

The background of the top half of the page is a dense, overlapping pattern of various sizes of interlocking gears. The gears are rendered in shades of gray and black, with some showing highlights and shadows to give them a three-dimensional appearance. A semi-transparent white horizontal band is overlaid on the top portion of the gears, containing the title and date.

## PRIVATE LABEL

---

### PRIVATE LABEL ARTWORK

Artwork cannot begin until an order has been placed and all logos, graphics, layouts and samples are received. Logos and graphics can be sent in the form of .tif or .eps files on disc or via e-mail to info@questspecialty.com. A proof of your label will be e-mailed or faxed in approximately five working days. Basic private label tech sheets in an editable format are available for \$25.00 each. Custom private label tech sheets, SDSs, flyers, and line art are available at \$60.00 per hour.

### PRESSURE SENSITIVE LABELS

If pressure sensitive labels are digitally printed, there are no plate charges. In some cases digitally printed labels cannot be used and there will be plate charges of \$75.00 per color per label on all new orders and changes requested by the customer. QuestSpecialty will order sufficient labels and stock for your orders. Any labels not used within one year will be invoiced at cost. Please allow six weeks on first orders for art preparation and plates, if required, to be produced.

# ***TERMS, PACKAGING & WARRANTY***

---

## ***MINIMUM ORDER***

QuestSpecialty requires a minimum order of \$100.00.

## ***TERMS OF SALE***

Net 30 days from date of shipment with approved credit. Without approved credit, orders must be prepaid.

Prepayment can be made by check, EFT, MasterCard, or Visa credit cards. This charge will be processed against the credit card when the order is placed.

## ***FREIGHT TERMS***

All shipments within the continental United States and Canada are shipped freight prepaid from QuestSpecialty. The freight charges will be added to your invoice. If payment is received within terms, the freight can be deducted on orders of \$1,500. Customer owns the merchandise once picked up at our dock by the freight carrier. QuestSpecialty reserves the right to select the carrier when freight charges are paid by QuestSpecialty. When the customer selects the freight carrier, all shipments will be collect.

### **ADDITIONAL FREIGHT SERVICE CHARGES:**

Our prepaid freight program does not include absorbing the cost for special charges. Examples of such incidental charges may include, but are not limited to, charges for lift gate, hazardous fee, custom broker fees, high cost location, construction site, notification of delivery, residential and inside deliveries. If any of these charges occur on any shipments they will be added to the invoice or invoiced separately and considered non-deductible.

## ***DAMAGED SHIPMENTS***

On prepaid shipments, the customer must note damage upon receipt and immediately contact QuestSpecialty to allow us to file a claim for damages. Failure to notify QuestSpecialty of damages will result in customer's full responsibility for loss. Any claim for lost shipments will be handled by QuestSpecialty.

On collect shipments, the customer must file the claim with the freight company for any damages or lost shipments. QuestSpecialty will be pleased to assist the customer with the claim.

## ***DROP SHIPMENTS***

All drop shipments will be sent freight prepaid unless otherwise specified. A \$2.00 per box handling fee will be added to all Fedex shipments due to special packaging requirements. For hazardous materials, there will be a \$30.00 upcharge per box shipped via Fedex ground, and whatever QuestSpecialty is charged per box shipped via Fedex Air or Fedex international.

## ***PRODUCT SAMPLE POLICY***

QuestSpecialty will furnish the first sample of an individual product at no charge. Freight will be billed to customers on a net 30 account. Samples will be sent to customers set up as pay in advance once payment for freight has been received. Call your customer service representative to request samples and freight quotes.

## ***RETURN GOODS POLICY***

All returns must be authorized by QuestSpecialty Corporation. When requesting authorization for return, please advise the product(s) you wish to return. A return authorization number will be issued. Returns without the return authorization number will not be accepted. Credit will be based on original invoice price. In the case of incorrect shipment, QuestSpecialty must be notified within 10 days after receipt of shipment. Authorized return (in unopened containers) for reasons other than defective merchandise will be credited at original invoice price less 15% restocking charge. All returns must be shipped freight prepaid.

## ***FEDERAL REGULATIONS & LABEL REGISTRATION***

All products subject to Federal Regulations (disinfectants, germicides, insecticides, herbicides, sanitizers) are registered with the appropriate regulatory body by QuestSpecialty Corporation. QuestSpecialty Corporation conforms to all DOT ground shipping regulations.

## ***LABELS***

Labels furnished by customers requiring special warning statements must comply with all federal regulations. If not, our stock label will be used. We will be glad to review your artwork prior to printing of labels to insure compliance with federal regulations.

## ***PRODUCT WARRANTY***

QuestSpecialty Corporation warrants the sealed containers of its products will be labeled in accordance with Federal regulations and the product will conform to the label description. QuestSpecialty disclaims any other warranties including any and all warranties of merchantability or fitness for any particular purpose with respect to its products. QuestSpecialty's liability shall be limited to replacement of any defective product and all claims must be in writing and received within twelve months of the invoice date and the merchandise must be available for QuestSpecialty's inspection.
