CONSENT FORM FOR DISTRICT/SCHOOL WEBSITE AND SOCIAL MEDIA 2023 - 2024 School Year

We are sending you this parental consent form to both inform you and to request permission for your son/daughter's photo/image and/or name to be published on the district and/or school's website, as well as via the district's social media channels. Currently the district uses Facebook, Twitter, Instagram, and YouTube.

As you are aware, there are potential risks associated with the posting of personally identifiable information on a website and social media because global access to the internet does not allow us to control who may access such information. Personally identifiable information includes student names. These risks have always existed; however, we as educators wish to celebrate your son/daughter and his/her accomplishments. The law requires that we ask for your permission to use information about your son/daughter.

If you, as the parent or guardian, wish to rescind this consent, you may do so at any time in writing by sending a letter to the principal of your son/daughter's school and such rescission will take effect upon receipt by the school.

Please check one of the following choices and return this form to school. Thank you.
