(Please Print)

Dear Parents/Guardians:

Videotaping provides opportunities for your child to view student participation in school activities, to monitor self-improvement on IEP goals, and to produce theater arts activities. The video may be shown to the district's Child Study team.

In addition, videotaping a teacher or therapist using a teaching or therapeutic technique with your child can be an effective teaching method and may be used in staff trainings.

Please sign below to give or to not give permission for your son/daughter to be videotaped in school.

I understand and agree that this permission will be in effect throughout my child's enrollment at the Academy Learning Center. Please let us know in writing if at any time you wish to rescind this consent.

I GIVE permission for videotaping:

Signature of Parent/Guardian: _____ Date: _____

I DO NOT give permission for videotaping:

Signature of Parent/Guardian: _____ Date: _____
