all custom widths, we charge cut pricing levels for the full standard width of each product (e.g., on a 42" mat, we will charge for a full 48"). In addition, we charge to the next highest 1' increment for special lengths (e.g. on a 5' 6" mat, we will charge for a full 6' length) and we do not produce below 1" increments. Edging and nosing widths are included in calculating complete mat sizes.

Pricing & Packaging

All prices are FOB shipping point. Prices are subject to change without notice. All individual mats are packaged one unit per carton, unless specified on your order. Roll goods are shipped with an inner core and high-quality wrapping.

Returned Goods Policy

Requests for all returns of merchandise must be made to our Credit & Return Department. All returned goods will be assessed a 30% restocking charge and freight must be pre-paid. Returns can be made up to 30 days after the original ship date. Please contact our Credit & Return Department at 800-628-7462 for a Return Materials Authorization (RMA). Items returned without authorization or by collect freight will be refused. Items produced to customer specification, custom cuts, specialty items, logos, discontinued items, seconds, obsolete and used products are non-returnable.

Warranty

Mats Inc. provides a basic warranty against defects on all floor mat products featured in our catalog for a period of one year. Please ask your Sales Representative about extended warranty protection on specific products. The product must be maintained according to the maintenance instructions. This warranty does not cover cuts, burns, shedding, pilling, staining, soiling, matting of fiber, fading or flattening of the pattern, or fiber loss due to abnormal use or application. Fiber loss is defined as pile reduction that exceeds 15% in any one area, or to the point the backing is showing through to the top of the mat. This warranty does not cover nosing. The obligation under this warranty is limited to the original user and to the replacement, repair, or pro-rated refund of said product. Materials must be returned freight prepaid when requested for inspection to obtain this warranty. Freight charges will be credited when goods are deemed warrantable. The labor costs of removing and/or reinstalling replacement materials and associated freight costs are not part of this warranty. Mats Inc. reserves the right to determine final warranty coverage.
